Sub.: Annual Report for the Financial Year 2025-26

Dear Sir/Ma'am,

Pursuant to Regulation 34 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015, we are enclosing Annual Report for the Financial Year 2025-26 of PG Electroplast Limited.

Further, the **24th Annual General Meeting** of PG Electroplast Limited is scheduled to be held on **Tuesday, September 29, 2026, at 02:30 P.M.** through Video Conferencing/Other Audio Visual Means ("**VC/OAVM**").

The Annual Report is available on the website of the Company at https://pgel.in/annual_reports.html

This is for your information and record.

Forward - looking statements

Some information in this report may contain forward - looking statements which include statements regarding Company's expected financial position and results of operations, business plans and prospects etc. and are generally identified by forward - looking words such as "believe," "plan," "anticipate," "continue," "estimate," "expect," "may," "will" or other similar words. Forward - looking statements are dependent on assumptions or basis underlying such statements. We have chosen these assumptions or basis in good faith, and we believe that they are reasonable in all material respects. However, we caution that actual results, performances or achievements could differ materially from those expressed or implied in such forward - looking statements. We undertake no obligation to update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.

Growth is shaped by the capabilities we build today and the opportunities we prepare to capture tomorrow. At PG Electroplast Limited, FY 2025-26 marked an important step in that journey, as we strengthened our integrated manufacturing platform and laid the foundations for a broader, more resilient future.

Amid a dynamic market environment, we remained focused on investing with purpose of expanding capacity, deepening localisation, advancing backward and forward integration, and enhancing operational excellence. Our ₹785 crore capital expenditure reflects this commitment, supporting new manufacturing capabilities across Washing Machines, Refrigerators and critical components such as rotary compressors.

The scale-up of our Washing Machine business and our entry into refrigerator manufacturing are broadening our product portfolio and

opening new avenues for sustainable growth. Our capabilities across design, tooling, electronics, precision plastics and large-scale production further strengthen our ability to deliver integrated solutions and greater value to customers.

Digitalisation, automation and responsible resource management are enhancing the agility and resilience of our operations. Together, these initiatives are shaping a future-ready manufacturing platform equipped to respond to evolving customer needs and emerging opportunities.

Building the Next Phase reflects our ambition to deepen our capabilities, expand our horizons and create enduring value, with confidence in the opportunities ahead.

About Us

Pioneering Innovation with Insight, Harnessing Expertise

PG Electroplast Limited (PGEL) is among India's leading Electronics Manufacturing Services (EMS) providers, delivering integrated Original Design Manufacturer (ODM) and Original Equipment Manufacturer (OEM) production solutions spanning the consumer durables, consumer electronics, automotive and sanitaryware industries. Our operations incorporate product design, tooling, electronics, precision plastics, sourcing, and large-scale manufacturing within a unified framework, enabling us to offer end-to-end solutions that support speed, quality and operational efficiency for our customers.

Our business is built on long-standing customer partnerships, manufacturing excellence and steady capability enhancement. As customer requirements continue to evolve, we consistently invest in strengthening our integrated manufacturing model to deliver precise execution and dependable performance, supporting our customers' product launches and contributing to India's widening production network.

Our Vision

To be the preferred end-to-end manufacturing partner for leading Indian and global brands with a focus on innovation and excellence.

Mission

To empower our clients with industry leading quality, cost-efficient solutions and timely delivery in a dynamic business environment.

Our Values

Sustainability

Integrity

Excellence

Collaboration

Innovation

Our Integrated Manufacturing DNA

Our integrated manufacturing model is built on interconnected capabilities that work together to deliver consistency, efficiency and value at every stage of the production lifecycle. By combining engineering expertise, manufacturing capability and long-term customer partnerships within a single framework, we offer solutions that are scalable and aligned with evolving market requirements.

Design and Engineering

Translating customer requirements into scalable manufacturing solutions through in-house engineering and product development capabilities.

Tooling Efficiency

Supporting manufacturing precision through an in-house tooling division that shortens new product development timelines and improves consistency.

Component Manufacturing

Improving supply chain efficiency through backward integration across critical components, including plastic moulding, sheet metal, heat exchangers, copper tubing and PCB assemblies, alongside engineered plastics for automotive and sanitaryware applications.

Integrated Production

Executing large-scale manufacturing through coordinated production systems designed to support operational flexibility, quality and responsiveness.

Quality and Validation

Embedding quality assurance across every level of manufacturing through process controls, testing protocols and continuous improvement initiatives.

Customer Partnership

Serving as a manufacturing partner to leading brands that prioritise reliability, innovation and long-term value creation for their customers and shareholders.

Key Highlights

Translating Our Vision into Measurable Outcomes

This year was marked by disciplined execution amidst an uncertain market landscape. As the industry navigated demand moderation and supply-side disruptions, we continued to strengthen our manufacturing platform through capacity expansion, upstream vertical integration, technology adoption and future-oriented investments that reinforce our long-term competitive advantage.

Strategic Measures

This year was typified by another stride towards strengthening our sustainable manufacturing platform. We continued to invest in capacity expansion, product upgradation and localisation initiatives, while developing strategic projects that further advance backward integration and support sustained value creation in the years ahead.

Washing Machine

Facility At new Greater Noida Campus

₹785 crores

Capital Expenditure

Refrigerator

Manufacturing Facility At Sri City

Rotary Compressor

Project At Supa Facility

Consolidation and Relocation

of some Greater Noida units to Salarpur Campus

Manufacturing Momentum

We sustained growth momentum despite a moderated market environment, supported by capacity expansion, product diversification and continued strengthening of our integrated manufacturing platform. Our focus remained on developing scalable, multi-product platforms, while advancing localisation and backward integration to strengthen supply-chain resilience and create additional avenues for sustainable growth.

4.5 million

RAC Annual Manufacturing Capacity

Building the Future

Alongside strengthening current operations, we continued preparing for the next phase of growth through investments that enhance localisation, deepen backward integration and improve long-term manufacturing resilience. These initiatives are expected to expand domestic value addition while reinforcing our position as an integrated manufacturing partner.

1.2 million

Units Initial Annual Refrigerator Production Capacity Planned

5

Manufacturing Hubs being Developed

Portfolio diversification remains central to our next phase of growth. The expansion into refrigerators, alongside the continued scale-up of the Washing Machine business, broadens our participation across consumer

durable categories and provides a more balanced growth platform. These initiatives, supported by expanding manufacturing capabilities and investments in component localisation, are expected to strengthen our ability to capture emerging opportunities across the consumer durables sector.

Financial Highlights

FY 2025-26 reflected the resilience of our diversified business model amid a moderated operating environment. While certain categories experienced demand pressure, continued growth in Washing Machines and progress in newer product categories supported business momentum and strengthened our portfolio diversification.

5,288 crores

Operating Revenue

441.8 crores

Earnings Before Interest, Taxes, Depreciation and Amortisation (EBITDA)

193.6 crores

Profit After Tax (PAT)

785 crores

Capital Expenditure

FY 2025-26 in Focus

Beyond financial performance, the year saw significant progress across manufacturing capability, strategic investments and operational efficiency. These milestones have advanced our integrated manufacturing platform

while forming the foundation for a sustainable long-term trajectory.

Manufacturing Scale

Expanded manufacturing assets across high-growth product categories while enhancing integrated production platforms, including commissioning of the new washing machine facility at Greater Noida.

Backward and Forward Integration

Progressed the rotary compressor project at Supa to deepen localisation and strengthen supply-chain resilience. Entry into refrigerator manufacturing represents a forward integration building on our existing leadership as a supplier of plastic moulded refrigerator component kits.

Digital Transformation

Executed enterprise-wide Systems, Applications and Products in Data Processing (SAP) migration, strengthening inventory visibility, demand planning and operational decision-making.

Operational Excellence

Enhanced productivity through structured cost-efficiency initiatives, low-cost automation, workforce upskilling and process optimisation.

Product Leadership

We continued to strengthen our presence across high-growth consumer durable categories, while building greater diversification into adjacent product segments. The Room Air Conditioner business remained resilient despite moderated seasonal demand, while the Washing Machine business delivered strong growth. At the same time, our entry into refrigerator manufacturing is broadening the portfolio and creating additional opportunities for scale and customer engagement.

Our Journey

Performing with Purpose, Progressing with Vision

Our milestones underscore our ability to adapt to advances in technology and to evolving customer and industry requirements. From our initial production phase to becoming an integrated manufacturing partner for leading Indian and global brands, we have expanded our capabilities while retaining our focus on operational excellence, innovation and long-term value creation.

11

Manufacturing Units

120+

Customers Served

10,000+

Workforce Strength

1977

The Inception

The PG Group was founded in Delhi as a small electronic component manufacturing unit, laying the groundwork for a manufacturing trajectory driven by quality, innovation and long-term value creation.

1995

Television Manufacturing

Set up a dedicated production unit in Noida to manufacture black and white televisions.

1997

Portfolio Expansion

Entered colour television and audio product manufacturing, broadening our consumer electronics portfolio.

1999

Printed Circuit Board (PCB) Assembly

Commenced PCB assembly operations in Noida, strengthening backward integration across electronics manufacturing.

2011

Footprint Expansion

Expanded our footprint with a plastic injection moulding plant near Pune.

2010

Automotive Components

Diversified into the automotive industry, working with leading Indian and global OEMs, and were rated India's largest manufacturer for consumer electronics.

2009

Lighting

Commenced manufacture of CFL lighting products.

2008

Large-scale Supply

Received our first government tender, from the Government of Tamil Nadu, for the supply of colour televisions, supplying 2.5 million units over the following three years.

2003

Plastic Moulding

Incorporated PG Electroplast Limited and commenced plastic injection moulding operations.

2012

Moulding Capacity

Expanded the plastic injection moulding business with a new factory in Greater Noida.

2014

Products Business

Commenced the Products Business with air cooler manufacturing, and diversified into small domestic appliances by setting up a motor plant to manufacture juicers and mixer grinders for leading Indian brands.

2015

Set-top Boxes

Commenced operations at our set-top box assembly plant.

2016

Tooling Capabilities

Established the tooling division to strengthen product development and integrated manufacturing capabilities.

2020

Backward Integration in RAC

Commissioned Room Air Conditioner indoor unit assembly together with in-house heat exchanger coil manufacturing, and crossed ₹600 crores in revenue.

2019

Scale Milestone

Crossed the ₹500 crore revenue mark, launched our second semi-automatic washing machine model and set up a product showroom at the Corporate Office.

2018

Sanitaryware and Surface Finishing

Installed a PU paint shop facility and set up a thermoset Urea-Formaldehyde (UF) toilet seat manufacturing facility, extending our moulding capabilities into sanitaryware. Commissioned Room Air Conditioner indoor unit assembly lines.

2017

Washing Machines and Process Excellence

Commenced semi-automatic washing machine manufacturing and adopted the 'Process Excellence' approach to drive continuous improvement across operations.

2021

Integrated Product Platforms

Developed Room Air Conditioner outdoor unit assembly capabilities and launched ODM platforms for fully automatic top-load washing machines and air coolers, strengthening ODM product capacity.

2022

Consumer Electronics and Capacity

Commenced LED television manufacturing, commissioned the Supa facility, crossed ₹1,000 crores in revenue, launched four ODM platforms for air conditioners and received approval under the PLI Scheme for air conditioner components.

2023

Capacity Expansion

Crossed ₹2,000 crores in consolidated revenue, with PG Technoplast crossing ₹1,000 crores. Doubled capacities across Room Air Conditioners, Washing Machines and Air Coolers, launched a new ODM washing machine platform, and entered a joint venture with the Jaina Group for television manufacturing.

2026

Integrated Manufacturing Expansion

Advanced our integrated manufacturing platform through strategic investments in compressor and refrigerator manufacturing, expansion into new consumer durable categories and continued strengthening of localisation and end-to-end value creation capabilities.

2025

Market Leadership

Strengthened our position as one of India's leading integrated ODM and OEM manufacturing partners through consistent capability expansion and customer-centric growth.

2024

Manufacturing Expansion

Commissioned the Bhiwadi manufacturing unit and acquired Next Generation Manufacturers Private Limited, expanding our national production footprint.

Chairman's Message

Mapping Our Long-term Success, Strengthening Our Strategy with Foresight

Dear Shareholder,

I am pleased to report that your Company grew its consolidated revenues by 8.6% to ₹5,288 crores in FY2026 and gained further share across its focus categories, in what turned out to be one of the most demanding years the Indian consumer durables industry has faced in recent times. An early monsoon cut short the cooling season. A mid-year revision in GST rates and the transition to revised energy efficiency norms disturbed the usual rhythm of channel purchases. Input costs stayed elevated through the year, and fuel and freight availability tightened in the closing months. The room air conditioner category, which anchors much of our business, contracted over the year as a whole.

That your Company grew through all of this is entirely to the credit of the PG team. They navigated a difficult season with discipline, kept every customer commitment, held on to

the relationships we have spent years building, and did not allow any of it to slow down the long-term build-out we had committed to. I have been part of this business for more than three decades, and I can tell you that a year like this one teaches an organisation far more than a year of easy growth ever does.

FY2026 was also the year in which we invested more heavily than ever before in the foundations of our next phase in new capacities, in our systems and processes, and in the cost structures that will drive our margins for years to come. Much of that work will not be visible in this year's numbers. All of it should be visible in the years that follow.

Performance review

Consolidated revenues grew 8.6% to ₹5,288 crores. Our product businesses crossed ₹4,000 crores and contributed over three-quarters of consolidated sales.

The Room Air Conditioner segment grew 9.3% to ₹3,288 crores in a year when the category itself declined. In a difficult season, brands consolidate their outsourcing with partners they can rely on, and I am proud that they chose us. Today your Company supplies more than 70 leading Indian and global brands, and our position as one of the largest and most backward-integrated RAC manufacturers in the country has only strengthened.

The Washing Machine business was the standout performer of the year, growing 51.5%. This was the reward for two things done well: the new 1.8 million unit capacity our project team commissioned at Greater Noida, and the excellent market response to the new platforms

our product development teams have built. We continue to invest in R&D and new product development across every category, because in the ODM business, the strength of your platforms is the strength of your order book.

Our air cooler, plastic moulding, electronics and tooling businesses performed in line with their markets during the year. PG Technoplast, your Company's wholly owned subsidiary, crossed ₹3,942 crores of revenue in only its fifth year of operations, a remarkable achievement by any measure. Goodworth Electronics, our television joint venture with the Jaina Group, turned profitable during the year.

EBITDA for the year stood at ₹441.8 crores and net profit at ₹193.6 crores. Margins were affected by the shortened season, the cost of carrying inventory and resulting finance costs, and underutilized expanded capacities. Depreciation alone rose 34.4% to ₹88.2 crores during the year. Operating cash flow turned positive at ₹66.2 crores against an outflow in the previous year, and your Company closed FY2026 with net debt of only ₹110.3 crores against a net worth of ₹3,048.6 crores. Of the ₹1,477.6 crores of net proceeds raised through our Qualified Institutions Placement, ₹1,315.4 crores had been deployed towards the stated objects of the issue by the close of the year.

Over the past decade, your Company's revenues have compounded at 35.1% and EBITDA at 35.4%. A few difficult seasons do not change what this business is or where it is going. Your Directors have recommended a final dividend of ₹0.25 per equity share, unchanged from last year.

Strengthening our foundations

If I were asked what I am most satisfied about in FY2026, I would point to the work we did on the inside of this Company.

We completed a full digital transformation, transitioning the Group off our legacy ERP and on to SAP. Anyone who has attempted a migration of this kind will know how difficult it is to do across multiple plants and thousands of SKUs, and our teams did it while running a live season. We now have visibility into financial, demand, inventory, and procurement reporting that we simply did not have before, and we are equipped to run a business several times this size with the same rigour.

We are now equipped to conduct detailed monthly exercises on cost analysis and control across every plant and every product line. For the first time, we know with real granularity where each rupee of cost sits in this business. That means we now know precisely which levers to pull to improve our margins, and we have begun pulling them. This is the single most valuable thing to have come out of a difficult year.

Alongside this, we have begun consolidating certain manufacturing units and factories. Bringing operations into fewer, larger and better-utilised facilities will take out overheads, improve how hard our assets work, and strengthen our cost structures further.

Building for the next phase

Your Company invested ₹785 crores in capital expenditure during FY2026, the largest such programme in our history. We took the deliberate view that a soft season was no reason to slow down, and I remain convinced that this was the right call.

Our new washing machine facility at Greater Noida, with an annual capacity of 1.8 million units, became operational during the year and is already reflected in that segment's growth. Construction advanced well on our refrigerator facility at Sri City, Andhra Pradesh, which will add 1.2 million units of annual capacity, with Phase 1 covering Direct Cool and Side-by-Side models.

Refrigerators will be an important new vertical for the Group and a natural extension of everything we already know how to do.

And at Supa, we have finally begun building our rotary compressor facility, with a Phase 1 capacity of two million units. Equipment installation is underway and mass production is planned for the fourth quarter of FY2027. We have a committed anchor customer and expect the project to be profitable from its first full year of operation. When we built and commissioned the Supa plant in 165 days back in 2022, we said that backward integration would be the foundation of our cost leadership. The compressor is the largest imported input in a room air conditioner and it is the last major piece of that journey. To have finally started building it is, for me personally, the most satisfying milestone of the year.

Separately, PG Technoplast has acquired land in Rajasthan to consolidate our moulding operations, with the corresponding operations at Greater Noida to be wound down in due course.

Future opportunities and long-term potential

The opportunity in front of your Company remains as large as it has ever been. Penetration in our focus categories, viz., room air conditioners, washing machines and now refrigerators, remains very low among Indian households, and rising incomes, urbanisation and the nuclearisation of families continue to support strong structural demand. The Government's sustained encouragement of domestic manufacturing, together with the signing of new FTAs giving new entries into global supply chains, continues to open new doors for Indian EMS and contract manufacturers, and we intend to walk through them.

Channel inventories across the industry have normalised meaningfully. Your Company enters FY2027 with new capacities coming on stream, a sharper cost structure, better systems and a wider product range than at any point in its history. The outlook across all our

business segments remains robust and we are confident of the year ahead.

Our people and our responsibilities

More than 10,000 colleagues carried this Company through FY2026, and I want to record my appreciation for every one of them. In a year when the season did not come to us, our teams went out and found the business. Our manufacturing units recorded zero lost-time injuries and zero fatalities across both employees and contract workers during the year, the second consecutive year of this record, and for a group expanding as fast as ours, nothing pleases me more than that.

On the environmental side, energy consumed per tonne of production fell 40% and water consumed per tonne fell 57% during the year, well ahead of the targets we had set for ourselves, while renewable sources now account for 11.5% of our electricity consumption. Through the National Apprenticeship Promotion Scheme and our community programmes, we continue to support skilling, apprenticeships and education for children and women from weaker sections of society. Our Founder instilled within us the belief that a business earns its place in the community it operates in, and that remains as true today as it was in 1977.

A gratitude to our stakeholders

I take this opportunity to convey my thanks to our Board Members for their constant guidance and support through a demanding year. I would like to thank all our stakeholders, including our customers, vendors, bankers, financial institutions, central and state government bodies and business associates for their firm support. To our employees, whose resilience and hard work delivered this performance, my sincere appreciation. On behalf of the Board, I thank our shareholders for believing in us, and assure them that we will continue to strive for higher goals and better profitability in the coming years.

Sincerely,

Anurag Gupta

Operating Revenue (₹in Cr)

FY 2025-26 reflected the resilience of the Company's diversified business model amid a moderated operating environment. While profitability was impacted by category-specific pressures and softer demand conditions, revenue continued to grow and the Company strengthened its manufacturing platform through capacity expansion, product diversification and strategic investments.

Our Businesses

Powering Integrated Excellence, Propelling Impact

Our diverse product portfolio reflects an integrated manufacturing platform that combines design, engineering and large-scale production capacity. With a comprehensive suite of services across consumer durables, electronics and precision components, we deliver solutions that address evolving customer requirements while consolidating our standing across fast-growing manufacturing sectors.

Product Business

The Product Business is the cornerstone of our manufacturing portfolio, driven by diversified product offerings, integrated ODM and OEM capabilities and a strong focus on product upgradation. Continued investment in product enhancement, manufacturing scale and localisation has enabled this business to remain our largest contributor while supporting long-term and sustainable growth.

- Outdoor Units

The RAC business continued to demonstrate strength despite a moderated demand environment during FY 2025-26. Following strong performance over the preceding years, demand was affected by an extended monsoon, which shortened the peak cooling season, and by transitional factors including the revision in GST rates and the change in energy-efficiency norms. The business nevertheless continued to grow, supported by our integrated manufacturing capabilities, broad customer base and established execution capabilities.

Washing Machines

The Washing Machine business continued to gain scale, supported by expanding production capabilities, outsourcing opportunities and a broadening customer base. The business recorded strong growth during FY 2025-26, reflecting increasing contribution from this category and reinforcing the Company's portfolio diversification beyond Room Air Conditioners.

Manufacturing Hubs

Manufacturing Capacity

Our expanding manufacturing footprint enables us to support a broader product portfolio while improving scalability and operational flexibility. Investments across Room Air Conditioners, Washing Machines and emerging categories such as Refrigerators are progressively creating a multi-product manufacturing platform, reducing concentration in individual product categories and positioning the Company to participate in a wider range of consumer durable opportunities.

Automation

Automation steadily enhances manufacturing productivity by improving operational consistency, reducing manual intervention and strengthening process efficiency across our facilities.

Quality Systems

Quality is embedded throughout our manufacturing lifecycle. We maintain it through standardised processes, testing protocols and continuous improvement initiatives that support reliable product performance. Our operations are certified to ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 and IATF 16949:2016 standards, and we operate an NABL-accredited psychrometric laboratory for product validation.

Digitalisation

Digital technologies strengthen operational visibility, improve planning accuracy and support faster decision-making across our manufacturing operations. During the year we completed an organisation-wide SAP implementation and continue to operate through data-driven manufacturing frameworks.

Backward Integration

Our backward integration strategy strengthens manufacturing efficiency by bringing key processes in-house and improving localisation, supply-chain resilience and operational flexibility. We combine integrated tooling capabilities and in-house PCB assembly expertise to optimise throughput.

- Digitalisation

We enter the next phase with a broader product portfolio, expanding manufacturing capacity and deeper backward integration. The continued scale-up of Washing Machines, planned refrigerator manufacturing capacity and investments in critical components are expected to create additional growth avenues, while the diversified manufacturing platform provides greater flexibility to respond to evolving consumer demand.

Human Resource (HR)

Our People, Our Foundation

Our people are at the core of all our operations. By creating opportunities to learn, grow and succeed within an inclusive, safe and collaborative workplace, we support a high-performing workforce that drives innovation, operational excellence and long-term value creation.

Employee Lifecycle

We believe a resilient organisation is built by developing its people at every stage of their professional journey. From identifying the right talent to supporting continuous development and recognising contribution, our employee lifecycle sustains an engaged, capable and future-ready workforce that grows alongside the Company.

Talent Acquisition

Our talent acquisition approach focuses on identifying individuals with the skills, mindset and potential to thrive in a dynamic manufacturing environment. We continue to strengthen our workforce through merit-based hiring, campus engagement and experienced lateral recruitment, including apprenticeships under the National Apprenticeship Promotion Scheme.

Building a strong and future-ready talent pipeline by attracting skilled individuals who align with our values, culture and evolving business requirements.

Learning and Development (L&D)

Consistent learning and upskilling are integral to improving technical expertise, leadership capabilities and functional excellence. Through structured learning initiatives and capability-building programmes, we equip our people to adapt, innovate and progress with the Company.

Building technical, functional and leadership capabilities, enabling employees to continuously develop their skills and contribute more effectively to the organisation.

Employee Engagement

An engaged workforce encourages collaboration, innovation and collective achievement. We promote an open, transparent and inclusive work culture through employee engagement programmes, recognition initiatives and regular communication that supports belonging and organisational commitment.

Fostering an inclusive and connected workplace through initiatives that encourage collaboration, recognise contributions and strengthen employee belonging.

Health and Safety

The safety of our workforce is a primary responsibility. During FY 2025-26 our operations recorded no lost-time injuries, no recordable work-related injuries and no fatalities across both employees and workers, the second consecutive year of this record.

ZERO

Lost Time Injury Frequency Rate (LTIFR)

ZERO

Fatalities

100%

Employees Covered by Health and Safety Training

Environment, Social and Governance (ESG)

Advancing Responsible Growth, Embracing Trust and Transparency

Sustainability is embedded in the way we manufacture, collaborate and govern our business. By integrating responsible environmental practices, sustaining meaningful social impact and strengthening governance frameworks, we continue to build a resilient organisation that creates long-term value for all our stakeholders. Our FY 2025-26 sustainability disclosures have been externally assured on a reasonable assurance basis.

Cultivating a Greener Future

Environmental responsibility is integrated into the way we design, manufacture and operate. Through a sharpened focus on resource efficiency, circularity and environmental stewardship, we continue to reduce our environmental footprint while building a more sustainable production infrastructure.

Environment

Energy Management

Energy efficiency remains central to our manufacturing operations, and we steadily optimise energy consumption through process upgradation and responsible resource management. Energy intensity per tonne of production reduced by 39.9% during the year. We operate rooftop and ground-mounted solar capacity at our Maharashtra facilities and have contracted long-term renewable supply for our Uttar Pradesh operations.

11.5%

Renewable Energy Utilisation

(39.9)%

Reduction in Energy Intensity per Tonne of Production

Water Management

We promote water stewardship through conservation, recycling and reuse initiatives that support sustainable operations across our facilities. Water intensity per tonne of production reduced by 57.3% during the year, and we significantly reduced our reliance on groundwater.

The Company has a Zero Liquid Discharge (ZLD) mechanism at its operational locations. These systems treat and recycle all wastewater within the premises, ensuring no liquid effluent is released externally. This approach helps reduce freshwater consumption and mitigates environmental impacts.

(57.3)%

Reduction in Water Intensity per Tonne of Production

Waste Management

Our waste management practices prioritise responsible segregation, recycling and environmentally sound disposal to maximise resource efficiency. During FY 2025-26 we substantially widened the scope of our waste reporting across facilities, and the figures below reflect that broader coverage.

5,869 MT

Total Waste Generated

583 MT

Hazardous Waste Managed

Biodiversity and Environmental Impact

We seek to minimise our environmental footprint by integrating responsible practices that support biodiversity conservation and sustainable industrial expansion.

Social

Uplifting Communities, Championing Collective Growth

We believe that meaningful progress begins by contributing to the well-being of the communities in which we operate.

Guided by our commitment to inclusive and sustainable development, our Corporate Social Responsibility (CSR) initiatives focus on creating measurable social impact while addressing local requirements and strengthening community resilience. Our programmes span skill development and apprenticeships under the National Apprenticeship Promotion Scheme, and education, skilling and livelihood support for children and women from weaker sections of society.

₹1.95 crores

CSR Expenditure

2

CSR Initiatives

Governance

Steering the Vision with Integrity and Purpose

Strong governance practices enable us to conduct business responsibly while strengthening accountability, transparency and stakeholder confidence. Our governance framework supports informed decision-making, proactive risk management and ethical business conduct across the organisation.

Risk Management

Proactive risk management is integral to the way we operate and take strategic decisions. Our enterprise-wide risk management framework enables us to systematically identify, assess and mitigate strategic, operational, financial and regulatory risks while enhancing organisational resilience. Supported by periodic risk assessments, business continuity planning and structured mitigation frameworks, we continue to strengthen our preparedness for evolving business conditions.

Board Committee and Governance Oversight

Our governance framework is directed by the Board and specialised committees that provide oversight across key areas of business performance, compliance and stakeholder interests. Through clearly defined roles and responsibilities, these committees strengthen accountability and enable informed decision-making, reinforcing sound corporate governance practices across the organisation.

Oversight is exercised through the Audit Committee, Nomination and Remuneration Committee, Stakeholders' Relationship Committee, Corporate Social Responsibility Committee and the Risk Management Committee.

7

Board Meetings

17

Committee Meetings Conducted

Ethics, Compliance and Whistle-blower Mechanism

Integrity and transparency remain fundamental to our governance philosophy. We uphold ethical business conduct through a compliance framework supported by a Code of Conduct, clearly defined ethics policies and a confidential whistle-blower mechanism that encourages responsible reporting without fear of retaliation. Every reported concern is assessed through established protocols to ensure fairness, confidentiality and timely resolution.

Policies, Protocols and Business Integrity

Our governance practices are reinforced through a framework of policies, internal controls and operating protocols that promote responsible business conduct throughout the organisation. Supported by regular compliance reviews, anti-bribery and anti-corruption measures, insider trading controls and internal financial control systems, this framework supports consistent decision-making while safeguarding stakeholder interests and organisational integrity.

Board of Directors

Visionaries Who Shape Our Future

**Mr. Anurag Gupta**

Chairman - Executive Director - Technical

Mr. Anurag Gupta has more than 33 years' experience in the field of Electronic Manufacturing Services. He has a Bachelors' Degree of Electronics in Computer Engineering and Science from Bengaluru University. He is responsible for development and implementation of procurement and monitoring of plant machinery, R&D, technical policies, quality assurance, and technological advancement. He is a member of Stakeholders Relationship Committee and Corporate Social Responsibility Committee of the Board.

**Mr. Vishal Gupta**

Managing Director - Finance

Mr. Vishal Gupta holds a master's degree in business administration from University of Pune. He has an experience of 31 years in the field of Electronic Manufacturing Services. He is responsible for administration, finances, compliances, and government and customer relationships, along with a focus on key operations of the company's Air Conditioner business. He is a chairman of Risk Management Committee of the Board. He is also a member of Audit Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee of the Board.

**Mr. Vikas Gupta**

Managing Director - Operations

Mr. Vikas Gupta has 31 years' experience in the field of Electronic Manufacturing Services. He holds a master's degree in business administration from University of Pune. His responsibilities include administration, new business development, customer relations, managing and improving intra-organizational support services, along with a focus on the Washing Machine and LED TV operations of the organization. He ensures to create and develop business opportunities and increase operational efficiencies with right product mix to achieve organizational growth and objectives.

**Mr. Raman Uberoi**

Independent Non-Executive Director

Mr. Raman Uberoi is a Chartered Accountant and an Associate Member of the Institute of Chartered Accountants of India. He holds a bachelor's degree in commerce (Honours) from Delhi University. He has around 33 years of experience in the area of financial analysis, credit ratings, mergers and acquisitions, business development functions, etc. Presently, he is a Senior Advisor-Government & Regulatory Relations with CRISIL Ratings Limited. He is also a member of the Audit Committee of the Board.

**Mrs. Mitali Chitre**

Nominee Non-Executive Director

Mrs. Mitali Chitre is a Partner at Baring Private Equity Partners India. She has 19+ years of investment experience & leads deals across consumer goods, manufacturing, building materials, and logistics sectors. She also serves as the Chief Economist for Baring and is in-charge of fund raising. She has a bachelor's degree in Electronics Engineering from Mumbai University (2004), MBA from Cardiff University, U.K. (2005) and in Advanced Management Program from Stanford University (2013). She is a member of the Nomination & Remuneration Committee, Risk Management Committee and Audit Committee of the Board.

**Mr. Ram Dayal Modi**

Independent Non-Executive Director

Mr. Ram Dayal Modi has over four decades of rich experience in Banking & Financial services in SBI Group. He has expertise in the areas of Credit, FOREX, Project Appraisal & funding, Business Planning, Branch Expansion, Training system, Operations & Branch Banking. He is a gold medalist in MA (Political Science), University of Udaipur, Rajasthan and a Certified Associate (Part 1) of The Indian Institute of Bankers, Mumbai. He is the Chairman of Audit Committee, Nomination & Remuneration Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee of the Board. He is also a member of the Risk Management Committee.

**Mrs. Ruchika Bansal**

Independent Non-Executive Director

Mrs. Ruchika Bansal is a Management Consultant with over 22 years' experience, specializing in wealth advisory, investment banking, private equity, corporate finance, business strategy and acumen in the areas of mergers & acquisitions and private equity syndication. She is a Commerce graduate from SRCC (Delhi University) and Postgraduate-Diploma in management from MDI, Gurgaon. She is a member of Audit Committee of the Board.

**Mr. Krishnavatar Khandelwal**

Independent Non-Executive Director

Mr. Krishnavatar Khandelwal is a Chartered Accountant and a member of the Institute of Company Secretaries of India. He holds a bachelor's degree in commerce from Rajasthan University in 1976. He has more than 35 years of experience in Accounts, Finance, System and ERP installation, Legal, Stores, Human Resources and Secretarial matters. He served in accounts, finance and administration at various manufacturing industries including textiles, steel, automobiles, sugar, cement, oil, television, plastic injection molding, consumer goods, and more. He is a member of Audit Committee and Nomination & Remuneration Committee of the Board.

Key Managerial Personnel

Mr. Pramod Chimmanlal Gupta

Chief Financial Officer

Mr. Pramod Chimmanlal Gupta is a Chartered Financial Analyst (CFA) charter-holder from the Association for Investment Management and Research (AIMR), USA. He graduated from Indian Institute of Technology, Kharagpur in 1996 with a B.Tech. (Hons.) in Electronics and Communication. He is also MBA in Finance from Indian Institute of Management, Lucknow. He has over 16 years of experience in Indian equity markets across brokerage firms, mutual funds and insurance companies. He has been involved in business strategy consulting, investment advisory, and financial consulting to listed and unlisted companies.

Mr. Deepesh Kedia

Company Secretary

Mr. Deepesh Kedia is acting as Group Company Secretary and Head of Legal of the Company w.e.f. May 13, 2025. He is a Qualified Company Secretary and holds membership of the Institute of Company Secretaries of India with a Bachelor's degree in Law, having rich experience of more than 16 years in Secretarial, Legal and Finance work in Manufacturing and Infrastructure Listed Companies. During his present and past employment as Company Secretary, he has successfully handled Merger & Amalgamation, Acquisitions, Takeover, FDI, Private Equity Placement, Listing of Securities, Qualified Institutional Placements, NCLT / RD/ ROC, IBC, Litigations related matters under adjudication at District, High Court and Supreme Court of India etc.

Management Discussion and Analysis

Economy Overview

Global Economy

Overview¹

The global economy expanded by 3.4% in calendar year 2025, demonstrating resilience amid heightened geopolitical uncertainty, trade disruptions and changing supply-chain dynamics. Growth was supported by sustained demand for services, continued expansion in technology-related trade and relatively stable conditions across key commodity markets.

Governments and businesses responded to the evolving geopolitical landscape by strengthening energy security, pursuing trade partnerships and optimising cost structures. However, supply-chain constraints continued across certain industries, affecting production planning, logistics and the availability of critical inputs. Global inflation averaged 4.1% during CY2025, supported by relatively stable commodity prices and gradual improvement in supply-chain conditions. While global trade volumes remained broadly stable, trade flows continued to be reshaped by geopolitical fragmentation, shifting sourcing strategies and the growing focus on regionalisation and supply-chain resilience.

Growth remained uneven across regions. Emerging market and developing economies expanded by 4.4%, compared with growth of 1.9% in advanced economies. In this environment, businesses increasingly focused on improving manufacturing efficiency, diversifying sourcing networks and strengthening

supply-chain visibility. These measures helped improve operational resilience, support the availability of raw materials and mitigate the impact of external disruptions.

Outlook²

Global economic growth is projected at 3.1% in CY2026 and 3.2% in CY2027. The outlook remains subject to geopolitical tensions, particularly developments in the Middle East, volatility in energy markets and changes in global trade policies. Lower tariff barriers and continued efforts to normalise trade relations may provide partial support to economic activity and cross-border commerce.

Global inflation is expected to increase to approximately 4.4% in CY2026. Central banks are therefore likely to remain cautious in calibrating monetary policy, with a continued focus on inflation management and financial stability. Energy-market conditions, logistics networks and major trade routes are expected to improve gradually, although the pace of normalisation will depend on geopolitical developments and the resolution of supply-side disruptions.

Inflationary pressures, commodity-price volatility and uncertainty regarding the timing and extent of monetary-policy easing remain key risks to global growth. These factors may influence consumer demand, investment decisions, financing costs and global trade flows. In response, manufacturers are expected to continue strengthening supply-chain resilience through supplier diversification, localisation, operational efficiency and more disciplined inventory management.

Indian Economy

Overview

India remained one of the world's fastest-growing major economies during FY2025-26, supported by resilient domestic demand, sustained public investment and a broadly stable macroeconomic environment. Real GDP expanded by 7.7%, driven

by healthy private consumption, improving investment activity and continued policy support. Government capital expenditure of ₹11.2 lakh crore accelerated infrastructure development across transportation, logistics and urban infrastructure, creating positive multiplier effects for manufacturing and allied sectors. Stable commodity prices and prudent fiscal management further supported economic resilience and long-term growth.

¹<https://www.imf.org/en/publications/weo/issues/2026/04/14/world-economic-outlook-april-2026>

²<https://www.imf.org/en/publications/weo/issues/2026/04/14/world-economic-outlook-april-2026>

Retail inflation moderated to 3.93% during FY2025-26 and remained within the Reserve Bank of India's target range, supporting household purchasing power across urban and rural markets. The relatively benign inflation environment, together with improving liquidity conditions, facilitated credit growth and encouraged both consumer spending and private-sector investment.

Manufacturing continued to be an important driver of economic activity, with manufacturing Gross Value Added (GVA) expanding by 9.3%. Government initiatives such as Make in India and the Production Linked Incentive (PLI) scheme continued to support domestic manufacturing, investment in capacity creation and the development of local supply chains.

Demand conditions for electronics and consumer appliances also remained constructive. The consumer-durables category recorded growth of 5.3% in March 2026, reflecting sustained demand for home appliances and electronic products. Continued investment in domestic electronics supply chains, increasing localisation and rising adoption of smart and connected devices are strengthening India's position as a competitive manufacturing destination.³

Outlook

India's economic outlook remains favourable, supported by resilient domestic demand, continued policy support and sustained public investment. The monetary authority projects GDP growth of 6.6% in FY2026-27, with higher disposable incomes, supported by revised income tax exemptions, expected to strengthen consumption across key sectors.⁴ Moderate inflation, adequate liquidity and a supportive interest rate environment are expected to encourage private investment, sustain credit growth and reinforce overall economic activity.

Government capital expenditure of ₹12.2 lakh crore for FY2026-27 is expected to accelerate infrastructure creation and strengthen the manufacturing ecosystem. Rising industrial investments, continued emphasis on domestic production and import substitution, along with healthy foreign exchange reserves, are expected to enhance India's economic resilience and competitiveness. These structural drivers are likely to support manufacturing expansion, deepen supply chain localisation and create a favourable operating environment for the electronics manufacturing and consumer durables ecosystem over the medium to long term.

India's GDP Growth Trend

Industry Overview

Indian EMS and Contract Manufacturing Industry

India's electronics manufacturing sector continued to demonstrate strong growth momentum, with domestic electronics production reaching ₹11.3 lakh crore in FY2024-25. The Electronics Manufacturing Services (EMS) industry has emerged as a key contributor to this expansion, growing nearly four-fold from an estimated USD 10–12 billion in FY2020 to approximately USD 40–45 billion in FY2024-25.

The sector's export performance has strengthened materially, with domestic electronics exports increasing approximately eight-fold to ₹3.27 lakh crore. Mobile-phone production reached ₹5.45 lakh crore during the year, reinforcing India's position as the world's second-largest mobile-phone manufacturer. Continued localisation, Production Linked Incentive (PLI) support and increasing integration with global value chains are strengthening India's competitiveness as an electronics-manufacturing destination.

Government policy remains focused on expanding domestic value addition and developing a more comprehensive electronics ecosystem. India has set an objective of building a USD 500-billion electronics-manufacturing ecosystem by FY2030-31. In support of this objective, the Union Budget for FY2026-27 increased the outlay for the Electronics Components Manufacturing Scheme to ₹40,000 crore. As of December 2025, the scheme had secured investment commitments of ₹1.15 lakh crore, with the potential to generate component production valued at ₹10.34 lakh crore and create approximately 1.41 lakh direct employment opportunities.

The Government has further reinforced its commitment to building a resilient domestic semiconductor and component ecosystem through India Semiconductor Mission 2.0, for which ₹1,000 crore was allocated in FY2026-27. The initiative is intended to strengthen supply-chain resilience, promote indigenous chip-design capabilities and support the development of domestic semiconductor-manufacturing infrastructure. Collectively, these initiatives are expected to accelerate localisation, deepen the domestic value chain and strengthen the long-term competitiveness of India's electronics-manufacturing ecosystem.⁵

Indian Consumer Durable Market

The Indian consumer-durables market continues to present a significant long-term growth opportunity, supported by rising disposable incomes, increasing urbanisation, changing consumer preferences and growing demand for smart, energy-efficient appliances. The market is projected to reach approximately ₹3 trillion by FY2028-29, expanding at an estimated CAGR of 11% between FY2024-25 and FY2028-29. India is consequently expected to emerge as one of the world's largest consumer-durables markets.

The sector's growth is being supported by increased digital adoption, improving access to consumer finance, wider

e-commerce penetration and continued investments by domestic and multinational manufacturers. These factors are broadening product accessibility, accelerating premiumisation and supporting the adoption of technologically advanced appliances across urban as well as emerging markets.

A strengthening domestic manufacturing ecosystem is further reinforcing the sector's prospects. Industrial production grew by 4.9% in April 2026, led by manufacturing growth of 6.2%, while the electrical-equipment segment expanded by 19.2%. This reflects continued momentum across consumer-facing manufacturing categories and the increasing importance of domestic production capabilities. Localisation, technology adoption and investments across the value chain are enabling manufacturers to respond more effectively to demand for connected, energy-efficient and premium appliances.

The long-term outlook for the sector remains favourable, underpinned by improving consumer confidence, continued expansion of e-commerce, increasing product penetration and supportive government initiatives, including the Production Linked Incentive (PLI) scheme for white goods. While inflationary trends, commodity-price movements and evolving global trade dynamics may create near-term challenges, sustained domestic consumption, product innovation and ongoing manufacturing investments are expected to support the sector's long-term growth trajectory.

Key Growth Drivers

Growth Drivers	Description
Government Policy	ECMS (₹40,000 crore outlay), India Semiconductor Mission 2.0 and PLI schemes continue to strengthen domestic electronics manufacturing and investment.
Domestic Demand Growth	Rising household consumption and higher private consumption expenditure continue to support demand across consumer durable categories.
Manufacturing Ecosystem	Expansion of domestic electronics manufacturing and higher domestic value addition are strengthening India's manufacturing ecosystem.
Component and Semiconductor Ecosystem	Investments in PCB, display module and passive electronic component manufacturing are strengthening the domestic component ecosystem.

Growth Drivers	Description
Technology Adoption	Growing adoption of smart and connected devices is driving innovation and demand across the consumer durables market.
Supply Chain Localisation	Increasing domestic component sourcing and reduced import dependence are improving supply chain resilience.
Export Competitiveness	Growth in electronics exports and stronger integration with global value chains are enhancing India's export competitiveness.
Workforce and Skilling	Skill India Digital Hub (SIDH) and industry-led apprenticeship programmes are strengthening the skilled manufacturing workforce.

Company Overview

PG Electroplast Limited (PGEL) is a leading Electronic Manufacturing Services (EMS) and integrated manufacturing company serving the consumer durables and electronics industries. The Company provides end-to-end manufacturing solutions across Original Design Manufacturing (ODM), Original Equipment Manufacturing (OEM) and contract manufacturing models. Its capabilities span product design and engineering, tool development, plastic processing, component manufacturing and final-product assembly.

PGEL serves leading domestic and global brands across a diversified portfolio of consumer-durables and electronics categories, including room air conditioners, washing machines, air coolers, televisions, LED lighting products and other electronic devices. The Company's multi-product capabilities enable it to address a broad range of customer requirements while enhancing its share of business with existing clients.

The PGEL's manufacturing network, engineering expertise and integrated operating model enable efficient, scalable and responsive production. By combining product-development capability with component manufacturing and final assembly, PGEL offers customers a differentiated value proposition centred on quality, cost competitiveness, flexibility, timely delivery and supply-chain reliability.

PGEL has established a strong presence in India's consumer-durables and electronics-manufacturing ecosystem. Its focus on execution excellence, progressive backward integration, multi-location operations and long-standing customer relationships positions the Company to benefit from the increasing trend towards outsourcing and localisation in India.

Key Highlights of FY 2025-26

- Crossed the ₹5,288 crore revenue milestone, reflecting strong growth across key product categories.
- PG Technoplast, the Company's wholly owned subsidiary, recorded revenue exceeding ₹3,942 crore during the year.
- Product Business contributed over 76.2% of total revenue, led by Room Air Conditioners and Washing Machines.
- Room Air Conditioner business achieved healthy growth despite demand moderation, commodity inflation and supply chain challenges.
- The washing machine business delivered strong year-on-year growth, supported by increasing customer traction and capacity utilisation.
- Continued investments in capacity expansion, backward integration and product development strengthened manufacturing capabilities.
- Robust order book across product categories provided strong business visibility and supported sustained operational momentum.

Product Wise Performance

Segment	FY 2025-26 Revenue (₹ Crores)	Highlights
Room Air Conditioner (RAC)	3,288	- Expanded ODM business - Capacity addition
Washing Machine	679	- Product portfolio expansion - Rising consumer demand
Air Cooler	63	- Seasonal demand - Wide consumer base
Electronics (Ex-LED TV)	367	- Electronics other than LED TV, gaining Scale in PGEL
Plastic Moulding & Others	891	- Higher localisation and backward integration initiatives

Operating revenue breakup across verticals

Figures in INR Crores

Washing Machine

The Washing Machine business sustained its growth with a revenue of ₹ 679 crores during FY2025-26, recording 51.5% year-on-year growth. A broader product portfolio and increasing customer engagement strengthened the business, reinforcing its position as one of the company's fastest-growing product categories.

Air Coolers

Air Coolers remained an important seasonal offering, with a revenue of ₹ 63 crores within PGEL's consumer durables portfolio. The business continued to benefit from established manufacturing capabilities and customer demand, while complementing the company's broader product portfolio across cooling appliances.

Room Air Conditioner (RAC)

The RAC business continued to anchor PGEL's product portfolio during FY2025-26, with revenue exceeding ₹ 3,200 crores. Supported by a growing ODM business, expanding customer relationships and an integrated manufacturing ecosystem, the segment remained the Company's primary growth driver.

Electronics

The Electronics business earned a revenue of ₹ 367 crores during FY2025-26, supported by the Company's entry into solutions for TV boards, AC controllers and CCTV camera. Consumer electronics, the segment contributed to further diversification of PGEL's manufacturing portfolio.

Refrigerators

FY2025-26 marked PGEL's planned entry into the refrigerator segment, extending its presence across major white goods categories. The proposed manufacturing facility is expected to broaden the company's product portfolio and support its long-term growth strategy.

Tool Manufacturing

Tool Manufacturing, with a revenue of ₹ 14 crores remained a key enabler of PGEL's integrated manufacturing model. By supporting in-house tooling requirements across product categories, the business enhances manufacturing flexibility, faster product development and operational efficiency.

Plastic Molding and Components

Plastic Molding and Components stood at a revenue of ₹ 878 crores and continued to strengthen PGEL's backward integration strategy by supplying critical components across multiple product lines. The segment supports localization efforts while improving manufacturing efficiencies and supply chain resilience.

Financial Overview

Consolidated

Particulars	FY 2025-26	FY 2024-25	% Change
Operating Revenues	5,288.0	4,869.5	8.6
EBITDA	441.8	519.2	(14.9)
PBIT	353.6	453.6	(22.0)
PAT	193.6	290.9	(33.5)

Key Financial Ratios

Ratios	FY 2025-26	FY 2024-25	Change %
Debt Turnover	4.39	6.35	(23.1)
Inventory Turnover	3.00	4.19	(28.8)
Interest Coverage	3.48	5.10	(31.9)
Current Ratio	1.46	1.90	(23.0)
Debt Equity	0.16	0.11	53.5%
Operating Profit Margin (%)	7.32%	9.90%	(26.4)
Net Profit Margin (%)	3.66%	5.79%	(36.8)
Return on Net Worth	6.59%	15.05%	(56.2)

Debtors' turnover has decreased due to low growth in Sales of only 8.6% for FY2026 while debtors remained high and grew 20.8% mainly due to slower sales of Room AC business which also suffered due to gas supply disruption in 4Q2026, due to Iran war. The debtors remained high as collections were slow due to strain in the whole forward channel in Room AC business.

Inventory turnover declined due to low growth in Sales of only 8.6% for FY2026 while Inventory remained high and grew 21.7% mainly due to sluggish Room AC business, which got impacted due to early rains in May 2025 and then GST cut announcement in August 2025 led to postponement of demand for Room AC business in off season. Also, the high channel Inventory led to slower primary sales and that led to company saddled with high raw material inventory for Room AC business for the whole year. Also elevated raw material prices led to higher inventory value during the year.

Interest coverage ratio has decreased due to sharp decline in the PBIT to ₹ 353.6 crores in FY2026 from ₹ 453.6 in FY2025, while the Interest expense grew in FY2026 to ₹ 101.7 crores from ₹ 88.9 crores in FY2025. The PBIT decline was due to negative operating leverage in Room AC business, which suffered on account of several factors. While Interest cost was high due to the higher working capital deployment during the year due to high inventory and delayed collections leading to higher usage of the bank limits.

Current ratio decreased due to sharp decline in cash balances (part of Current assets) by ₹ 590 crores during the financial year, which was largely used for capex of over ₹ 780 crores that company undertook during the year. While the increase in other current assets like Inventory and receivables was largely funded by increased short term debt (part of current liabilities) and payables. This led to deterioration in the current ratio.

Debt to equity ratio increased due to the fact that gross borrowing increased from ₹ 301.9 crores to ₹ 499.7 crores, which is a growth of 65.5%, and this was largely to fund the capex and the increased working capital requirement. On the hand the Net worth increased by just 7.8% during the year to ₹ 3048.6 crores and thus impacting the D/E ratio negatively.

Operating profit declined during the year due to the negative operating leverage in the Room AC business as the monsoon arrived earlier and during the year company faced other challenges leading to lower capacity utilisation than previous year and that impacted the operating profit for the year.

Net profit margin declined as operating profits declined during the year due to the operational challenges of the Room AC business and over that the higher interest cost and depreciation also impacted the net profit, thus impacting the net profit margins further.

Return on Net Worth declined as net profit declined versus previous year due to the operational challenges of the Room AC business and higher depreciation and Interest cost while the Net worth increased during the year.

Human Resource

PG Electroplast Limited recognises its people as a key driver of sustainable growth. As the Company expanded operations during FY2025-26, it remained focused on attracting, developing and retaining skilled talent. This approach supports its integrated EMS business and long-term growth strategy. A diverse and inclusive workplace promotes collaboration, innovation and operational excellence.

The Company's talent strategy focuses on merit-based recruitment, structured onboarding and capability development. Employees receive regular learning and training opportunities to strengthen technical, functional and leadership skills. These initiatives support the evolving requirements of ODM, OEM and integrated manufacturing operations. Skill development remains integral to the Company's long-term workforce strategy.

The Company promotes a collaborative workplace that encourages employee engagement, open communication and professional growth. The Company also supports work-life balance and employee well-being. Its focus on talent retention, leadership development and organisational capability strengthens workforce readiness and supports sustained business growth.

10,000+

Workforce Strength

Environmental, Health and Safety

PG Electroplast Limited integrates Environment, Health and Safety (EHS) principles across its manufacturing operations. The Company focuses on responsible growth, operational excellence and regulatory compliance. During FY2025-26, it expanded its manufacturing footprint while maintaining safe workplaces and reducing environmental impact across its facilities.

The Company's EHS practices include structured safety protocols, periodic risk assessments, preventive maintenance and employee awareness programmes. Regular safety reviews, process standardisation and continuous monitoring enhance workplace safety and reinforce a safety-first culture.

The Company also focuses on improving resource efficiency by encouraging responsible use of energy and natural resources across its operations. The Company integrates sustainable manufacturing practices into its long-term business strategy. It continues to improve environmental and safety performance through operational improvements and effective governance.

Risks and Mitigation Measures

PG Electroplast Limited follows an enterprise-wide risk management approach to identify, assess and mitigate business risks. Risk management remains embedded within strategic planning, capital allocation and day-to-day business operations as the Company expands its manufacturing footprint and product portfolio.

The Company's risk oversight covers operational, financial, regulatory and strategic domains. Key focus areas include supply chain disruptions, raw material price volatility, foreign exchange fluctuations, regulatory compliance, quality standards, cybersecurity, information security and changing customer demand. The Company also evaluates risks associated with capacity expansion, technology adoption and execution of new business initiatives to strengthen business continuity and operational resilience.

The Risk Management Committee periodically review the Company's risk profile, internal controls and mitigation measures. Periodic risk assessments, governance practices and continuous monitoring strengthen organisational resilience and support sustainable long-term growth.

Risk Management Committee

Risk	Description	Mitigation Strategy
 Economic Risk	Inflation, interest rates and changing consumer demand may impact business performance and profitability.	The Company maintains a diversified product portfolio, broad customer base, and continues to improve operational efficiency and cost optimization.
 Supply Chain and Procurement Risk	Disruptions in component availability, logistics or raw material prices may affect production and costs.	PGEL strengthens localization, backward integration, supplier diversification and inventory planning to improve supply chain resilience.
 Regulatory and Compliance Risk	Evolving product standards and statutory requirements may require operational and product-level changes.	The Company continuously monitors regulatory developments and strengthens compliance, quality systems and internal controls.
 Technology and Information Security Risk	Technology advancements and cybersecurity threats may affect business continuity and information security.	PGEL invests in technology, automation and information security to enhance operational efficiency and protect critical business systems.
 Employee Risk	Availability and retention of skilled talent may impact operational efficiency and business expansion.	PGEL focuses on talent acquisition, continuous training, employee engagement and capability development to build a skilled and future-ready workforce.
 Foreign Exchange Risk	Currency fluctuations may increase procurement costs and impact profitability due to imported components.	Foreign currency exposures are regularly monitored, with procurement strategies aligned to mitigate exchange rate volatility.
 Project Execution Risk	Delays in capacity expansion or new projects may impact planned operational and financial outcomes.	Projects are executed through phased implementation, regular reviews and disciplined capital allocation.

Company Outlook

The Company enters FY2026-27 with a clearer focus on operational execution, cost leadership, working-capital normalisation and the phased commissioning of strategic growth platforms. Channel inventory in RACs has reduced materially from FY2025-26 peak levels, and the Company has observed improved sell-out momentum during April and May compared with the corresponding period of the previous year.

The Company expects to pursue growth ahead of the industry while improving operating efficiency and capital discipline. Management is targeting an improvement in EBITDA margin toward 8%, supported by normalising operating leverage, cost-management initiatives, better inventory and receivable cycles, and moderation in input-cost pressures. Actual outcomes will depend on demand conditions, weather patterns, commodity prices, exchange rates, customer schedules and the pace of project ramp-up.

Over the medium term, the Company's investment in washing machines, refrigerators, compressors, moulding consolidation, systems and workforce capability is intended to enhance its role as an integrated, multi-product manufacturing partner. PGEL remains focused on building durable customer relationships, increasing value addition, strengthening supply resilience and creating sustainable long-term value for stakeholders.

Internal Control System and Their Adequacy

The Company has established a robust internal control framework designed to support its operational structure. The Company has put in place a comprehensive system covering governance, compliance, auditing, monitoring and reporting functions. This system ensures adherence to regulatory

requirements, promotes efficient and orderly business operations, safeguards Company assets and helps in the prevention and detection of fraud and errors. It also ensures the accuracy and completeness of accounting records and supports the timely preparation of reliable financial reports. The internal controls cover operations, financial reporting, compliance with applicable laws and regulations, safeguarding assets from unauthorized use and ensure compliance of corporate policies. Internal auditors validate the effectiveness of the control mechanisms, which are further reviewed by the management. The Audit Committee oversees the financial reporting process, ensuring transparency, accuracy and integrity in disclosures. Additionally, the Committee regularly assesses the adequacy and efficiency of internal controls and suggests improvements wherever necessary.

Cautionary Statement

This report's Management Discussion and Analysis section, which includes the Company's objectives, projections, estimates and anticipations, may be considered 'forward-looking statements' under applicable laws and regulations. These claims rely on certain assumptions and predictions about future events. External and internal variables outside the Company's control may cause significant deviations from indicated or implied results. The Company expressly disclaims any duty to publicly change, update, or revise any forward-looking statements in light of new developments, information or events. Individuals are advised to exercise their own discretion when considering the risks connected with the Company, since the list provided is not complete.

Directors' Report

DEAR SHAREHOLDERS,

The Directors of your Company are pleased to present the 24th Annual Report along with the Audited Financial Statements (Standalone and Consolidated) of your Company for the financial year ended March 31, 2026.

1. FINANCIAL RESULTS:

(Rupees in Lakh)

Particulars	Standalone		Consolidated	
	FY 2025-26	FY 2024-25	FY 2025-26	FY 2024-25
Revenue from Operations	1,43,429.98	1,48,675.98	5,28,802.19	4,86,953.17
Other Income	7,115.27	4,734.03	5,478.81	3,510.64
Total Income	1,50,545.25	153,410.01	5,34,281.00	4,90,463.81
Finance Cost	1,234.00	1,270.89	10,164.50	8,885.41
Depreciation and Amortisation Expenses	2,729.16	2,523.32	8,817.32	6,561.42
Total Expenses	1,34,220.92	142,355.68	5,09,087.22	4,53,994.60
Profit Before Tax	16,324.33	11,054.33	25,193.78	36,469.21
Total Tax Expenses	3,956.92	2,583.71	5,833.61	7,377.13
Profit for the year	12,367.41	8,470.62	19,360.17	29,092.08
Other Comprehensive Income	98.72	72.01	139.26	0.11
Total Comprehensive Income	12,466.13	8,542.63	19,795.95	28,779.74
EPS (Basic) (In ₹)	4.35	3.16	6.91	10.74
EPS (Diluted) (In ₹)	4.29	3.10	6.82	10.55

2. PERFORMANCE OVERVIEW:

During the year under review on a consolidated basis, our total income increased by 8.93% to ₹ 5,34,281.00 lakh for FY 2025-26 from ₹ 4,90,463.81 lakh for FY 2024-25. Our revenue from operations increased by 8.59% to ₹ 5,28,802.19 lakh for FY 2025-26 from ₹ 4,86,953.17 lakh for FY 2024-25, primarily due to growth in our sales of product business driven by growth in sales of RACs and washing machines. Other income increased by 56.06% to ₹ 5,478.81 lakh for FY 2025-26 from ₹ 3,510.64 lakh for FY 2024-25, primarily due to increase in interest income on deposits with banks on account of proceeds from Qualified Institutions Placement. Our total expenses increased by 12.14% to ₹5,09,087.22 lakh for FY 2025-26 from ₹ 4,53,994.60 lakh for FY 2024-25, on account of

increase in Cost heads like cost of materials consumed, Employee Benefit Expense, Finance Costs, Depreciation, etc. Profit for the year decreased to ₹19,360.17 lakh for FY 2025-26 from ₹ 29,092.08 lakh for FY 2024-25. On account of the above, our total comprehensive income decreased to ₹ 19,795.95 lakh for FY 2025-26 from ₹ 28,779.74 lakh for FY 2024-25 due to shortened season, the cost of carrying inventory and resulting finance costs, and underutilized expanded capacities. The operating cash flow during the year has been robust despite all challenges and working capital optimisation remains key focus area for the company in coming quarters. The detailed operational performance of your Company is provided in the Management Discussion and Analysis Report forming part of this report.

3. INCREASE IN ISSUED, SUBSCRIBED AND PAID-UP SHARE CAPITAL OF THE COMPANY:

a) Allotment of 2,53,000 Equity Shares pursuant to PG Electroplast Employees Stock Options Scheme – 2020.

During the period under review, the Company on April 05, 2025, allotted 2,53,000 Equity shares to 'PG Electroplast Limited Employees Welfare Trust' under the PG Electroplast Employees Stock Options Scheme - 2020. Following is the summary of allotment of shares:

Date of members approval	February 28, 2021 & March 28, 2022
Date of allotment	April 05, 2025
Method of allotment	Allotment of equity shares pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Issue price, basis of computation of issue price	Issue price of ₹ 65/- as determined by Nomination & Remuneration Committee pursuant to PG Electroplast Employees Stock Option Scheme – 2020.

Particulars of person to whom shares have been issued	The equity shares were allotted to the PG Electroplast Limited Employees Welfare Trust.
Shareholding of promoters and promoter group prior to allotment	49.37%
No. of share allotted	2,53,000 Equity Shares of ₹ 1/- each
Shareholding of promoters and promoter group post allotment	49.33%
Post Issue Public Shareholding	50.58%
Post Issue Employees Welfare Trust Shareholding	0.09%
Consideration details	The company received consideration in cash of ₹ 1,64,45,000/- pursuant to issue of 2,53,000 Equity Shares at an issue price of ₹ 65/- each.
Date of listing and trading approval of NSE & BSE	April 30, 2025

b) Allotment of 24,000 Equity Shares pursuant to PG Electroplast Employees Stock Options Scheme – 2020.

During the period under review, the Company on May 12, 2025, allotted 24,000 Equity shares to 'PG Electroplast Limited Employees Welfare Trust' under the PG Electroplast Employees Stock Options Scheme - 2020. Following is the summary of allotment of shares:

Date of members approval	February 28, 2021 & March 28, 2022
Date of allotment	May 12, 2025
Method of allotment	Allotment of equity shares pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Issue price, basis of computation of issue price	Issue price of ₹ 25/- as determined by Nomination & Remuneration Committee pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Particulars of person to whom shares have been issued	The equity shares were allotted to the PG Electroplast Limited Employees Welfare Trust.
Shareholding of promoters and promoter group prior to allotment	49.33%
No. of share allotted	24,000 Equity Shares of ₹ 1/- each
Shareholding of promoters and promoter group post allotment	49.32%
Post Issue Public Shareholding	50.58%
Post Issue Employees Welfare Trust Shareholding	0.10%
Consideration details	The company received consideration in cash of ₹ 6,00,000/- pursuant to issue of 24,000 Equity Shares at an issue price of ₹ 25/- each.
Date of listing and trading approval of NSE & BSE	July 03, 2025

c) Allotment of 7,05,000 Equity Shares pursuant to PG Electroplast Employees Stock Options Scheme – 2020.

During the period under review, the Company on August 08, 2025, allotted 7,05,000 Equity shares to 'PG Electroplast Limited Employees Welfare Trust' under the PG Electroplast Employees Stock Options Scheme - 2020. Following is the summary of allotment of shares:

Date of members approval	February 28, 2021 & March 28, 2022
Date of allotment	August 08, 2025
Method of allotment	Allotment of equity shares pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Issue price, basis of computation of issue price	Issue price of ₹ 25/- as determined by Nomination & Remuneration Committee pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Particulars of person to whom shares have been issued	The equity shares were allotted to the PG Electroplast Limited Employees Welfare Trust.
Shareholding of promoters and promoter group prior to allotment	49.32%

No. of share allotted	7,05,000 Equity Shares of ₹ 1/- each
Shareholding of promoters and promoter group post allotment	43.60%
Post Issue Public Shareholding	56.08%
Post Issue Employees Welfare Trust Shareholding	0.30%
Consideration details	The company received consideration in cash of ₹ 1,76,25,000/- pursuant to issue of 7,05,000 Equity Shares at an issue price of ₹ 25/- each.
Date of listing and trading approval of NSE & BSE	September 11, 2025

d) Allotment of 2,75,500 Equity Shares pursuant to PG Electroplast Employees Stock Options Scheme – 2020.

During the period under review, the Company on October 31, 2025, allotted 2,75,500 Equity shares to 'PG Electroplast Limited Employees Welfare Trust' under the PG Electroplast Employees Stock Options Scheme - 2020. Following is the summary of allotment of shares:

Date of members approval	February 28, 2021 & March 28, 2022
Date of allotment	October 31, 2025
Method of allotment	Allotment of equity shares pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Issue price, basis of computation of issue price	Issue price of ₹ 150/- as determined by Nomination & Remuneration Committee pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Particulars of person to whom shares have been issued	The equity shares were allotted to the PG Electroplast Limited Employees Welfare Trust.
Shareholding of promoters and promoter group prior to allotment	43.60%
No. of share allotted	2,75,500 Equity Shares of ₹ 1/- each
Shareholding of promoters and promoter group post allotment	43.56%
Post Issue Public Shareholding	56.34%
Post Issue Employees Welfare Trust Shareholding	0.10%
Consideration details	The company received consideration in cash of ₹ 4,13,25,000/- pursuant to issue of 2,75,500 Equity Shares at an issue price of ₹ 150/- each.
Date of listing and trading approval of NSE & BSE	November 13, 2025

e) Allotment of 6,13,000 Equity Shares pursuant to PG Electroplast Employees Stock Options Scheme – 2020.

During the period under review, the Company on November 13, 2025, allotted 6,13,000 Equity shares to 'PG Electroplast Limited Employees Welfare Trust' under the PG Electroplast Employees Stock Options Scheme - 2020. Following is the summary of allotment of shares:

Date of members approval	February 28, 2021 & March 28, 2022
Date of allotment	November 13, 2025
Method of allotment	Allotment of equity shares pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Issue price, basis of computation of issue price	Issue price of ₹ 110/- as determined by Nomination & Remuneration Committee pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Particulars of person to whom shares have been issued	The equity shares were allotted to the PG Electroplast Limited Employees Welfare Trust.
Shareholding of promoters and promoter group prior to allotment	43.56%
No. of share allotted	6,13,000 Equity Shares of ₹ 1/- each
Shareholding of promoters and promoter group post allotment	43.47%

Post Issue Public Shareholding	56.22%
Post Issue Employees Welfare Trust Shareholding	0.31%
Consideration details	The company received consideration in cash of ₹ 6,74,30,000/- pursuant to issue of 6,13,000 Equity Shares at an issue price of ₹ 110/- each.
Date of listing and trading approval of NSE & BSE	November 26, 2025

f) Allotment of 3,54,500 Equity Shares pursuant to PG Electroplast Employees Stock Options Scheme – 2020.

During the period under review, the Company on December 10, 2025, allotted 3,54,500 Equity shares to 'PG Electroplast Limited Employees Welfare Trust' under the PG Electroplast Employees Stock Options Scheme - 2020. Following is the summary of allotment of shares:

Date of members approval	February 28, 2021 & March 28, 2022
Date of allotment	December 10, 2025
Method of allotment	Allotment of equity shares pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Issue price, basis of computation of issue price	Issue price of ₹ 65/- as determined by Nomination & Remuneration Committee pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Particulars of person to whom shares have been issued	The equity shares were allotted to the PG Electroplast Limited Employees Welfare Trust.
Shareholding of promoters and promoter group prior to allotment	43.47%
No. of share allotted	3,54,500 Equity Shares of ₹ 1/- each
Shareholding of promoters and promoter group post allotment	43.41%
Post Issue Public Shareholding	56.15%
Post Issue Employees Welfare Trust Shareholding	0.44%
Consideration details	The company received consideration in cash of ₹ 2,30,42,500/- pursuant to issue of 3,54,500 Equity Shares at an issue price of ₹ 65/- each.
Date of listing and trading approval of NSE & BSE	December 29, 2025

g) Allotment of 24,000 Equity Shares pursuant to PG Electroplast Employees Stock Options Scheme – 2020.

During the period under review, the Company on February 02, 2026, allotted 24,000 Equity shares to 'PG Electroplast Limited Employees Welfare Trust' under the PG Electroplast Employees Stock Options Scheme - 2020. Following is the summary of allotment of shares:

Date of members approval	February 28, 2021 & March 28, 2022
Date of allotment	February 02, 2026
Method of allotment	Allotment of equity shares pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Issue price, basis of computation of issue price	Issue price of ₹ 25/- as determined by Nomination & Remuneration Committee pursuant to PG Electroplast Employees Stock Option Scheme – 2020.
Particulars of person to whom shares have been issued	The equity shares were allotted to the PG Electroplast Limited Employees Welfare Trust.

At the end of the year, the Company's issued, subscribed and paid-up capital was 28,53,42,658 Equity Shares of ₹ 1/- each.

4. TRANSFER TO RESERVE:

Information regarding the amounts allocated to reserves can be found in the Notes accompanying the financial statements included in this Annual Report.

5. DIVIDEND:

The Board of Directors has recommended a dividend of 25% i.e. ₹ 0.25/- per equity share of ₹ 1/- each fully paid up of the Company, for the Financial Year ended on March 31, 2026. The dividend is subject to the approval of members at the ensuing Annual General Meeting ("AGM") and shall be subject to deduction of Income Tax at source.

The Dividend recommendation is in accordance with the Company's Dividend Distribution Policy. The said policy is available on the Company's website and can be accessed at https://pgel.in/assets/images/codes_and_policies/DDPolicy.pdf.

6. STATE OF THE COMPANY'S AFFAIRS:

Business and its operations:

PG Electroplast Limited ("PGEL") is a leading, diversified Indian Electronic Manufacturing Services provider for Indian and global brands. It specializes in Original Design Manufacturing ("ODM") and Original Equipment Manufacturing ("OEM"). PGEL engineers innovative solutions that bring convenience to our customers. Our state-of-the-art facilities and deep product expertise make us the preferred OEM & ODM partner. A skilled team, cutting-edge technology, and a commitment to the highest quality standards help us achieve our targets.

The company has emerged as a one-stop-solution to 70+ leading Indian and Global brands, building enduring relationships with its customers across business verticals over the years. This includes product conceptualization, designing and prototyping, tool design and manufacturing, supply chain development and final assemblies for products like RACs, Washing Machines and Air Coolers. The Company considers its ability to evolve and address the needs of our marquee customer base as a key factor in the growth of our business.

The Company, including its wholly owned subsidiary and step-down wholly owned subsidiary, operates 11 manufacturing units located in Greater Noida, Uttar Pradesh; Roorkee, Uttarakhand; Ahmednagar, Maharashtra and Bhiwadi, Rajasthan. It serves across varied

industries such as Air Conditioners, Washing Machines, Air Coolers, Automotive Components, Sanitaryware and Consumer Electronics. The manufacturing units are equipped with high-quality machinery, assembly lines and full power backup that enable us to meet all the requirements of our customers in a timely manner.

PGEL is the largest manufacturer of Room Air Conditioner CBU's in India. We offer comprehensive ODM and OEM solutions for window and split ACs. Our state-of-the-art manufacturing facilities in Ahmednagar and Bhiwadi are among the most backward integrated AC manufacturing facilities in India. The product's plastic components, sheet metal components, cross flow fans, heat exchangers, copper tubing and controllers are all produced in-house.

PGEL is one of the largest contract manufacturers of washing machines in India. We provide ODM & OEM solutions for semi-automatic and fully automatic washing machines to 20+ leading brands from our facilities in Roorkee and Greater Noida. The design and technology of washing machines conform to the latest norms of energy efficiency. The Company offers semi-automatic washing machines in capacities ranging from 6 kg to 20 kg and fully automatic washing machines in capacities ranging from 6 kg to 14 kg with 5-star energy ratings from BEE.

PGEL manufactures LED Televisions under our JV company, Goodworth Electronics. Our flagship TV manufacturing facility in Greater Noida is one of the most automated and backwards integrated in the country with in-house plastic injection molding, sheet metal stamping, and advanced SMT and MI capabilities. We are manufacturing TVs and Interactive Flat Panel Displays in sizes ranging from 32 inches to 100 inches and offer a wide variety of custom solutions to our clients.

At our extensive facility in Greater Noida, PGEL designs and manufactures air coolers ranging from desert, window, and personal air coolers. PGEL is a one-stop provider of air cooler manufacturing services, from product designing and tooling to complete product assembly, offering high-performance solutions tailored to varied consumer needs.

During the year, there is no change in the nature of business of the Company.

Key business developments:

- PGEL's consolidated operating revenues grew to ₹ 5,288 crores. Meanwhile, PG Technoplast,

PGEL's 100% subsidiary, recorded ₹ 3,942 crores in operating revenue in its fifth year of operations.

- PGEL's 100% step-down subsidiary, Next Generation Manufacturers' Bhiwadi AC Unit became operational during the year and contributed to Production in the 4th quarter of FY 2025-26.
- The Product business crossed ₹ 4,000 crores which grew 14.3% and contributed 76.2% of the total revenues in FY 2025-26.
- Room AC business grew to ₹ 3,288 crores with 9.3% during the period while the Washing Machines business had a growth of 51.5% in FY 2025-26.
- Goodworth Electronics, our television joint venture with the Jaina Group, became profitable during the year.
- Over the past decade, PGEL's revenues have compounded at 35.1% and EBITDA at 35.4%.
- The Company has grown more than 20x in 10 years from revenue of ₹ 263 crores in FY 2015-16, to ₹ 5,343 crores in FY 2025-26 at a 35.1% CAGR with the EBITDA increasing at 35.4% CAGR.
- Over the past 10 years, the company has made a cumulative Capital Expenditure of over ₹ 1,900 Crores, that has now significantly raised its growth potential.
- In a landmark move to strengthen India's manufacturing ecosystem, Next Generation Manufacturers, PG Electroplast step-down subsidiary, signed a Memorandum of Understanding with the Government of Maharashtra to invest ₹ 1,000 crores in a greenfield project at Kamargaon, Ahilyanagar.
- PGEL through its 100% subsidiary, PG Technoplast, acquired a 50-acre land parcel in Sri City, Andhra Pradesh to establish the company's first refrigerator facility in South India. PGEL plans to invest around ₹1,000 crore in developing this state-of-the-art integrated manufacturing campus over the next 5 years.
- The construction commenced during the year for the refrigerator facility at Sri City, Andhra Pradesh, which will add 1.2 million units of annual capacity, with Phase 1 covering Direct Cool and Side-by-Side models.
- PGEL's new Washing Machine facility at Greater Noida, with an annual capacity of 1.8 million units, became operational during the year and is already reflected in that segment's growth.
- PGEL have finally begun building the rotary compressor facility at Supa, with a Phase 1 capacity

of 2 million units. Equipment installation is underway and mass production is planned for the fourth quarter of FY 2026-27.

- PGEL's 100% subsidiary, PG Technoplast has acquired land in Rajasthan to consolidate our moulding operations, with the corresponding operations at Greater Noida to be wound down in due course.

PGEL enters FY2026-27 with new capacities coming on stream, a sharper cost structure, better systems and a wider product range than at any point in its history. The outlook across all our business segments remains robust and we are confident of the year ahead.

Capital Expenditure Activities:

During the financial year 2025-26, the Company on a consolidated basis has incurred ₹ 785 crores on capital expenditure primarily for the purchase of plant and equipment, new manufacturing facilities, and advances to suppliers towards construction activities in greenfield projects, reinforcing its commitment to enhancing production capacity, operational efficiency, and future readiness.

15. DIRECTORS RESPONSIBILITY STATEMENT:

To the best of knowledge and belief and according to the information and explanations obtained by them, your Directors make the following statement in terms of Section 134(3)(c) of the Act:

- a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;

- b) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- c) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d) the Directors had prepared the annual accounts on a going concern basis; and
- e) the Directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively.
- f) the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

16. INTERNAL FINANCIAL CONTROL SYSTEMS, THEIR ADEQUACY AND RISK MANAGEMENT:

The establishment of an effective corporate governance and internal control system is essential for sustainable growth and long-term improvements in corporate value, and accordingly your Company works to strengthen such structures. Your Company has developed & implemented a Risk Management framework for identification, evaluating and management of risks, including the risks which may threaten the existence of the Company. In line with your Company's commitment to deliver sustainable value, this framework aims to provide an integrated and organized approach for evaluating and managing risks. Regular exercise has been carried out to identify, evaluate, manage and monitor the risks.

Your Company's internal control systems are commensurate with the nature of its business and the size and complexity of its operations. The Company has in place adequate controls, procedures and policies, ensuring orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records, and timely preparation of reliable financial information. The internal controls cover operations, financial reporting, compliance with applicable laws and regulations, safeguarding assets from unauthorized use and ensure compliance of corporate policies. Internal controls are reviewed periodically by the internal auditors and are subject to management reviews with significant audit observations and follow up actions reported to the

Audit Committee. The Audit Committee actively reviews the adequacy and effectiveness of internal control systems and suggests improvements for strengthening them in accordance with the changes in the business dynamics, if required.

The Risk Management Committee and the Board did not identify any risk which threatens the existence of your Company. The Risk Management Policy is available at:

https://pgel.in/assets/images/codes_and_policies/Risk%20Management%20Policy.pdf.

Annexure-I

REPORT ON CORPORATE GOVERNANCE

for the year 2025-26

[Pursuant to Regulation 34(3) and Schedule V(C) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015]

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

Your Company believes that strong corporate governance and a culture rooted in ethical principles are essential for sustainable growth and long-term value creation. Its corporate governance philosophy is guided by a commitment to the highest standards of integrity, transparency, accountability, and responsibility. Your Company continuously strives to strengthen its governance practices through consistent policies, effective oversight by the Board of Directors and management, transparent decision-making, and responsible engagement with all stakeholders. It is committed to conducting its business in an open, honest, and ethical manner while fostering trust and confidence among its stakeholders.

The Board's judgments and decisions are guided by the principles of corporate governance, ensuring transparency in decision-making processes and Board performance. Your Company is committed to providing timely and adequate disclosures that enable stakeholders to make informed assessments of the Board's effectiveness, particularly in relation to the Directors' fiduciary responsibilities, including their duties of care and loyalty in providing strategic guidance and oversight to the management.

Your Company's business culture and operational practices are built upon a strong foundation of integrity, ethics, and accountability. These core values shape its relationships with customers, employees, shareholders, suppliers, business partners, and the communities in which it operates, fostering trust, sustainability, and long-term value creation.

Your Company confirms compliance to the Corporate Governance requirements as specified in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 [hereinafter referred to as the "**Listing Regulations**"] for the financial year ended March 31, 2026, is as set out in this report.

(iii) Postal Ballot and its Procedure

During FY 2025-26, pursuant to Regulation 44 of Listing Regulations and Sections 108, 110 and other applicable provisions of the Act read with rules made thereunder;

- a) Members of the Company on June 26, 2025, approved 1 (One) Special Resolution by way of Postal Ballot. The details of the said Postal Ballot are mentioned below:

1. Reappointment of Mr. Anurag Gupta (DIN:00184361) as the Whole Time Director of the Company.

Date of Postal Ballot Notice: May 12, 2025

Date of shareholders' approval: June 26, 2025

Date of declaration of postal ballot results (including e-voting): June 27, 2025

The Special resolution was passed by requisite majority.

Summary of voting results:

Resolutions	Votes in favour of the resolution (% of total number of valid votes)	Votes against the resolution (% of total number of valid votes)	Result
Reappointment of Mr. Anurag Gupta (DIN:00184361) as the Whole Time Director of the Company.	98.68%	1.32%	Pass

The Postal Ballot was carried out in compliance with Regulation 44 of the Listing Regulations and as per the provisions of Sections 108 and 110 and other applicable provisions of the Act, read with the Rules framed thereunder and read with various circulars issued by the Ministry of Corporate Affairs. The Postal Ballot Notice dated May 12, 2025 was dispatched on the same day containing draft resolution together with the explanatory statement and remote e-voting instructions through electronic mode to all those Members whose e-mail address were registered with the Company/Registrar and Share Transfer Agent ("RTA") or Depository/ Depository Participants and whose names appeared in the Register of Members of the Company or in the Register of Beneficial Owners maintained by the Depositories as on May 23, 2025.

The Company engaged KFin Technologies Limited ("KFin") to provide remote e-voting facility to all its members, to enable them to cast their votes electronically. In terms of relaxations provided by the Ministry of Corporate Affairs, only remote e-voting facility was provided, and physical ballot papers were not provided to the members.

The Board of Directors appointed Ms. Puja Mishra of M/s Puja Mishra & Co., Practicing Company Secretaries (Membership No. 42927 & CP No. 17148), as scrutinizer, for conducting the postal ballot through remote e-voting process in a fair and transparent manner. She submitted her report on May 27, 2025, after completion of the scrutiny of the votes cast.

The results of the Postal Ballot were declared by Mr. Deepesh Kedia, Company Secretary of the Company on May 27, 2025. The result was displayed at the Registered Office of the Company, placed on the website of the Company: www.pgcl.in and on the website of KFin e-voting website: <https://evoting.kfintech.com> and was also communicated to the Stock Exchanges.

(iv) Whether any special resolution is proposed to be conducted through postal ballot: Yes

- The Board of Directors on February 02, 2026, and Shareholders through Postal Ballot on April 30, 2026, approved reappointment of Mr. Ram Dayal Modi (DIN: 03047117) as an Independent Director of the company and continuation of his directorship after attaining the age of 75 years for a second consecutive term of 5 years with effect from May 26, 2026.
- The Board of Directors on February 02, 2026, and Shareholders through Postal Ballot on April 30, 2026, approved reappointment of Mrs. Ruchika Bansal (DIN: 06505221) as an Independent Director of the Company for a second consecutive term of 5 years with effect from August 14, 2026.

Certificate on Corporate Governance

To
The Members,
PG Electroplast Limited

We have examined the compliance of the conditions of Corporate Governance by M/s PG Electroplast Limited ('the Company') for the year ended on March 31, 2026, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management of the Company. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2026.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose.

Compliance Certificate

[Under Regulation 17(8) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015]

We, Vishal Gupta (Managing Director - Finance) and Pramod Chimmanlal Gupta (Chief Financial Officer) certify that:

- A. We have reviewed financial statements and the cash flow statement for the year 2025-26 and that to the best of our knowledge and belief:
1. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 2. these statements together present a true and fair view of the listed entity's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transactions entered into by the listed entity during the year which are fraudulent, illegal or violative of the listed entity's code of conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the listed entity pertaining to financial reporting and we have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps they have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the auditors and the Audit committee:
1. significant changes in internal control over financial reporting during the year;
 2. significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 3. instances of significant fraud of which they have become aware and the involvement therein, if any, of the management or an employee having a significant role in the listed entity's internal control system over financial reporting.

Annexure-III

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2026

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
PG Electroplast Limited
DTJ-209, 2nd Floor, DLF Tower B-Jasola,
Plot 11 Non-Hierarchical Commercial Centre, Jasola,
South Delhi, New Delhi, Delhi, India, 110025

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **PG Electroplast Limited** having CIN: L32109DL2003PLC119416 (Hereinafter called "**the Company**")

Secretarial Audit was conducted for the financial year 2025-26, in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances of the Company and for expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to me and representations made by the Management, I hereby report that in my opinion, the company has during the audit period covering the financial year ended on 31st March, 2026 ("**Audit Period**"), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and legal compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed, and other records maintained by the Company for the financial year ended 31st March, 2026 according to the provisions of the following list of laws and regulations:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

- a) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- b) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- c) SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- d) SEBI (Buyback of Securities) Regulations, 2018; [**Not applicable during the Audit Period**].
- e) SEBI (Share Based Employee Benefits and Sweat Equity) Regulations 2021;
- f) SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021; [**Not applicable during the Audit Period**].
- g) SEBI (Prohibition of Insider Trading) Regulations, 2015;
- h) SEBI (Depositories and Participants) Regulations, 2018;
- i) SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 2025;
- j) SEBI (Delisting of Equity Shares) Regulations, 2021 [**Not applicable during the Audit Period**]

and circulars/ guidelines issued thereunder;

- (vi) Any other laws applicable specifically to the company: As informed, there are no other laws specifically applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act and SEBI Regulations.

Adequate notice is given to all directors to schedule the committee and Board Meetings, agenda and detailed notes on agenda are sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meetings.

The decisions were passed by the Board members unanimously and recorded as a part of minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period: -

1. The Board of Directors at their meeting held on 12th May, 2025:
 - a. Noted the resignation of Mr. Sanchay Dubey, as the Company Secretary and Compliance Officer of the company, w.e.f. 12th May, 2025.
 - b. Appointed Mr. Deepesh Kedia (M. No. A34616) as the Company Secretary and Compliance Officer of the company w.e.f. 13th May 2025.
 - c. Approved the re-appointment of & remuneration paid to Mr. Anurag Gupta as the Whole-Time Director of the company for a period of 3 years w.e.f. 15th July, 2025*.

*Appointment and remuneration approved by shareholders vide special resolution passed via Postal Ballot dated 27th June, 2025.

2. The members of the company at the 23rd Annual General Meeting held on 29th September, 2025, approved the following special businesses vide Ordinary Resolutions:
 - a. Approval/Ratification of remuneration of the Cost Auditor for the financial year ending on 31st March, 2026.

- b. Appointment of J B Bhawe & Co., Company Secretaries, as Secretarial Auditors of the company for FY 2025-2030.

3. During the audit period under review, the company had received a communication from SEBI stating that trades executed by certain Designated Persons were in violation of the SEBI (Prohibition of Insider Trading) Regulations, 2015 ("SEBI PIT Regulations"). In lieu of this, the Company sought written explanations from the concerned Designated Persons. After due consideration of the responses, the Company issued formal warning letters, advising the individuals to exercise greater caution and ensure strict adherence to the applicable regulatory requirements and the Code of Conduct for Prohibition of Insider Trading thereby adhering to the SEBI PIT Regulations.

The Designated Persons have appropriately disgorged the profits earned to SEBI Investor Protection and Education Fund in accordance with 'Code of Conduct for Prohibition of Insider Trading' read with clause 10 of Schedule B read with Regulation 9 of SEBI PIT Regulations.

Further, SEBI has issued Administrative warning letters dated 15th May, 2026 to the concerned Designated Persons in connection with trades executed by them in violation of the SEBI PIT Regulations.

4. 22,49,000 (Twenty Two Lakh Forty Nine Thousand) Equity shares of ₹1/- (Rupee One only) each were allotted under ESOP schemes viz. ESOP Scheme – 2020 to the eligible employees of the Company.

This Report should be read along with my letter of even date annexed as Annexure and forms part of this Report for all purposes.

ANNEXURE TO THE SECRETARIAL AUDIT REPORT OF PG ELECTROPLAST LIMITED (2025-2026)

AUDITORS' RESPONSIBILITY

In accordance with the ICSI Auditing Standards (CSAS-1 to CSAS-4) I wish to state as under-

1. Maintenance of secretarial record is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.
4. Wherever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards are the responsibility of management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

(b) The listed entity has taken the following actions to comply with the observations made in previous reports:

Sr. No.	Observations/ Remarks of the Practicing Company Secretary in the previous reports	Observations made in the secretarial compliance report for the year ended March 31, 2025	Compliance Requirement (Regulations/ circulars/ guidelines including specific clause)	Details of violation / deviations and actions taken / penalty imposed, if any, on the listed entity	Remedial actions, if any, taken by the listed entity	Comments of the PCS on the actions taken by the listed entity
1.	The Company failed to comply with the requirements pertaining to the composition of the Board of Directors as prescribed under Regulation 17(1) of the SEBI Listing Obligations and Disclosures Requirements Regulations, 2015 ("SEBI LODR Regulations"). The Board lacked the required number of Independent Directors from August 11, 2024 to September 29, 2024, due to the cessation of Mr. Sharad Jain's tenure as an Independent Director. The Company has taken steps to regularize the composition of the Board and appointed Mr. Krishnavatar Khandelwal as Independent Director on September 30, 2024, thereby complying with the provisions prospectively and paid the fine of ₹590000/- on December 05, 2024.	The Company failed to comply with the requirements pertaining to the composition of the Board of Directors as prescribed under Regulation 17(1) of the SEBI LODR Regulations. The Board lacked the required number of Independent Directors from August 11, 2024 to September 29, 2024, due to the cessation of Mr. Sharad Jain's tenure as an Independent Director.	The composition of Board of Directors of the listed company shall have an optimum combination of Executive and Non-Executive Directors with at least one Woman Director and not less than fifty percent of the Board of Directors shall comprise of Non-Executive Directors.	Deviation: Mr. Sharad Jain (DIN: 06423452) ceased to be an Independent Director of the Company w.e.f. close of business hours on August 10, 2024. Thereafter, the half of the Board of the Company was not Independent from August 11, 2024 to September 29, 2024. Detail of Violation: Mr. Sharad Jain (DIN: 06423452) ceased to be an Independent Director of the Company w.e.f. close of business hours on August 10, 2024. hereafter, the half of the Board of the Company was not Independent from August 11, 2024 to September 29, 2024.		
2.	The Company failed to comply with the requirements of Regulation 18(1) of the SEBI LODR Regulations, pertaining to the constitution of the Audit Committee. From August 11, 2024 to September 29, 2024, the Audit Committee was not properly constituted, as two-thirds of its members were not Independent Directors due to the cessation of Mr. Sharad Jain's tenure as Independent Director. The Company has regularized the composition of the Audit Committee by appointing Mr. Krishnavatar Khandelwal as an Independent Director on September 30, 2024, and reconstituting the Committee with immediate effect on the same date to ensure prospective compliance with the applicable provisions. Additionally, a fine of ₹2,36,000 was paid on December 5, 2024.	The Company failed to comply with the requirements of Regulation 18(1) of the SEBI LODR Regulations, pertaining to the constitution of the Audit Committee. From August 11, 2024 to September 29, 2024, the Audit Committee was not properly constituted, as two-thirds of its members were not Independent Directors due to the cessation of Mr. Sharad Jain's tenure as Independent Director.	Every listed entity must form a qualified and independent Audit Committee with at least three Directors. At least two-thirds of the members must be Independent Directors.	Deviation: Mr. Sharad Jain (DIN: 06423452) ceased to be an Independent Director of the Company w.e.f. close of business hours on August 10, 2024, consequently ceased to be a member and Chairperson of the Audit Committee. Thereafter, two third of the members were not Independent from August 11, 2024 to September 29, 2024. Details of violation: Non-compliance with the constitution of Audit Committee.		
3.	The Company failed to comply with the requirements of Regulation 19(1) & 19(2) of the SEBI LODR Regulations, pertaining to the constitution of the Nomination and Remuneration Committee. From August 11, 2024 to September 29, 2024, the Nomination and Remuneration Committee was not properly constituted, as two-thirds of its members were not Independent Directors due to the cessation of Mr. Sharad Jain's tenure as Independent Director. The Company has regularized the composition of the Nomination and Remuneration Committee by appointing Mr. Krishnavatar Khandelwal as an Independent Director on September 30, 2024, and reconstituting the Committee with immediate effect on the same date to ensure prospective compliance with the applicable provisions. Additionally, a fine of ₹2,36,000 was paid on December 5, 2024.	The Company failed to comply with the requirements of Regulation 19(1) & 19(2) of the SEBI LODR Regulations, pertaining to the constitution of the Nomination and Remuneration Committee. From August 11, 2024 to September 29, 2024, the Nomination and Remuneration Committee was not properly constituted, as two-thirds of its members were not Independent Directors due to the cessation of Mr. Sharad Jain's tenure as Independent Director.	The Board must form a Nomination and Remuneration Committee with at least three Non-Executive Directors, of whom two-thirds must be independent. The committee must be chaired by an Independent Director.	Deviation: Mr. Sharad Jain (DIN: 06423452) ceased to be an Independent Director of the Company w.e.f. close of business hours on August 10, 2024, consequently ceased to be a member and Chairperson of the Nomination & Remuneration Committee. Thereafter, number of members were less than three and two-thirds of the members were not Independent from August 11, 2024 to September 29, 2024. Details of violation: Non-compliance with the constitution of Nomination and Remuneration Committee.		

Sr. No.	Observations/ Remarks of the Practicing Company Secretary in the previous reports	Observations made in the secretarial compliance report for the year ended March 31, 2025	Compliance Requirement (Regulations/ circulars/ guidelines including specific clause)	Details of violation / deviations and actions taken / penalty imposed, if any, on the listed entity	Remedial actions, if any, taken by the listed entity	Comments of the PCS on the actions taken by the listed entity
4.	The Company failed to comply with Regulations 20(2) and 20(2A) of the SEBI LODR Regulations, from August 11, 2024, to September 29, 2024, as the Stakeholders Relationship Committee lacked an Independent Director following the cessation of Mr. Sharad Jain, resulting in its improper constitution during this period. The Company has regularized the composition of the Stakeholders Relationship Committee by appointing Mr. Ram Dayal Modi, Independent Director, as member & chairperson on September 30, 2024, and reconstituting the Committee with immediate effect on the same date to ensure prospective compliance with the applicable provisions. Additionally, a fine of ₹2,36,000 was paid on December 5, 2024.	The Company failed to comply with Regulations 20(2) and 20(2A) of the SEBI LODR Regulations, from August 11, 2024, to September 29, 2024, as the Stakeholders Relationship Committee lacked an Independent Director following the cessation of Mr. Sharad Jain, resulting in its improper constitution during this period. The Company has regularized the composition of the Stakeholders Relationship Committee by appointing Mr. Ram Dayal Modi, Independent Director, as member & chairperson on September 30, 2024, and reconstituting the Committee with immediate effect on the same date to ensure prospective compliance with the applicable provisions. Additionally, a fine of ₹2,36,000 was paid on December 5, 2024.	The Stakeholders Relationship Committee shall be chaired by a Non-Executive Director, and consist of at least three directors, including at least one Independent Director.	Deviation: Mr. Sharad Jain (DIN: 06423452) ceased to be an Independent Director of the Company w.e.f. close of business hours on August 10, 2024, consequently ceased to be a member and Chairperson of the Stakeholders Relationship Committee. Thereafter, number of members were less than three and no Independent Director on the Committee from August 11, 2024 to September 29, 2024. Details of violation: Non-compliance with the constitution of Stakeholders Relationship Committee.		
5.	The Company failed to comply with Regulations 21(2) of the SEBI LODR Regulations, from August 11, 2024, to September 29, 2024, as the Risk Management Committee lacked an Independent Director following the cessation of Mr. Sharad Jain, resulting in its improper constitution during this period. The Company has regularized the composition of the Risk Management Committee by appointing Mr. Ram Dayal Modi, Independent Director, as member of the Committee on September 30, 2024, and reconstituting the Committee with immediate effect on the same date to ensure prospective compliance with the applicable provisions. Additionally, a fine of ₹2,36,000 was paid on December 5, 2024.	The Company failed to comply with Regulations 21(2) of the SEBI LODR Regulations, from August 11, 2024, to September 29, 2024, as the Risk Management Committee lacked an Independent Director following the cessation of Mr. Sharad Jain, resulting in its improper constitution during this period.	The Risk Management Committee must comprise at least three members, with a majority being Board members, including at least one independent director.	Deviation: Mr. Sharad Jain (DIN: 06423452) ceased to be an Independent Director of the Company w.e.f. close of business hours on August 10, 2024, consequently ceased to be a member of the Risk Management Committee. Thereafter, number of members were less than three and no Independent Director on the Committee from August 11, 2024 to September 29, 2024. Details of violation: Non-compliance with the constitution of Risk Management Committee.

SECRETARIAL AUDIT REPORT

For the Financial Year Ended on 31st March, 2026

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
PG Technoplast Private Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **PG Technoplast Private Limited** having CIN: U27501PN2020PTC194777 (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, and subject to our separate letter attached as **Annexure – I**; We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2026, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **PG Technoplast Limited** for the financial year ended on 31st March, 2026 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder and the applicable provisions of the Companies Act, 1956;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under; NA
- iii. The Depositories Act, 1996 and the Regulations and Byelaws framed thereunder to the extent of dematerialisation of shares;

- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; NA

- v. Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent of Regulation 24 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The other laws, as informed and certified by the management of the Company which is specifically applicable to the Company based on their industry are:

- i. Water (Prevention and Control of Pollution) Act, 1961
- ii. Air (Prevention and Control of Pollution) Act, 1974
- iii. The Environment (Protection) Act, 1986
- iv. Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016
- v. E-Waste (Management) Rules, 2016

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. As the Company's shares are not listed in any Stock Exchange in India, the compliance under the Listing Agreements with the Stock Exchange is not applicable.

We report that during the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There has been no change in the composition of the Board of Directors during the financial year ended on 31st March, 2026 as follows:

No.	Name of Directors	Residential Address	DIN	PAN	Designation
1.	Vikas Gupta	B-15, Kalindi Colony, Opp. Maharani Bagh, New Delhi – 110065	00182241	AAHPG5644H	Director
2.	Anurag Gupta	B-15, Kalindi Colony, Opp. Maharani Bagh, New Delhi – 110065	00184361	AAHPG5647E	Director
3.	Mrs. Ruchika Bansal	H-1001, Prateek Stylome, Plot No.-GHA4/ 8, Sector-45, Noida, Gautam Buddha Nagar, Uttar Pradesh- 201301	06505221	AHJPB1805E	Independent Director
4.	Vishal Gupta	B-15, Kalindi Colony, Opp. Maharani Bagh, New Delhi – 110065	00184809	AAHPG5643A	Director

- Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that based on the information provided and the representations made by the company and also on the review of the compliance reports of Company Secretary taken on record by the Board of Directors of the Company, in our opinion, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, following specific events/actions in pursuance of the above referred laws, rules, regulations, guidelines etc. having a major bearing on the company's affairs

- During the period under review, the Company, allotted 6,92,124 & 2,89,124 equity shares on 27th December 2025 & 28th March 2026 to PG Electroplast Limited on right issue basis pursuant to conversion of loan of ₹ 82,299.98 lakhs face value of ₹10/- each at an issue price of ₹8,380/- per equity share including share premium of ₹8,370/- per share

The Members

PG Technoplast Private limited

Our report of even date is to be read along with this letter which states as follows:

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of compliance by the company of applicable General Laws including Labour laws, financial laws like direct and indirect laws and maintenance of financial records and books of accounts, since the same have been subject to review by Statutory Financial Audit and other designated professionals. Further, as confirmed by the Management of the Company, no other specific Act is applicable to Company including the Environmental Laws other than mentioned in the Report.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.
7. We have relied on the certificate obtained by the company from the Management Committee/Function heads and based on the report received, there has been due compliance of all laws, orders, regulations and other legal requirements of the central, state and other government and legal authorities concerning the business and affairs of the company.

SECRETARIAL AUDIT REPORT

For the Financial Year Ended on 31st March, 2026

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Next Generation Manufacturers Private Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Next Generation Manufacturers Private Limited (CIN: U31904PN2019PTC187587) (hereinafter called the "Company")**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, and subject to our separate letter attached as **Annexure – I**; We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2026, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder and the applicable provisions of the Companies Act, 1956;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under; NA
- iii. The Depositories Act, 1996 and the Regulations and Byelaws framed thereunder to the extent of dematerialisation of shares;

- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; NA
- v. Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') NA

The other laws, as informed and certified by the management of the Company which is specifically applicable to the Company based on their industry are:

- i. Water (Prevention and Control of Pollution) Act, 1961
- ii. Air (Prevention and Control of Pollution) Act, 1974
- iii. The Environment (Protection) Act, 1986
- iv. Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016
- v. E-Waste (Management) Rules, 2016

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. As the Company's shares are not listed in any Stock Exchange in India, the compliance under the Listing Agreements with the Stock Exchange is not applicable.

We report that during the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There has been no change in the composition of the Board of Directors during the financial year ended on 31st March, 2026 as follows:

No.	Name of Directors	Residential Address	DIN	PAN	Designation
1.	Vikas Gupta	B-15, Kalindi Colony, Opp. Maharani Bagh, New Delhi – 110065	00182241	AAHPG5644H	Director
2.	Anurag Gupta	B-15, Kalindi Colony, Opp. Maharani Bagh, New Delhi – 110065	00184361	AAHPG5647E	Director
3.	Vishal Gupta	B-15, Kalindi Colony, Opp. Maharani Bagh, New Delhi – 110065	00184809	AAHPG5643A	Director

- Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All decisions at Board Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that based on the information provided and the representations made by the company and also on the review of the compliance reports taken on record by the Board of Directors of the Company, in our opinion, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, following specific events/actions in pursuance of the above referred laws, rules, regulations, guidelines etc. having a major bearing on the company's affairs

- During the period under review, the Company allotted 16,00,000 and 2,05,000 equity shares on December 27, 2025 and March 28, 2026, respectively, to PG Technoplast Private Limited on a rights issue basis, pursuant to the conversion of a loan amounting to ₹361,00,00,000. Each equity share had a face value of ₹10 and was issued at a price of ₹2,000 per share, including a share premium of ₹1,990 per share

Annexure-IV

Certificate of Non-Disqualification

(For the financial year ended on March 31, 2026)

To,
The Members,
PG Electroplast Limited

We have examined the compliance of provisions of the Regulation 34(3) read with clause 10(i) of the Part C of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 by examining the relevant registers, records, forms, returns and disclosures received from the Directors of **M/s PG Electroplast Limited** having CIN: L32109DL2003PLC119416 and having registered office at DTJ-209, DLF Tower-B, Jasola, New Delhi, India-110025 (hereinafter referred to as 'the Company'), produced before me by the Company.

In our opinion and to the best of our information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to us by the Company, I hereby certify that none of the Directors on the Board of the Company as stated below for the financial year ended on March 31, 2026, have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other Statutory Authority.

S. N.	Name	Director Identification Number (DIN)
1	Anurag Gupta	00184361
2	Vishal Gupta	00184809
3	Vikas Gupta	00182241
4	Raman Uberoi	03407353
5	Ram Dayal Modi	03047117
6	Mitali Chitre	09040978
7.	Ruchika Bansal	06505221
8.	Krishnavatar Khandelwal	00075715

Ensuring the eligibility for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these, based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Annual Report on Corporate Social Responsibility (CSR) Activities

[Pursuant to clause (o) of sub-section (3) of section 134 of the Act and Rule 8 of the Companies (Corporate Social Responsibility) Rules, 2014]

1. Brief outline of the Company's CSR policy, including overview of projects or programmes proposed to be undertaken:

PG Electroplast Limited ("PGEL") believes that Corporate Social Responsibility ("CSR") is an integral part of responsible business and sustainable development. Our CSR philosophy goes beyond philanthropy by integrating social, environmental, and economic considerations into our business strategy to create long-term value for all stakeholders. We believe that meaningful CSR initiatives strengthen relationships with employees, communities, and other stakeholders, foster trust and engagement, and contribute to sustainable and inclusive growth.

PGEL is committed to fostering sustainable development by actively contributing to environmental protection, education, healthcare, and the health and safety of its employees and the communities it serves. Through these initiatives, the Company strives to create lasting economic, social, and environmental value for all its stakeholders. In line with its vision of becoming an industry leader, PGEL continuously strengthens its human resource management practices. The Company remains committed to evolving its organizational structure, developing its workforce, and enhancing employee capabilities to drive higher productivity, operational excellence, and sustained organizational performance.

During the financial year under review, the Company has undertaken many initiatives towards CSR which include promoting education, including special education and employment enhancing vocational skills, eradicating hunger, poverty and malnutrition, promoting health care including preventive health care and Rural development projects.

Business Responsibility & Sustainability Report

SECTION : A

GENERAL DISCLOSURES

I. Details of the listed entity

1	Corporate Identity Number (CIN) of the Listed Entity	L32109DL2003PLC119416
2	Name of the Listed Entity	PG Electroplast Limited
3	Year of incorporation	2003
4	Registered office address	DTJ-209, 2nd Floor, DLF Tower-B, Jasola, New Delhi-110025
5	Corporate address	P-4/2 to 4/6, Site-B, UPSIDC Industrial Area, Surajpur, Greater Noida, Dist. Gautam Budh Nagar U.P.-201306
6	E-mail	investors@pgel.in
7	Telephone	0120-2569323
8	Website	www.pgel.in
9	Financial year for which reporting is being done	FY 2025-26
10	Name of the Stock Exchange(s) where shares are listed	a) National Stock Exchange of India Limited b) BSE Limited
11	Paid-up Capital	285342658
12	Name and contact details (telephone, email address) of the person who may be contacted in case of any queries on the BRSR report	Name: Mr. Deepesh Kedia Contact No: 0120-2569323 Email id: investors@pgel.in
13	Reporting boundary - Are the disclosures under this report made on a standalone basis (i.e. only for the entity) or on a consolidated basis (i.e. for the entity and all the entities which form a part of its consolidated financial statements, taken together).	The disclosures are made on consolidated basis, unless otherwise stated and excludes JV Company
14	Name of assurance provider	RINA CLASSIFICATION AND CERTIFICATION INDIA PVT. LTD
15	Type of assurance obtained	Reasonable Assurance for BRSR Core and Limited for Non-Core

II. Products/services

16. Details of business activities (accounting for 90% of the turnover):

S. No.	Description of Main Activity	Description of Business Activity	% of Turnover of the entity
1	Manufacturing	Manufacturing Air Conditioners, Washing Machines, LED TVs, Air Coolers, Automotive Components, Bathroom Fittings and Consumer Electronics and its components for OEM/ODM industry.	87.8%

17. Products/Services sold by the entity (accounting for 90% of the entity's Turnover):

S. No.	Product/Service	NIC Code	% of total turnover Contributed
1	Room Air Conditioners	28192	62.2
2	Washing machine	27501	12.8
3	Air cooler	46529	1.2
4	Electronics (non-TV)	26104	6.9
5	Plastic Moulding	22207	16.6

III. Operations

18. Number of locations where plants and/or operations/offices of the entity are situated:

Location	Number of mines/ Number of factories	Number of offices	Total
National	11	2	13
International	0	0	0

19. Markets served by the entity:

a. Number of locations

Locations	Number
National (No. of States)	28 (States including Union Territories)
International (No. of Countries)	13 (Belgium, Brazil, Canada, China, Indonesia, South Korea, Sri Lanka, Mexico, Nepal, Serbia, Saudi Arabia, Thailand, USA)

b. What is the contribution of exports as a percentage of the total turnover of the entity?

Contribution of exports as a percentage of total turnover – **0.21%**

c. A brief on types of customers

PG Electroplast is an end-to-end solutions provider for product design and final product assemblies for products like Air Conditioners, Washing Machines, LED Televisions, Air Coolers, Sanitaryware, and much more. The company currently caters to both ODM and OEM demand, with a continuous focus on delivering the highest standards of quality. We operate in a dynamic environment, marked by ever-changing demands of the consumers and fierce competition from other market players. At PGEL, our customer-centric focus has consistently enabled us to meet the expectations of our consumers. We follow a proactive approach, responding with agility and catering to their demands, thus fostering

strong relationships with our esteemed clients. The Company take pride in building an impressive roster of clients that includes leading domestic and international brands across the Indian market.

IV. Employees

20. Details as at the end of Financial Year:

a. Employees and workers (including differently abled):

S. No.	Particulars	Total (A)	Male		Female	
			No. (B)	% (B / A)	No. (C)	% (C / A)
EMPLOYEES						
1.	Permanent (D)	1504	1462	97%	42	3%
2.	Other than Permanent (E)	15	13	87%	2	13%
3.	Total employees (D + E)	1519	1475	97%	44	3%
WORKERS						
4.	Permanent (F)	698	687	98%	11	2%
5.	Other than Permanent (G)	5582	4223	76%	1359	24%
6.	Total workers (F + G)	6280	4910	78%	1370	22%

b. Differently abled Employees and workers:

S. No	Particulars	Total (A)	Male		Female	
			No. (B)	% (B / A)	No. (C)	% (C / A)
DIFFERENTLY ABLED EMPLOYEES						
1.	Permanent (D)	0	0	0%	0	0%
2.	Other than Permanent (E)	0	0	0%	0	0%
3.	Total differently abled employees (D + E)	0	0	0%	0	0%
DIFFERENTLY ABLED WORKERS						
4.	Permanent (F)	0	0	0%	0	0%
5.	Other than permanent (G)	0	0	0%	0	0%
6.	Total differently abled workers (F + G)	0	0	0%	0	0%

21. Participation/Inclusion/Representation of women

Particulars	Total (A)	No. and percentage of Females	
		No. (B)	% (B / A)
Board of Directors	8	2	25%
Key Management Personnel	3	0	0%

22. Turnover rate for permanent employees and workers

(Disclose trends for the past 3 years)

Particulars	FY 2025-26 (Turnover rate in current FY)			FY 2024-25 (Turnover rate in previous FY)			FY 2023-24 (Turnover rate in previous FY)		
	Male	Female	Total	Male	Female	Total	Male	Female	Total
Permanent Employees	29%	31%	29%	22%	16%	22%	23%	9%	24%
Permanent Workers	28%	27%	27%	14%	18%	14%	17%	4%	17%

V. Holding, Subsidiary and Associate Companies (including joint ventures)**23. (a) Names of holding / subsidiary / associate companies / joint ventures**

S. No.	Name of the holding/ subsidiary/ associate companies/ joint ventures (A)	Indicate whether holding/ Subsidiary/ Associate/ Joint Venture	% of shares held by listed entity	Does the entity indicated at column A, participate in the Business Responsibility initiatives of the listed entity? (Yes/No)
1	PG Technoplast Private Limited	Wholly Owned Subsidiary	100	Yes
2	Next Generation Manufacturers Private Limited	Step-down Wholly Owned Subsidiary	100	Yes
3	Goodworth Electronics Private Limited	Joint Venture	50	No
4	PG Plastronics Private Limited	Wholly Owned Subsidiary	100	Not Operational
5	Goodworth Innovations Private Limited	Wholly Owned Subsidiary of Joint Venture	50	Not Operational
6	Goodworth Gadgets Private Limited	Wholly Owned Subsidiary of Joint Venture	50	Not Operational
7	Goodworth Optima Private Limited	Wholly Owned Subsidiary of Joint Venture	50	Not Operational
8	Goodworth Appliances Private Limited	Wholly Owned Subsidiary of Joint Venture	50	Not Operational

VI. CSR Details**24. (i) Whether CSR is applicable as per section 135 of Companies Act, 2013: Yes**

(ii) Turnover* (in ₹) 143429.98 Lakh

(iii) Net worth* (in ₹) 267838.32 Lakh

*The figure reported is for Standalone PG Electroplast Limited, however for calculations of Intensity in Environment Indicators we have considered Consolidated turnover.

VII. Transparency and Disclosures Compliances**25. Complaints/Grievances on any of the principles (Principles 1 to 9) under the National Guidelines on Responsible Business Conduct:**

Stakeholder group from whom complaint is received	Grievance Redressal Mechanism in Place (Yes/No) (If yes, then provide web-link for grievance redress policy)	FY 2025-26 Current Financial Year			FY 2024-25 Previous Financial Year		
		Number of complaints filed during the year	Number of complaints pending resolution at close of the year	Remarks	Number of complaints filed during the year	Number of complaints pending resolution at close of the year	Remarks
Communities	Yes. https://pgel.in/contact.html	0	0	-	0	0	-
Investors (other than shareholders)	Yes. https://pgel.in/contact.html	0	0	-	0	0	-
Shareholders	Yes. https://pgel.in/contact.html investors@pgel.in	0	0	-	0	0	-

Stakeholder group from whom complaint is received	Grievance Redressal Mechanism in Place (Yes/No) (If yes, then provide web-link for grievance redress policy)	FY 2025-26 Current Financial Year			FY 2024-25 Previous Financial Year		
		Number of complaints filed during the year	Number of complaints pending resolution at close of the year	Remarks	Number of complaints filed during the year	Number of complaints pending resolution at close of the year	Remarks
Employees and workers	Yes, we have Internal mechanism in place to address grievances of our employees	0	0	-	0	0	-
Customers	Yes, https://pgel.in/contact.html	0	0	-	0	0	-
Value Chain Partners	Yes, https://pgel.in/contact.html	0	0	-	0	0	-
Other (please specify)	NA	0	0	-	0	0	-

26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same approach to adapt or mitigate the risk along with its financial implications, as per the following format.

Material Identified Issue	R/O	Rationale for Identifying the Risk / Opportunity	Approach to Adapt or Mitigate (in case of Risk)	Financial Implications
GHG Emissions / Climate Change	Risk	As a manufacturer in the electroplast sector, PGEL's operations are energy-intensive and contribute to greenhouse gas emissions. Increasingly frequent extreme weather events could disrupt production schedules, damage facilities, and impact resource availability, particularly water and energy supply. Regulatory and stakeholder pressures further necessitate proactive climate action.	PGEL is adopting cleaner production technologies, increasing energy efficiency, and exploring renewable energy integration.	Negative: Potential operational disruptions and compliance costs if unmanaged; Positive: enhanced resilience, cost savings from efficiency gains.
Air Quality Ambient Emissions	Risk	Manufacturing processes, especially heating and molding in electroplast production, can generate air pollutants affecting local air quality. Poor ambient air quality could result in regulatory penalties and negative community health impacts.	PGEL employs Air Pollution Control Devices (APCDs), mist cannons, and dust suppression systems in high-dust areas. Real-time air quality monitoring is implemented across sites, and preventive maintenance ensures optimal functioning of control equipment.	Negative: Possible penalties and reputational harm if unmanaged; Positive: improved community relations and compliance assurance.

Material Identified Issue	R/O	Rationale for Identifying the Risk / Opportunity	Approach to Adapt or Mitigate (in case of Risk)	Financial Implications
Air Quality Occupational Exposure	Risk	Fumes and particulates from hot plastic processing and additives handling can impact on worker health, leading to absenteeism and reduced productivity.	PGEL has installed local exhaust ventilation and fume extraction systems in critical areas. Employees are provided with PPE, and regular workplace air quality monitoring ensures compliance with exposure limits.	Negative: Health-related costs if unmanaged; Positive: safer workplace, lower absenteeism.
Energy Management	Opportunity	Electroplast manufacturing requires significant power input. Improving energy efficiency can reduce operational costs and emissions while enhancing sustainability credentials.	PGEL undertakes periodic energy audits, replaces outdated equipment with energy-efficient alternatives, installs LED lighting, and explores renewable energy procurement.	Positive: Reduced costs, improved sustainability performance, potential eligibility for incentives.
Water Management	Risk	Water is essential for cooling and cleaning in manufacturing. Improper discharge could lead to statutory violations and community concerns.	PGEL manufacturing sites have Zero Liquid Discharge (ZLD) units, recycling treated water for gardening, cooling, and cleaning. Rainwater harvesting and regular water quality monitoring are in place.	Negative: High capital and O&M costs for water systems; Positive: compliance, reduced freshwater dependency.
Solid Waste Management	Risk / Opportunity	Production processes generate plastic scrap and packaging waste, which if unmanaged can cause environmental pollution and regulatory issues.	PGEL segregates waste at source, recycles plastic scrap into usable material, and engages authorized recyclers.	Positive: Reduced disposal costs, potential revenue from recyclables; Negative: penalties and environmental damage if unmanaged.
Human Rights	Opportunity	With a large workforce and extended value chain, ensuring human rights compliance strengthens reputation and stakeholder trust.	PGEL implements a Code of Conduct, grievance redressal mechanisms, and training on POSH, diversity, and inclusion, extending these policies to contractors and suppliers.	Positive: Enhanced brand reputation, lower legal and operational risks.
Occupational Health and Safety	Risk	Manufacturing involves high temperatures, moving machinery, and chemical exposure, posing safety risks.	PGEL conducts hazard identification and risk assessments, provides PPE, trains workers regularly, and implements emergency response systems.	Negative: Compensation and downtime costs if unmanaged; Positive: improved morale, productivity.

Material Identified Issue	R/O	Rationale for Identifying the Risk / Opportunity	Approach to Adapt or Mitigate (in case of Risk)	Financial Implications
Corporate Governance and Board Diversity	Opportunity	Strong governance and diverse leadership enhance decision-making and investor confidence.	PGEL maintains governance reviews, inducts independent directors, and sets diversity targets while ensuring regular training for board members.	Positive: Improved oversight, strategic agility, and stakeholder trust.
Risk Management & Control	Opportunity	Dynamic markets and evolving regulations require robust risk management for business continuity.	PGEL maintains an Enterprise Risk Management framework, conducts periodic reviews, and integrates risk assessment into operational planning.	Positive: Minimized business disruptions, stronger investor confidence.

SECTION : B MANAGEMENT AND PROCESS DISCLOSURES

This section is aimed at helping businesses demonstrate the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements.

Disclosure Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
Policy and management processes (Y=Yes)									
1. a. Whether your entity's policy/policies cover each principle and its core elements of the NGRBCs. (Yes/No)	Y	Y	Y	Y	Y	Y	Y	Y	Y
b. Has the policy been approved by the Board? (Yes/No)	Y	Y	Y	Y	Y	Y	Y	Y	Y
c. Web Link of the Policies, if available	P1 to P9: Code of Conduct: https://pgel.in/codes_policies.html P1: Whistleblower Policy: https://pgel.in/assets/images/codes_and_policies/VigilMechanismWhistleBlowerPolicy.pdf Risk Management Policy: https://pgel.in/assets/images/codes_and_policies/Risk%20Management%20Policy.pdf P1 to P6, P8 to P9: Quality, Environment and Occupational Health & Safety Policy. P4 and P8: CSR Policy: https://pgel.in/assets/images/codes_and_policies/CSR_POLICY.pdf P3 and P5 The following are available internally: 1) Sexual Harassment of Women at Workplace - (Prevention, Prohibition and Redressal) Policy. 2) Grievance Redressal Policy								
2. Whether the entity has translated the policy into procedures. (Yes / No)	Y	Y	Y	Y	Y	Y	Y	Y	Y

Disclosure Questions		P1	P2	P3	P4	P5	P6	P7	P8	P9
3.	Do the enlisted policies extend to your value chain partners? (Yes/No)	Y	Y	Y	Y	Y	Y	Y	Y	Y
4.	Name of the national and international codes/certifications/labels/ standards (e.g. Forest Stewardship Council, Fairtrade, Rainforest Alliance, Trustee) standards (e.g. SA 8000, OHSAS, ISO, BIS) adopted by your entity and mapped to each principle.	The Company's facilities/plants are accredited to following: International Organisation for Standardisation (ISO) standards and others: - Quality Management System ISO 9001:2015 - Environment Management System ISO 14001:2015 - Occupational Health Safety Management System ISO 45001:2018 - International Automotive Task Force (IATF) 16949:2016 - UL Certification – E520496 - Bureau of Indian Standards (BIS)-Indian Standard Institute (ISI) Certifications - NABL Lab Certification								
5.	Specific commitments, goals and targets set by the entity with defined timelines, if any.	The company recognizes that improving its ESG performance is a continuous process. Currently, PGEL has set the following targets to be achieved: Environmental targets: 1) Reduce energy consumption per unit of production: 2% reduction by 2027. 2) 2% increase of renewable energy in operations by 2027. 3) 2% reduction annually in Intensities of scope 1 and 2 emissions by 2027. 4) 2% reduction in water consumption per unit of production by 2027. 5) 2% increase in water recycling/ reuse rate by by 2027. Social target: 1) Ensure zero instances of child labour and cases of modern slavery in the workforce. 2) Ensure 0% pay gap for equal work. 3) Ensure 0 violation of human rights in the supply chain. 4) Ensure 100% discrimination/ harassment complaints are addressed. Governance Target: 1) Ensure zero corruption, fraud and money laundering cases annually. 2) 100% resolution of identified cases for conflict of interest. 3) 100% of employees receive health & safety training.								
6.	Performance of the entity against specific commitments, goals and targets along with reasons in case the same are not met.	Not Applicable								
Governance, leadership and oversight										
7.	Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (listed entity has flexibility regarding the placement of this disclosure)									
Ans: At PGEL Group, we believe sustainable growth is possible only when business is conducted responsibly and with accountability toward all stakeholders. While challenges remain-such as reducing our carbon footprint, standardizing ESG data across units, and enhancing employee awareness-we are steadily progressing on our journey. We have implemented key initiatives such as solar energy adoption, CNG vehicle integration, and systematic monitoring of emissions, waste, and water usage. Our manufacturing units are certified under ISO 14001 and ISO 45001:2018, reflecting our commitment to environmental stewardship and employee well-being. Through our CSR programs, we continue to support community development and inclusive growth. Looking ahead, we aim to enhance renewable energy usage, improve resource efficiency, and strengthen health, safety, and ESG disclosures. With clear targets and continuous stakeholder engagement, PGEL Group remains committed to building a sustainable and resilient future.										

Disclosure Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
8. Details of the highest authority responsible for implementation and oversight of the Business Responsibility policy (ies).	Board of Directors								
9. Does the entity have a specified Committee of the Board/ Director responsible for decision making on sustainability related issues? (Yes / No). If yes, provide details.	Yes								

10. Details of Review of NGRBCs by the Company:

Subject for Review	Indicate whether review was undertaken by Director / Committee of the Board/ Any other Committee									Frequency (Annually/ Half yearly/ Quarterly/ Any other – please specify)								
	P1	P2	P3	P4	P5	P6	P7	P8	P9	P1	P2	P3	P4	P5	P6	P7	P8	P9
Performance against above policies and follow up action	Y	Y	Y	Y	Y	Y	Y	Y	Y	Q	Q	Q	Q	Q	Q	Q	Q	Q
Compliance with statutory requirements of relevance to the principles, and rectification of any non-compliances	Y	Y	Y	Y	Y	Y	Y	Y	Y	Q	Q	Q	Q	Q	Q	Q	Q	Q

11. Has the entity carried out independent assessment/ evaluation of the working of its policies by an external agency? (Yes/No). If yes, provide name of the agency.	P1	P2	P3	P4	P5	P6	P7	P8	P9
	No	No	No	No	No	No	No	No	No

12. If answer to question (1) above is “No” i.e. not all Principles are covered by a policy, reasons to be stated:

Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
The entity does not consider the principles material to its business (Yes/No)	Not Applicable								
The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)									
The entity does not have the financial or/ human and technical resources available for the task (Yes/No)									
It is planned to be done in the next financial year (Yes/No)									
Any other reason (please specify)									

SECTION : C

PRINCIPLE WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorized as “Essential” and “Leadership”. While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

1

PRINCIPLE

Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage coverage by training and awareness programs on any of the principles during the financial year:

Segment	Total number of training and awareness programmes held	Topics / principles covered under the training and its impact	%age of persons in respective category covered by the awareness programmes
Board of Directors	1	Corporate Governance & Board Effectiveness,	100%
Key Managerial Personnel	6	Business Ethics, Code of Conduct & Anti-Bribery/ Anti-Corruption, Risk Management & Crisis Management, Regulatory & Statutory Compliance, ESG, Sustainability & Occupational Health & Safety	100%
Employees other than BoD and KMPs	121	Occupational Health & Safety (OHS) / Health & Safety, Anti-Bribery & Anti-Corruption, Code of Conduct, 5S Workplace Organization, Prevention of Sexual Harassment (POSH), First Aid & CPR, Fire Safety & Emergency Preparedness, Fire Mock Drill	69%
Workers	103	Occupational Health & Safety (OHS) / Health & Safety, Anti-Bribery & Anti-Corruption, Code of Conduct, 5S Workplace Organization, Prevention of Sexual Harassment (POSH), First Aid & CPR, Fire Safety & Emergency Preparedness, Fire Mock Drill	56%

2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format.

(Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website):

Monetary					
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In INR)	Brief of the case	Has an appeal been preferred? (Yes/No)
Penalty/ Fine	NA	NA	0	NA	NA
Settlement	NA	NA	0	NA	NA
Compounding fee	NA	NA	0	NA	NA
Non-Monetary					
Imprisonment	NA	NA	0	NA	NA
Punishment	NA	NA	0	NA	NA

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.

Case Details	Name of the regulatory/ enforcement agencies/ judicial institutions
	NA

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.

Ans: Yes, PGEL has a comprehensive Anti-Corruption and Anti-Bribery Policy embedded within its Code of Conduct for Directors and Employees, which outlines the Company's commitment to maintain the highest standards of integrity, transparency, and ethical conduct.

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:

	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Directors	No such disciplinary action has been taken by any law enforcement agency for charges of bribery/corruption.	
KMPs		
Employees		
Workers		

6. Details of complaints with regard to conflict of interest:

	FY 2025-26 (Current Financial Year)		FY 2024-25 (Previous Financial Year)	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issues of Conflict of Interest of the Directors		No such complaints have been received.		
Number of complaints received in relation to issues of Conflict of Interest of the KMPs				

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest.

Ans: This is not applicable as there are no instances of corruption or conflict of interest.

8. Number of days of accounts payables ((Accounts payable *365) / Cost of goods/services procured) in the following format:

	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Number of days of accounts payables	110 Days	107 Days

9. Open-ness of business

Provide details of concentration of purchases and sales with trading houses, dealers and related parties along with loans and advances & investments, with related parties in the following format:

Parameter	Metrics	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
Concentration of Purchases	Purchases from trading houses as % of total purchases	5.94%	2%
	Number of trading houses where purchases are made from	543	369
	Purchases from top 10 trading houses as % of total purchases from trading houses	86.12%	65%
Concentration of Sales	Sales to dealers/ distributors as % of total sales	NA	NA
	Number of dealers/ distributors to whom sales are made	NA	NA
	Sales to top 10 dealers/distributors as % of total sales to dealers/ distributors	NA	NA
Share of RPTs in	Purchases (Purchases with related parties/total Purchases) (%)	31.92%	13%
	Sales (Sales to related parties/ Total sales)	32.77%	17%
	Loans & advances (Loans & advances given to related parties/ Total loans & advances)	96.16%	99%
	Investments (Investments in related parties/ Total investments made)	99.96%	98%

Leadership Indicators

- Awareness programs conducted for value chain partners on any of the principles during the financial year:

Total number of awareness programmes held	Topics / principles covered under the training	%age of value chain partners covered (by value of business done with such partners) under the awareness programmes
52	- Environmental protection and sustainability (pollution control, waste management, ROHS compliance, reducing non-degradable plastics, plantation initiatives) - Compliance with applicable labour laws and statutory regulations - Human rights and fair labour practices - Business ethics and responsible business conduct - Compliance with government regulations (GST, wages, ESI, PF and other statutory requirements) - Environment, Health & Safety (EHS) awareness and safe working practices - Sustainable supply chain and responsible sourcing practices - Adherence to the Company's Code of Conduct, Health & Safety Policy, and sustainability commitments - Contractor and vendor management best practices through regular engagement and awareness sessions	9.06%

- Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/No). If Yes, provide details of the same.

Ans: Yes. Every Director at the first meeting of the Board in which he participates as a director and thereafter at the first meeting of the Board in every financial year or whenever there is any change in the disclosures already made, then at the first Board meeting held after such change, discloses his concern or interest in any company or companies or bodies corporate, firms, or other association of individuals which include the shareholding in the Form MBP-1 pursuant to section 184 of the Companies Act, 2013.

PRINCIPLE

Businesses should provide goods and services in a manner that is sustainable and safe.

Essential Indicators

- Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

Particulars	FY 2025-26 (Current FY)	FY 2024-25 (Previous FY)	Details of improvements in environmental and social impacts
R&D	66.36%	13.6%	R&D expenses are incurred for betterment of electricity consumption and to improve better star rating.
Capex	0.024%	2.88%	Capex for setting up the R&D lab.

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

Ans. At present, the Company does not have formalized procedures specifically dedicated to sustainable sourcing. However, we acknowledge the growing importance of integrating environmental and social considerations into procurement practices. As part of our broader sustainability agenda, we are exploring frameworks and best practices to embed sustainability principles into our sourcing decisions over time.

b. If yes, what percentage of inputs were sourced sustainably?

Ans. Not Applicable

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

Ans: As a B2B organization, PG Group does not directly engage in the reclamation of end-of-life products from individual end-users. However, recognizing its extended responsibility toward environmental sustainability and circular economy goals, the Company has established formal partnerships with authorized waste handlers and Producer Responsibility Organizations (PROs) to manage the recovery, recycling, and safe disposal of various types of waste generated during manufacturing operations. These include plastics (including packaging materials), e-waste, and hazardous waste.

Through these partnerships, PG Group ensures that the collection and disposal processes are carried out in compliance with applicable environmental regulations and industry best practices. The PROs and waste management partners are selected based on their certifications, operational capabilities, and adherence to environmental and safety norms. They are responsible for collecting waste materials as per the collection targets defined under applicable laws and extended producer responsibility (EPR) frameworks.

In the case of plastic waste, especially packaging material generated during inward and outward logistics, PG Group works with certified recyclers to ensure that plastic is appropriately segregated, stored, and sent for recycling or energy recovery. Similarly, for e-waste generated during manufacturing processes-such as damaged electrical components or discarded electronic equipment-the Company engages with authorized e-waste recyclers who follow environmentally sound dismantling and disposal methods. For hazardous waste such as used oils, solvents, chemical containers, or contaminated materials, the Company follows a stringent hazardous waste management protocol, ensuring that such waste is handled, stored, and transported securely to approved treatment, storage, and disposal facilities (TSDFs).

By collaborating with expert agencies and following a responsible waste management approach, PG Group ensures that its environmental footprint is minimized, legal compliance is maintained, and sustainability commitments are honored, even beyond the immediate scope of product usage.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Ans. Yes, Extended Producer Responsibility (EPR) is applicable to PG Group's operations, particularly in relation to plastic packaging, e-waste, and other regulated waste streams generated during manufacturing. The Company is in the process of implementing a structured EPR waste collection and management plan, which is being aligned with the guidelines issued by the Central and State Pollution Control Boards. This plan outlines roles, responsibilities, and processes for the collection, segregation, and recycling of waste generated from the Company's activities, including packaging materials, obsolete equipment, and other industrial waste.

PG Group's waste management strategy is designed to go beyond mere compliance and integrate broader sustainability goals. At the core of the strategy is the principle of waste minimization at the source, followed by recovery, recycling, and responsible disposal. The Company actively partners with certified waste handlers, recyclers, and Producer Responsibility Organizations (PROs) to ensure that collection targets are met, and all relevant data and documentation are maintained for regulatory audits. This helps ensure transparency and traceability across the waste management value chain.

Moreover, PG Group continuously monitors developments in environmental regulations and amends its processes accordingly. The Company regularly conducts internal reviews and compliance checks to assess the effectiveness of its waste management systems and to drive improvements. Awareness programs and employee engagement initiatives further reinforce responsible behavior towards waste handling within the organization.

Leadership Indicators

- Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format:

NIC Code	Name of Product/ Service	% of total Turnover contributed	Boundary for which the Life Cycle Perspective/ Assessment was conducted	Whether conducted by independent external agency (Yes/ No)	Results communicated in public domain (Yes/ No) If yes provide web-link
----------	--------------------------	---------------------------------	---	--	---

No Life Cycle Perspective / Assessments (LCA) have been conducted by the entity for any of its products.

In line with its ongoing commitment to sustainability and environmental stewardship, PG Group has initiated Life Cycle Assessments (LCA) for selected Room Air Conditioning (RAC) products. These assessments are currently underway and are designed to comprehensively evaluate the environmental impact of these products across their entire lifecycle—from raw material extraction, manufacturing, and distribution to usage and end-of-life disposal. The objective is to gain detailed insights into the environmental footprint associated with each stage of the product's life, thereby identifying key areas where improvements can be made to reduce emissions, conserve resources, and promote circularity.

This initiative reflects PG Group's proactive approach toward embedding sustainability into product development and decision-making processes. By leveraging the LCA methodology, the Company aims to not only ensure regulatory compliance but also strengthen its contribution to global climate goals and sustainable consumption practices. The assessments are being conducted in collaboration with technical experts and aligned with internationally recognized standards.

PG Group remains actively engaged in the evaluation process and is focused on integrating the findings into its sustainability roadmap. The Company anticipates sharing the outcomes and actionable insights derived from the LCA studies in the next financial year, demonstrating transparency and continued progress towards greener, more responsible products.

- If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.

Name of Product /Service	Description of the risk / concern	Action Taken
NA	NA	NA

- Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).

Indicate input material	Recycled or re-used input material to total material	
	FY 2025-26 (Current Financial Year)	FY 2024-25 (Previous Financial Year)
	NIL	

- Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed, as per the following format:

	FY 2025-26 (Current Financial Year)			FY 2024-25 (Previous Financial Year)		
	Re-Used	Recycled	Safely Disposed	Re-Used	Recycled	Safely Disposed
Plastics (including packaging)	NA	NA	NA	NA	NA	NA
E-waste	NA	NA	NA	NA	NA	NA
Hazardous waste	NA	NA	NA	NA	NA	NA
Other waste	NA	NA	NA	NA	NA	NA

As a B2B organization, we do not directly reclaim products or packaging at the end of their life cycle, as our business model does not involve direct engagement with end-users.

5. Reclaimed products and their packaging materials (as percentage of products sold) for each product category.

	Reclaimed products and their packaging materials as % of total products sold in respective category
NA Indicate Product Category	NA

3

PRINCIPLE

Businesses should respect and promote the well-being of all employees, including those in their value chain.

Essential Indicators

1. a. Details of measures for the well-being of employees:

Category	% of employees covered by										
	Total (A)	Health insurance		Accident insurance		Maternity benefits		Paternity Benefits		Day Care facilities	
		Number (B)	% (B/A)	Number C	% (C/A)	Number (D)	% (D/A)	Number E	% (E/A)	Number (F)	% (F/A)
Permanent employees

3. Accessibility of workplaces

Are the premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Ans. Yes, the Company ensures that its office premises are accessible to differently abled employees and workers through the provision of facilities such as wheelchairs and lifts.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web link to the policy.

Ans. The Company is committed to providing equal opportunity to all individuals, including persons with disabilities, in accordance with the Rights of Persons with Disabilities Act, 2016. We ensure a non-discriminatory, inclusive, and accessible work environment that promotes dignity, respect, and equal participation. The recruitment, training, promotion, and career development processes are based solely on merit and job requirements, without bias or discrimination on the basis of disability. Necessary accommodation and support, such as accessible infrastructure, assistive devices, and modified workspaces, are provided wherever required. Grievance redressal mechanisms are in place to address any complaints of discrimination or unfair treatment. Awareness programs are conducted to sensitize employees and promote a culture of inclusion. The policy applies to all employees and candidates across levels and functions. Regular reviews and updates ensure continued compliance with legal requirements and evolving best practices.

5. Return to work and Retention rates of permanent employees and workers that took parental leave.

Gender	Permanent employees		Permanent workers	
	Return to work rate	Retention rate	Return to work rate	Retention rate
Male	NA	NA	NA	NA
Female	NA	NA	NA	NA
Total	NA	NA	NA	NA

Note: None of our employees or workers took parental leave.

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and workers? If yes, give details of the mechanism in brief.

	Yes/No, (If Yes, then give details of the mechanism in brief)
Permanent Workers	The Company has established multiple channels for receiving and addressing employee grievances to ensure fair, timely, and confidential resolution. These include the POSH Internal Committee for handling workplace harassment cases, the Works Committee for general concerns, and Locational Works Committee members for site-specific issues. Additionally, Business Human Resources (HR) representatives are available to support grievance redressal at the departmental level. Each of these mechanisms is designed to provide employees with accessible platforms to voice their concerns. All grievances are managed in alignment with the Company's internal policies and applicable legal guidelines. This multi-tiered structure helps ensure transparency, accountability, and employee well-being. It reflects the Company's ongoing commitment to maintaining a safe, respectful, and inclusive work environment.
Other than Permanent Workers	
Permanent Employees

Total	698	591	85%	680	521	77%

10. Health and safety management system:

- a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

Ans. Yes, the PGEL Group has a comprehensive Health & Safety (H&S) Management System in place. The Occupational Health & Safety (OHS) system covers all stakeholders including employees, contract workers, vendors, and visitors. Our manufacturing units are also certified under ISO 45001.

- b. What are the processes used to identify work-related hazards and assess risks on a routine and non- routine basis by the entity?

Ans. The Company place strong emphasis on workplace safety and regularly conducts Health and Safety training sessions for both employees and contract workers, focusing on the importance of recognizing and reporting unsafe practices and conditions. To proactively manage risks, the Company follows a structured Hazard Identification & Risk Assessment (HIRA) system, through which work-related hazards are systematically identified and risks are assessed. In addition, the Company adopts multiple approaches such as quantitative analysis, internal and external safety audits to strengthen its safety framework. To ensure continuous monitoring and improvement, the Company conducts monthly internal cross-plant audits as well as safety leadership audits, which enable a thorough evaluation of workplace hazards. Furthermore, weekly cross-functional team (CFT) internal audits are carried out, reinforcing the culture of accountability and ensuring adherence to the highest standards of occupational health and safety.

- c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)

Ans. Yes, the Company has established multiple mechanisms through which employees and workers can report work-related hazards. Employees are encouraged to report workplace hazards, near misses, and incidents using structured reporting formats such as the Near Miss Format and Incident Format. In addition, suggestion boxes have been placed at multiple strategic locations within the company premises, allowing employees to drop their input and recommendations related to safety and workplace improvements. Furthermore, in line with the Company's governance plan, a dedicated EHS Committee is convened on a monthly basis, providing a formal platform for reviewing safety concerns, addressing reported issues, and driving continuous improvement in health, safety, and environmental performance.

- d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

Ans. Yes, Employees and workers have access to non-occupational medical healthcare services like pre- employment and periodic health checkup.

11. Details of safety related incidents, in the following format:

Safety Incident/Number	Category	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	0	0
	Workers	0	0
Total recordable work-related injuries	Employees	0	0
	Workers	0	0

Safety Incident/Number	Category	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
No. of fatalities	Employees	0	0
	Workers	0	0
High consequence work-related injury or ill health (excluding fatalities)	Employees	0	0
	Workers	0	0

12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

Ans. PGEL places the highest priority on ensuring the health and safety of its employees and contract workers. Entity ensures a safe and healthy workplace by implementing comprehensive measures that address hazard identification, risk assessment, safety training, and the provision of personal protective equipment (PPE) to all employees. Dedicated safe and healthy environments, including rest areas, are provided for employees.

Key Health & Safety Initiatives and Programs:

- **Health & Safety Programs:** Top-driven Health and Safety management programs, regular health and safety awareness initiatives, and fostering a strong safety culture through active employee engagement and communication.
- **Safety Systems & Protocols:** Strict safety protocols, hazard reporting digitisation for near-misses and incidents, and maintaining safety systems such as fire alarms and sprinklers.
- **Training & Inspections:** Conducting routine safety inspections, preventive maintenance, and safety drills to identify and mitigate hazards promptly.
- **Governance & Reviews:** SHEE reviews by the Board EHS Committee and continuous improvement through feedback and monitoring.
- **Certifications:** Integrated management system certifications (ISO 45001 and ISO 14001) to ensure compliance with international standards.

13. Number of Complaints on the following made by employees and workers:

	FY 2025-26 Current Financial Year			FY 2024-25 Previous Financial Year		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Working Conditions	0	0	NA	0	0	NA
Health & Safety	0	0	NA	0	0	NA

14. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Health and safety practices	100
Working Conditions	100

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

Ans.

No corrective action was required during the reporting period, as there were no safety-related incidents or significant risks/ concerns identified from assessments of health and safety practices and working conditions.

However, the Company has established and continues to maintain a robust set of proactive safety measures to ensure a healthy and risk-free workplace. These include:

- Conducting safety inductions for all personnel and regular training on the correct usage of Personal Protective Equipment (PPE).

- Routine inspections of tools, equipment, and work areas, along with periodic risk assessments to identify potential hazards.
- On-site supervision to reinforce safe work behaviour, complemented by daily toolbox talks and safety briefings in line with SHE (Safety, Health & Environment) guidelines.
- Maintaining an active Emergency Response System, encouraging the reporting of near misses, and fostering a proactive safety culture through continuous observation, feedback, and employee engagement.

Leadership Indicators

1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N).

Ans. Yes for both Employees and workers.

2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

Ans. The Company actively monitors the statutory compliance of its value chain partners, ensuring alignment with relevant laws and regulations. During invoice processing, due diligence is a standard practice. We mandate that vendors make appropriate deductions for PF, ESI, and GST. To uphold legal compliance, timely payments are also ensured for employees, workers, and vendors.

3. Provide the number of employees / workers having suffered high consequence work-related injury / ill-health / fatalities (as reported in Q11 of Essential Indicators above), who have been rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:

	Total no. of affected employees/ workers		No. of employees/workers that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment	
	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Employees	0	0	0	0
Workers	0	0	0	0

4. Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/ No)

Ans. The entity provides transition assistance programs to facilitate continued employability and manage career endings resulting from retirement or termination of employment. For example, employees retiring from the company are offered career counseling, skill development workshops, and job placement support to help them smoothly transition into post-retirement opportunities or new employment.

5. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Health and Safety Practices	3.77%
Working Conditions	3.77%

6. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / Concerns arising from assessments of health & safety practices and working conditions of value chain partners.

Ans. No Such Incident or risk identified.

4

PRINCIPLE

Businesses should respect the interests of and be responsive to all its stakeholders

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

Ans. Effective stakeholder engagement is crucial for PGEL to build trust, enhance transparency and ensure alignment between its sustainability objectives and broader expectations. The key internal and external stakeholders of the Company have been identified through a comprehensive assessment conducted in consultation with the management. These stakeholder groups are integral to the organization and support PGEL in strengthening its governance framework, enhancing credibility and maintaining a positive reputation.

In alignment with this understanding, the Company maintains continuous engagement with its stakeholders to meet their expectations, identify and manage associated risks, and support informed, sustainable decision-making processes.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other)	Frequency of engagement (Annually/ Half yearly/Quarterly / Others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
Investors/ Shareholders	No	General Meetings, Annual Report, Investor/Analyst Meet /Earnings Call, Company Website	Quarterly, Half Yearly, Yearly and as and when required	To comply all statutory requirements and to communicate the Company's performance which fosters trust and confidence among all Investors/ stakeholders
Banks/ Financial Institutions	No	Annual Reports, Earning calls, Mandatory reports and updates, Company Website	As per the requirement	Business performance and development, assessment of risks.
Employees	No	Company website, emails, circulars, notices. Performance reviews and awareness sessions. Engagement activities like festival celebrations, health check-ups, trainings, sports, etc.	Regular basis	Trainings, skill upgradation, Health and safety, Performance appraisal Reward and recognition.
Suppliers and Vendors	No	Emails, calls, contracts supplier meets, Company website.	Regular basis	Business developments, pricing, quality, audits, etc.
Community	No	CSR Projects and implementation	Regular basis	Skill development and employment opportunities and social wellbeing of community members.
Regulators / Govt. Authorities	No	Reports, Returns, Mandatory regulatory filings and emails	As per the statutory requirements	Compliance with applicable laws and regulations

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

Ans. The organisation regularly engages with the stakeholders i.e., investors, customers, suppliers, employees, etc., through various communication channels. Also, dedicated departments within the organisation interact and consult with the stakeholders on concerned Environment, Social and Governance issues. The relevant departments notify with updates and feedback from stakeholder consultation meetings/engagements. The organisation also has a CSR committee to review, monitor, and provide strategic direction to its CSR practices and social initiatives. Additionally, the Risk Management Committee plays a crucial role in identifying risks that can potentially impact operations and developing policies and strategies to minimize these risks.

2. Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes / No). If so, provide details of instances as to how the input received from stakeholders on these topics were incorporated into policies and activities of the entity.

Ans. Yes, the organisation consistently engages in stakeholder consultations, actively seeking input from relevant parties as it plays a key role in supporting the identification and management of environmental and social issues. Inputs have been gathered from conferences, seminars, and workshops attended, meetings and feedback received from government and regulatory bodies, participation in working groups and committees within trade associations, Investor meetings and interactions, Communications through digital and print media, Corporate social responsibility (CSR) initiatives and engagements. These inputs help inform the Company's approach to sustainability and ensure alignment with stakeholder expectations.

3. Provide details of instances of engagement with, and actions taken to address the concerns of vulnerable/ marginalized stakeholder groups.

Ans. The organization's commitment to community development extends beyond legal obligations. It is committed towards sustainable development of the communities in the areas where it operates. Through CSR initiatives, the organisation addresses key areas such as skill development, education, health, etc. We try and reach out to the most vulnerable and marginalized groups within the community and contribute towards their upliftment and empowerment. The organization also engages community members to address their needs and concerns. The details of initiatives are specified in the Corporate Social Responsibility Annexure of the Board Report.

PRINCIPLE

Businesses should respect and promote human rights.

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

Category	FY 2025-26 Current Financial Year			FY 2024-25 Previous Financial Year		
	Total (A)	No. of employees / workers covered (B)	% (B / A)	Total (C)	No. of employees / workers covered (D)	% (D / C)

3. Details of remuneration/salary/wages, in the following format:

a. Median remuneration/wages:

	Male		Female	
	Number	Median remuneration/ salary/ wages of respective category (Rs in lakhs)	Number	Median remuneration/ salary/ wages of respective category (Rs in lakhs)
Board of Directors (BoD)	6	224.36	2	0*
Key Managerial Personnel	3 [#]	115.44	0	0
Employees other than BoD and KMP	1462	4.31	42	4.64
Workers	687	2.99	11	2.34

Note:

1. *Female Directors receiving only sitting fee is not considered as remuneration.

2. [#]One KMP resigned during the year and another KMP was appointed.

b. Gross wages paid to women as % of total wages paid by the entity, in the following format:

	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Gross wages paid to women as % of total wages	3.29%	3.51%

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No).

Ans. We have established a "Human Rights Committee" responsible for identifying, assessing, and addressing human rights impacts linked to our operations. This focal point ensures alignment with relevant laws, international standards, and our internal policies, and works closely with cross-functional teams to monitor and mitigate potential human rights risks.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

Ans. Yes, we have internal mechanisms to address human rights grievances, including a grievance redressal system, a whistleblower policy, and oversight by our HR/Compliance team. All complaints are handled confidentially, investigated promptly, and resolved with appropriate action.

6. Number of Complaints on the following made by employees and workers

	FY 2025-26 Current Financial Year			FY 2024-25 Previous Financial Year		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	0	0	-	0	0	-
Discrimination at workplace	0	0	-	0	0	-
Child Labour	0	0	-	0	0	-
Forced Labour / Involuntary Labour	0	0	-	0	0	-
Wages	8	0	Wage related complaints	0	0	-
Other human rights related issues	0	0	-	0	0	-
Other Employee Grievances	0	0	-	0	0	-

7. Complaints filed under the sexual harassment of women at workplace (Prevention, Prohibition and redressal) Act, 2013 in the following format:

	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Total complaints reported under sexual harassment on of women at workplace (Prevention, Prohibition and Redressal) act 2013 (POSH)	0	0
Complaints on POSH as a % of female employees/ workers	0%	0%
Complaints on POSH upheld	0	0

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

Ans. The Company has a zero-tolerance policy towards harassment of any kind, including sexual harassment.

PGEL Group has established robust policies and procedures to safeguard complainants in cases of discrimination and harassment. These include strict confidentiality measures, explicit anti-retaliation provisions, and dedicated support mechanisms through the HR department or a designated internal committee to ensure that no adverse consequences arise from filing a complaint.

9. Do human rights requirements form part of company business agreements and contracts? (Yes/No)

Ans. While the Company does not currently incorporate specific human rights clauses in its business agreements or contracts, it actively encourages all value chain partners to uphold responsible business practices and comply with applicable laws and regulations.

10. Assessment for the year

	% of PGEL plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	27.27%
Forced/ involuntary labour	27.27%
Sexual harassment	27.27%
Discrimination at workplace	27.27%
Wages	27.27%
Others – please specify	NA

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

Ans. There were no significant risks/concerns arising from the assessments.

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.

Ans. No business process has been modified or introduced as a result of addressing human rights grievances or complaints during this period.

2. Details of the scope and coverage of any Human rights due diligence conducted.

Ans. No human rights due diligence has been conducted during the reporting period.

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Ans. Yes, the premise/office of the entity is accessible to differently abled visitors as per the requirements of the Rights of Persons with Disabilities Act, 2016.

4. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual harassment	3.05%
Discrimination at workplace	3.05%
Child labour	3.05%
Forced/ involuntary labour	3.05%
Wages	3.05%
Others – please specify	3.05%

Note: The Company expects all value chain partners to adhere to its Sustainability Policy as well as to comply with applicable laws and regulations in the jurisdictions where they operate.

5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.

Ans. Not Applicable

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
From renewable sources (GJ)		
Total electricity consumption (A)	27,964.20	26,956.19
Total fuel consumption (B)	0	0
Energy consumption through other sources (C)	0	0
Total energy consumed from renewable sources (A+B+C)	27,964.20	26,956.19
From non-renewable sources (GJ)		
Total electricity consumption (D)	1,84,231.40	2,59,893.29
Total fuel consumption (E)	21,976.15	37,007.00

Parameter	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Energy consumption through other sources (F)	0	0
Total energy consumed from non- renewable sources (D+E+F)	2,06,207.55	2,96,900.29
Total energy consumed (A+B+C+D+E+F) in GJ	2,34,171.75	3,23,856.48
Energy intensity per rupee of turnover (Total energy consumed / Revenue from operations in INR lakhs)	0.32	0.67
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed/Revenue from operations adjusted for PPP in Lakhs)	6.41	13.49
Energy intensity in terms of physical output (GJ/Tonnes of Production)	2.01	3.71
Energy intensity (optional) – the relevant metric may be selected by the entity	NA	NA

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency?

Yes, If yes, name of the external agency. - RINA CLASSIFICATION AND CERTIFICATION INDIA PVT. LTD

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

Ans. No, none of the facilities have been identified as designated consumers (DCs) under performance, Achieve and Trade (PAT) scheme of Government of India

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Water withdrawal by source (in kilolitres)		
(i) Surface water	0.00	0.00
(ii) Groundwater	54,655.64	33,24,200.00
(iii) Third party water	49,179.10	32,330.00
(iv) Seawater / desalinated water	0.00	0.00
(v) Others	0.00	1,553.00
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	1,03,834.74	33,58,083.00
Total volume of water consumption (in kilolitres)	1,03,834.74	33,58,083.00
Water intensity per rupee of turnover (Total water consumption in Kilolitres / Revenue from operations in Lakhs INR)	0.14	6.90
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) * (Total water consumption in Kilolitres / Revenue from operations adjusted for PPP in Lakhs)	2.84	139.92
Water intensity in terms of physical output (Kilo litres/ Tonnes of Production)	0.89	38.48
Water intensity (optional) – the relevant metric may be selected by the entity	NA	NA

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency?

Yes, If yes, name of the external agency. - RINA CLASSIFICATION AND CERTIFICATION INDIA PVT. LTD

4. Provide the following details related to water discharged:

Parameter	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Water discharge by destination and level of treatment (in kilolitres)		
(i) To Surface water	0	0
- No treatment	0	0
With treatment – please specify level of treatment	0	0
(ii) To Groundwater	0	0
- No treatment	0	0
With treatment – please specify level of treatment	0	0
(iii) To Seawater	0	0
- No treatment	0	0
With treatment – please specify level of treatment	0	0
(iv) Sent to third parties	0	0
- No treatment	0	0
With treatment – please specify level of treatment	0	0
(v) Others	0	0
- No treatment	0	0
With treatment – please specify level of treatment	0	0
Total water discharged (in kilolitres)	0	0

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency?

Yes, If yes, name of the external agency. - RINA CLASSIFICATION AND CERTIFICATION INDIA PVT. LTD

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Ans. Yes, the entity has implemented a Zero Liquid Discharge (ZLD) mechanism at around 50% of its operational locations. These systems treat and recycle all wastewater within the premises, ensuring no liquid effluent is released externally. This approach helps reduce freshwater consumption and mitigates environmental impacts.

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
NOx	µg/m ³	32.73	29.2
SOx	µg/m ³	19.02	22.9
Particulate matter (PM)	µg/m ³	80.74	53.1
Persistent organic pollutants (POP)		NA	NA
Volatile organic compounds (VOC)		NA	NA
Hazardous air pollutants (HAP)		NA	NA
Others – please specify		NA	NA

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency- RINA CLASSIFICATION AND CERTIFICATION INDIA PVT. LTD

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	15,339.15	6,011.33
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	36,334.53	52,950.85
Total Scope 1 and Scope 2 emission intensity per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations in INR lakhs)	Metric tonnes of CO ₂ equivalent /INR	0.07	0.12
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP in Lakhs)	Metric tonnes of CO ₂ equivalent /INR Operations adjusted for PPP	1.42	2.46
Total Scope 1 and Scope 2 emission intensity in terms of physical output	Metric tonnes of CO ₂ equivalent / Production	0.44	0.68
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity		NA	NA

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency?

Yes, If yes, name of the external agency. - RINA CLASSIFICATION AND CERTIFICATION INDIA PVT. LTD

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

Ans. The PG Group has actively implemented projects to reduce Greenhouse Gas (GHG) emissions as part of its broader commitment to environmental sustainability and climate responsibility.

One of the key initiatives in this regard is the transition to Compressed Natural Gas (CNG) vehicles for logistics and material movement operations. By replacing conventional diesel and petrol powered vehicles with CNG-powered alternatives, the Group has significantly lowered direct (Scope 1) CO₂ emissions and other harmful pollutants. CNG, being a cleaner-burning fuel, offers measurable reductions in carbon intensity while also delivering long-term operational benefits such as reduced fuel costs and lower vehicle maintenance requirements. This shift aligns with national vehicular pollution control objectives and supports broader climate change mitigation targets.

Another major initiative is the installation of solar power systems to offset electricity consumption from fossil fuel-based grid sources. The renewable energy generated directly contributes to reducing indirect (Scope 2) emissions, lowering the Group's overall carbon footprint.

In addition to fleet decarbonization and renewable energy adoption, the Group regularly monitors its energy consumption and carbon footprint across all units and processes. Future phases of the GHG reduction strategy include:

- Expanding renewable energy capacity.
- Optimizing energy efficiency in manufacturing operations.

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Total Waste generated (in metric tonnes)		
Plastic waste (A)	299.71	1,098.22
E-waste (B)	26.37	10.93
Bio-medical waste (C)	-	0
Construction and demolition waste (D)	-	0
Battery waste (E)	-	0
Radioactive waste (F)	-	0
Other Hazardous waste. Please specify, if any. (G)	582.76	177.256
Other non-hazardous waste generated. (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	4,960.90	0
Total (A+B + C + D + E + F + G + H)	5,869.74	1,286.41
Waste intensity per rupee of turnover (Total waste generated / Revenue from operations in INR lakhs)	0.0079	0.0026
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated / Revenue from operations adjusted for PPP in lakhs)	0.1607	0.054
Waste intensity in terms of physical output in tons of production	0.0503	0.015
Waste intensity (optional) – the relevant metric may be selected by the entity	NA	NA
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	-	65.93
(ii) Re-used	-	0
(iii) Other recovery operations	-	0
Total	-	65.93
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	3.18	0
(ii) Landfilling	-	0
(iii) Other disposal operations	-	1,220.48
Total	3.18	1220.48

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency?

Yes, If yes, name of the external agency. - RINA CLASSIFICATION AND CERTIFICATION INDIA PVT. LTD

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such waste.

Ans. The PG Group is committed to responsible waste management practices across all its manufacturing and operational facilities. In alignment with environmental compliance requirements and sustainability objectives, the company has implemented systematic processes for handling both hazardous and non-hazardous waste.

Hazardous waste generated at the Company's plants primarily consists of used oil and other lubricants arising from production and maintenance activities. This waste is collected in designated storage areas with proper labeling and safety measures, as per the guidelines prescribed by the Pollution Control Boards. The hazardous waste is then handed over to government-authorized handlers and recyclers who are licensed for environmentally sound disposal. This ensures complete traceability and compliance with the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016. Regular audits, record-keeping, and submission of returns to statutory authorities further strengthen the Company's adherence to legal frameworks.

In addition to hazardous waste, the Company also manages a significant amount of non-hazardous waste, which is primarily generated from day-to-day office operations and production-related packaging activities. This waste mainly includes paper, cardboard, plastic wrapping, thermocol, and miscellaneous disposables. To enhance waste segregation efficiency, clearly marked bins and collection zones are placed across factory and office premises. Employees are sensitized and encouraged to follow the correct segregation process at source, ensuring that recyclable and non-recyclable materials are handled appropriately.

All recyclable non-hazardous waste is regularly sent to certified and approved waste management vendors for processing, recycling, or reuse, in accordance with environmental best practices. These efforts not only reduce landfill contribution but also support the principles of circular economy and resource optimization. Waste metrics are monitored to evaluate reduction trends and efficiency improvements.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

Ans. The PG Group confirms that it does not have any offices or manufacturing operations located within or directly adjacent to ecologically sensitive areas such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, or coastal regulation zones where specific environmental clearances or approvals are mandatory. While there may be ecologically important zones situated within a 2 km radius of some of the Company's premises, the operations themselves are not within those protected or regulated areas. The Company ensures compliance with all applicable environmental regulations and continues to monitor its environmental impact through regular assessments and statutory clearances.

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
1	NA	NA	NA

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
------------------------	----------------------	------	---	--	-------------------

No projects undertaken by the entity in the current financial year required Environmental Impact Assessment under applicable laws.

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India, such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non- compliances, in the following format:

Ans. Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder are all applicable to PGEL and the Company is compliant with all related regulations.

S. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
NIL				

Leadership Indicators

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):

For each facility / plant located in areas of water stress, provide the following information:

- (i) Name of the area
- (ii) Nature of operations
- (iii) Water withdrawal, consumption and discharge in the following format:

Ans. The Company does not operate in areas of water stress; hence this question is not applicable.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency- **NA**

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	NA	NA

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency- **No**

3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Ans. Not Applicable

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr No.	Initiative undertaken	Details of the initiative (Web- link, if any, may be provided along with summary)	Outcome of the initiative
1.	Effluent Recycling through RO & MEE	Set up a Zero Liquid Discharge (ZLD) system using RO and Multi-Effect Evaporator (MEE) at the ETP.	The implementation of the Zero Liquid Discharge (ZLD) system using Reverse Osmosis (RO) and Multi-Effect Evaporator (MEE) at the Effluent Treatment Plant (ETP) has significantly enhanced water conservation efforts. The initiative not only ensures compliance with environmental regulations but also supports sustainable water management practices by minimizing water wastage and optimizing resource efficiency across the manufacturing operations
2.	Installation of Rooftop Solar Panels	Installation of Rooftop Solar Panels to reduce grid electricity consumption.	To reduce dependency on grid electricity and promote renewable energy adoption, the company has undertaken the installation of solar photovoltaic (PV) panels across its manufacturing units and office premises. The initiative aligns with the organization's broader ESG commitment to reduce carbon emissions and improve energy efficiency.

3.	CNG Vehicle Integration	Replacing Diesel Vehicles with CNG vehicles	The transition from diesel vehicles to Compressed Natural Gas (CNG) vehicles offers multiple environmental, economic, and operational advantages. Unlike diesel, which emits higher levels of carbon dioxide, nitrogen oxides, and particulate matter, CNG is a much cleaner-burning fuel. This results in a significant reduction in greenhouse gas (GHG) emissions, contributing directly to climate change mitigation and improved local air quality.
----	-------------------------	---	--

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Ans. Yes, the entity has a well-defined and comprehensive Disaster Management and Business Continuity Plan in accordance with the Factories Act, 1948. The plan is aimed at managing emergencies and minimizing the risks associated with major accidents, natural calamities, equipment failures, and external threats that could adversely impact human life, property, environment, and business operations.

The plan includes a structured On-site Emergency Plan (OSEP), supported by detailed disaster control measures and mock drill provisions conducted at least once a year. It classifies emergencies into three levels based on severity, ranging from on-site incidents manageable with internal resources (Level-1), to off-site emergencies involving external agencies and district authorities (Level-3). Risk assessments, hazard identification, and failure scenario analyses are integral to the plan.

The entity has designated key emergency personnel such as the Chief Emergency Controller and Chief Incident Controller and established an Emergency Control Centre equipped with essential resources including communication systems, firefighting tools, emergency lighting, and protective gear. Assembly points, evacuation protocols, personnel accountability mechanisms, and first aid stations are in place to ensure employee safety and continuity of operations.

To address business continuity, the plan includes measures to accelerate the resumption of normal operations post-incident, minimize damage to equipment and facilities, safeguard surrounding communities, and mobilize both internal and external resources. Communication protocols cover internal alerts, outreach to authorities, and notifications to neighboring firms and the general public. The entity also maintains a Transport Emergency (TREM) Card system for hazardous material handling and has provisioned lightning arresters for natural calamity preparedness.

Employees are trained to respond through R-A-C-E (Rescue, Alarm, Confine, Evacuate) procedures during fire incidents and are expected to maintain discipline during emergencies. Regular training, drills, and periodic plan revisions are conducted to ensure preparedness.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

Ans. Nil, The Company maintains a proactive and responsible approach toward environmental stewardship across its entire value chain. No significant adverse environmental impacts have been identified from any part of its operations, including sourcing, production, distribution, and post-consumer disposal.

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

Ans. 2.87% company's value chain partners assessed for environmental impacts.

8. How many Green Credits have been generated or procured:

By the listed entity	Nil
By the top ten (in terms of value of purchases and sales respectively) value chain partners	Data not available

7

PRINCIPLE

Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations.

Ans. In FY 2025-26, PGEL was part of 03 nos. National and International trade and industry chambers/associations.

- b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated with.

S. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/National)
1	Electronic Industries Association of India (ELCINA)	National
2	Consumer Electronics and Appliances Manufacturers Association (CEAMA)	National
3	Electronics and Computer Software Export Promotion Council (ESC)	National

2. Provide details of corrective action taken or underway on any issues related to anticompetitive conduct by the entity, based on adverse orders from regulatory authorities.

Ans. No adverse orders have been received from regulatory authorities related to anti-competitive conduct by the entity.

Name of authority	Brief of the case	Corrective action taken
-	-	-

Leadership Indicators

1. Details of public policy positions advocated by the entity:

S. No.	Public policy advocated	Method resorted for such advocacy	Whether information is available in public domain? (Yes/No)	Frequency of Review by Board (Annually/ Half yearly/ Quarterly/ Others – please specify)	Web Link, if available
--------	-------------------------	-----------------------------------	---	--	------------------------

No public policy positions were advocated by the entity in the current financial year.

PRINCIPLE

Businesses should promote inclusive growth and equitable development.

Essential Indicators

- Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes /No)	Results communicated in public domain (Yes / No)	Relevant Web link
-----------------------------------	----------------------	----------------------	--	--	-------------------

No SIA has been undertaken for the year.

- Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

S. No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (In INR)
--------	--	-------	----------	---	--------------------------	---

No projects are currently being undertaken by the entity that involve ongoing Rehabilitation and Resettlement (R&R) activities

- Describe the mechanisms to receive and redress grievances of the community.

Ans. The organisation actively engages with the community through its CSR initiatives, aiming to address their concerns and fulfil their needs as is an essential part of all our CSR interventions. This engagement takes various forms, including CSR projects. Communities are encouraged to share their concerns, feedback, grievances and needs, while the organisation informs them about the outcomes of community interventions and how grievances, if any, will be addressed.

- Percentage of input materials (inputs to total inputs by value) sourced from suppliers.

	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Directly sourced from MSMEs/ small producers	7.82%	6.1%
Sourced directly from within the district and neighboring districts	13.97%	56.9%

- Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost.

Location	FY 2025-26 Current Financial Year	FY 2024-25 Previous Financial Year
Rural	36.8%	52.4%
Semi-urban	0.0%	0.0%
Urban	63.2%	43.2%
Metropolitan	0.0%	4.4%

(Place to be categorized as per RBI Classification System - rural / semi-urban / urban / metropolitan)

*Classification is based on the RBI Guidelines and Census 2011.

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken
NA	NA

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

S. No.	State	Aspirational District	Amount spent (In INR)
The entity has not undertaken any CSR projects in designated aspirational districts			

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized /vulnerable groups? (Yes/No)
 (b) From which marginalized /vulnerable groups do you procure? - NA
 (c) What percentage of total procurement (by value) does it constitute? - 0%

Ans. Presently, the Company does not have any such preferential procurement policy.

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

S. No.	Intellectual Property based on traditional knowledge	Owned/Acquired (Yes/No)	Benefit shared (Yes / No)	Basis of calculating benefit share
Not Applicable				

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved.

Name of Authority	Brief of the Case	Corrective action taken
NA	NA	NA

6. Details of beneficiaries of CSR Projects.

S. No.	CSR Project	No of persons benefited from CSR Projects	% of beneficiaries from vulnerable and marginalized group
1	Promotion of skill development in India through apprenticeships, encouraging youth employment and industry growth by enrolment of apprentices to develop skilled workforce and upskilling opportunities through 'National Apprenticeship Promotion Scheme (NAPS) under the Ministry of Skill Development and Entrepreneurship'.	NA	NA
2	Education to the kids, girls and women of weaker sections of society, women empowerment by providing skill development in handicrafts, promoting sustainable livelihoods, awareness campaign, overall development and upliftment through 'Global Social Welfare Organisation.	NA	NA

Quantitative data on the number of beneficiaries for the CSR projects is currently being compiled and will be reported in detail in the next BSR reporting cycle.

PRINCIPLE

Businesses should engage with and provide value to their consumers in a responsible manner.

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

Ans. Our organization has a structured and transparent mechanism to receive, address, and resolve customer complaints and feedback in a timely and effective manner. The key components of our grievance redressal process include:

- **Standard Operating Procedure:** We have developed and shared a clear SOP with our customers. This SOP outlines the steps for lodging complaints, escalation mechanisms, timelines for resolution, and relevant contact details. It ensures consistency, accountability, and transparency in our approach.
- **Escalation Matrix (QCD):** If customer is not satisfied with the initial response, we have an established escalation matrix to ensure the complaint is reviewed at higher levels of management for appropriate resolution.
- **Multiple Channels for Customer Reach:** Our official website, which features a dedicated "Contact Us" and "Feedback" section.
- **Continuous Improvement:** Customer feedback is periodically analyzed to identify trends, root causes, and areas for improvement. This helps us enhance our service delivery and customer experience on an ongoing basis.
- **CFT TEAM:** We have a dedicated core functional team in place to handle any issues or feedback that arise from the customer's side.
- **Customer Feedback:** We receive feedback from customers periodically - monthly, quarterly, and annually.

2. Turnover of products and /service as a percentage of turnover from all products/service that carry information about:

Type	As a percentage to total turnover
Environmental and social parameters relevant to the product	55.34%
Safe and responsible usage	55.34%
Recycling and/or safe disposal	0.00%

3. Number of consumer complaints

	FY 2025-26 Current Financial Year		FY 2024-25 Previous Financial Year	
	Received during the year	Pending resolution at the end of year	Received during the year	Pending resolution at the end of year
Data privacy	0	0	0	0
Advertising	0	0	0	0
Cyber- security	0	0	0	0
Delivery of essential services	0	0	0	0
Restrictive Trade Practices	0	0	0	0
Unfair Trade Practices	0	0	0	0
Others	0	0	0	0

No complaints have been received in any of the given categories in the current or previous financial year.

4. Details of instances of product recalls on account of safety issues.

	Number	Reason for Recall
Voluntary recalls	0	NA
Forced recalls	0	NA

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Ans. Yes, the entity has a defined Cybersecurity and Data Privacy Policy framework in place.

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

Ans. Not Applicable

7. Provide the following information relating to data breaches:

- Number of instances of data breaches - **Nil**
- Percentage of data breaches involving personally identifiable information of customers - **Nil**
- Impact, if any, of the data breaches – **Nil**

Leadership Indicators

1. Channels / platforms where information on products and services of the PGEL can be accessed (provide web link, if available).

Ans. Information regarding our product can be accessed on our website: <https://pgel.in>

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

Ans. Our company is committed to promoting safe and responsible usage of our products/services through the following initiatives:

- Customer Support & Training: Our teams provide guidance on safe usage. Additionally, during New Product Development & Introduction, we conduct service training sessions to educate customers and partners on correct and safe usage.
- Clear Communication & Guidelines: Each product includes a detailed user manual or booklet with clear Do's and Don'ts, safety instructions and usage guidelines to help consumers operate our products responsibly.
- Digital Awareness: We regularly share safety tips, tutorials, and FAQs through our social media platforms to educate users on proper product handling.

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

Ans. We have established comprehensive mechanisms to inform consumers of any potential disruption or discontinuation of essential services. Key measures include:

- Standard Operating Procedures: Detailed SOPs are in place for process and document control, as well as for Engineering Change Notice (ECN) management.
- Customer Agreements: We have formal agreements with customers specifying terms and conditions in the event of product discontinuation, which may occur due to technological advancements or changes in government guidelines.
- Post-Discontinuation Support: In cases of discontinuation, we ensure continued service and spare parts support for a minimum of 3 years, or maximum of 5 years, as per the agreement.

These mechanisms ensure transparency, minimize disruptions, and provide consumers with the necessary support and information in the event of any changes.

4. Does the company display product information on the product over and above what is mandated as per local laws? (Yes/No/ Not Applicable)? If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction

relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Ans. Yes. We display additional product information beyond what is mandated by local laws, in compliance with relevant government guidelines. The product carries the following details:

- Rating Label: Information on product specifications as per compliance requirements.
- BEE Label: Energy efficiency details in accordance with Bureau of Energy Efficiency standards.
- BIS Label: The product is labeled with Bureau of Indian Standards (BIS) CML number.
- MRP Sticker: Includes product details such as dimensions and weight, as required by Department of Legal Metrology.

If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Yes. We conduct regular customer satisfaction surveys to assess feedback on its major products and services. Customers provide ratings based on several key factors like Quality of Products, Performance, Cost Competitiveness, On-Time Delivery, Response Time, New Product Development. These ratings help us to monitor and enhance customer satisfaction across significant locations and operations. The feedback is instrumental in driving improvements and innovations.

Independent Auditor's Report

To the Members of **PG Electroplast Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **PG Electroplast Limited** (the "Company"), which comprise the standalone balance sheet as at March 31 2026, the standalone statement of profit and loss, (including other comprehensive income), the standalone statement of cash flow and the standalone statement of changes in equity for the year then ended, and notes to the standalone financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013, (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") read together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements for the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
Revenue recognition Revenue from the sale of goods (hereinafter referred to as "Revenue") is recognized when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer, which is mainly upon dispatch. The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance.	Our procedures included; - Evaluating the integrity of the general information and technology control environment and testing the operating effectiveness of key IT application controls. - Evaluating the design and implementation of Company's controls in respect of revenue recognition. - Testing the effectiveness of such controls over revenue cut off at year-end. - Testing the supporting documentation for sales transactions recorded during the period closer to the year end and subsequent to the year end, including examination of credit notes issued after the year end to determine whether revenue was recognized in the correct period. - Performing analytical procedures on current year revenue based on monthly trends and where appropriate, conducting further enquiries and testing. - Assessing the appropriateness of the Company's revenue recognition accounting policies in line with Ind AS 115 ("Revenue from Contracts with Customers") and testing thereof.

Key audit matters	How our audit addressed the key audit matter
Accounting for Government Grants The Company has various grants and subsidies receivable from the State Governments of respective plant locations.	Our audit procedures included, amongst others: - Examining that the recognition of grants / subsidies is in accordance with Ind AS 20 by making a reference to the conditions for such grants in the scheme documents of the respective state Governments and checking the due evidence of fulfilment of such conditions by the Company. - Verifying the correspondence between the Company and relevant Government authorities to assess the recoverability of grants / subsidies already recognized.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the Standalone Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it became available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Board of Director's for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Director either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the Management's and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the Order to the extent applicable.
2. As required by section 143(3) of the Act, to the extent applicable, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - (c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of cash flow and standalone statement of changes in equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on April 7, 2025 and April 3, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to the Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements;
 - (g) In our opinion, and according to the information and explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provision of section 197 read with schedule V of the Act; and
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as at March 31, 2026 on its financial position in its Standalone Financial Statements - Refer Note 40 to the Standalone Financial Statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - a) The management has represented that, to the best of its knowledge and belief, except as disclosed in the notes 51(vi) to the Standalone Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, except as disclosed in the notes 51(vii) to the Standalone Financial Statements, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (i) and (ii) of Rule 11(e), as provided under iv (a) and iv (b) above contain any material misstatement.
- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent its applies to the payment of dividend.

As stated in note 49(i) to the Standalone Financial Statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.
- vi. According to the information & explanation given to us and on the basis of our examination, which included test checks, the Company has maintained its books of account using accounting software which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company, as per the statutory requirements for record retention.

Annexure A to the Independent Auditor's Report dated May 27, 2026 on the Standalone Financial Statements of PG Electroplast Limited (the "Company") for the year ended March 31, 2026.

Report on the matters specified in paragraph 3 of the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 (the "Act") as referred to in paragraph 1 of 'Report on Other Legal and Regulatory Requirements' section.

- i. (A) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment, and relevant details of right-of-use assets.
- (B) (a) The Company has maintained proper records showing full particulars of intangibles assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Property, Plant & Equipment and Right to use Assets have been physically verified by the management as per the regular programme of periodical physical verification in a phased manner and same is reasonable in our opinion having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such physical verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the Company is the lessee, and the lease agreements are duly executed in favor of the lessee) are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year ended March 31, 2026. Accordingly, the requirement to report under clause 3(i)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. (a) According to the information and explanations given to us, the management of the Company has conducted physical verification of inventory except inventories in transit, at reasonable intervals during the year. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure of such verification by the management is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed on such physical verification.
- (b) As disclosed in note no 46 of the standalone financial statements, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks and/or financial institutions during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of audit of standalone financial statements, the quarterly returns/ statements filed by the Company with such banks and financial institutions are in not agreement with books of accounts of the Company, details as mentioned below:

Name of the Bank	Particulars	Quarter	Amount as per books	Amount as per reported in quarterly returns	Amount of difference

- iii. (a) According to the information and explanations given to us and based on our examination of the record of the Company, the Company has not granted advances in the nature of loans, and provided security to companies, firms, Limited Liability Partnerships or any other parties during the year. Further the Company has made investments and provided loans and guarantees, the details of which are set out below:

	(₹ in lakhs)	
	Guarantees	Loans
Aggregate amount granted/ provided during the year		
- Subsidiaries (including step-down subsidiary)	16,100.00	76,116.61
- Joint Ventures	2,500.00	Nil
- Associates	Nil	Nil
- Others	Nil	1,531.23
Balance outstanding as at balance sheet date in respect of above cases		
- Subsidiaries (including step-down subsidiary)	1,76,550.00	6,095.07
- Joint Ventures	10,000.00	Nil
- Associates	Nil	Nil
- Others	Nil	0.34

- iii. (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made, loan given, guarantees provided and the terms and conditions of the grant of all loans, and guarantees provided during the year are, prima facie, not prejudicial to the interest of the Company. The Company has not given any security or advance in the nature of loan during the year.
- iii. (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has in respect of the loans granted to subsidiary which are repayable on demand and disclosed in clause(iii) (f) below. In respect of these unsecured loans, the Company has not demanded repayment of loan. Further, the Company has not granted advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties.

- iii. (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we are informed that the Company has not demanded the repayment of the unsecured loans granted to subsidiary, hence, there is no overdue amount remaining outstanding as at the balance sheet date. The Company has not provided advances in the nature of loans.
- iii. (e) According to the information and explanations given to us and on the basis of our examination of

the records of the Company, no loans or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to same parties. Accordingly, the requirements to report on clause 3(iii)(e) of the Order is not applicable to the Company. The Company has not given any advance in the nature of loan.

- iii. (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion the Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment except for the following loans related parties as defined in clause (76) of section 2 of the Act:

	(₹ in lakhs)		
	All Parties	Promoters	Related Parties
Aggregate amount of loans/ advances in nature of loans	6,095.41	Nil	6,095.41
- Repayable on demand			
Percentage of loans/ advances in nature of loans to the total loans	100%	Nil	100%

- iv. According to the information and explanations given to us and the basis of our examination of the records of the Company, in respect of loans given, investments made, and guarantees provided by the Company, the provisions of Section 185 and 186 of the Act have been complied. The Company has not provided any security during the year.
- v. According to the information and explanations given to us, and on the basis of examination of the records of the Company, the Company has neither accepted any deposits from the public nor accepted any amount which are deemed to be the deposit within the meaning of directive issued by the Reserve Bank of India and section 73 to 76 of the Act and rules made thereunder, to the extent applicable. We are informed by the management that no Order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal in this regard. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. However, we have not made a detailed examination of the cost

records with a view to determine whether they are accurate or complete.

- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, goods and service tax and other statutory dues which have not been deposited with the appropriate authorities on account of any dispute except the following:

Name of the statute	Nature of the dues	Amount (Rs in Lakhs)	Amount paid under protest (Rs in Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Central Excise Act, 1944	Excise Duty	765.73	-	2008-09 to 2011-12	Supreme Court
Custom Act	Anti-dumping duty	738.54	-	2010-11	Supreme Court

- viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender. Accordingly, the requirement to report on clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, we are of the opinion that term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the Standalone Financial Statements of the Company, we are of the opinion that no funds raised on short-term basis have been used for long-term purpose by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and joint venture. The Company does not have any associate. Accordingly, the requirements to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanations given to us and on an overall examination of the Standalone Financial Statements of the Company, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries and joint venture. The Company does not have any associate. Accordingly, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.
- x. (a) According to the information and explanations given to us and based on our examination of the records of the Company, during the year the Company has not raised any money during the year by way of initial public offer/further public offer (including debt instruments). Further, during the current year, the Company has utilised ₹55,627.61 lakh towards the purposes for which the funds were raised through the Qualified Institutions Placement (QIP) during FY 2024-25. The unutilised balance of ₹16,220.82 lakh has been invested in bank deposits pending deployment towards the stated objects of the QIP, as disclosed in Note 50 to the standalone financial statements.
- (b) According to the information and explanations given to us, and on the basis of examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares/fully or partially or optionally convertible debenture during the year under audit. Hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) Based on the examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year. Accordingly, the requirement to report under clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, during the year, no report under sub-section (12) of section 143 of the Act has been filed by cost auditor/ secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is not a Nidhi Company as

per the provisions of the Act. Therefore, the requirement to report on clause 3(xii) of the Order are not applicable to the Company.

- xiii. According to the information and explanations and records made available by the management of the Company and audit procedures, the Company is in compliance with section 177 and 188 of the Act where applicable, for all transactions with the related parties and the details of related parties transactions have been disclosed in the Standalone Financial Statements as required by the applicable Indian Accounting standards.
- xiv. (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till the date for the period under audit.
- xv. According to the information and explanation given to us, and on the basis of our examination of the records of the Company, the Company has not entered into any non-cash transactions with its directors or person connected with them as referred in section 192 of the Act. Accordingly, the reporting on compliance with the provisions of clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) According to the information and explanations given to us, the Company is not required to be register under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the requirement to report on clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) The Group doesn't have any Core Investment Company as part of the Group.
- xvii. The Company has not incurred cash losses in the current financial year and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.

- xix. According to the information and explanations given to us and on the basis of the financial ratios disclosed in note 45 to the Standalone Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) According to the information and explanation given to us and based on our examination of the records of the Company, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Act, in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in note 42 to the Standalone Financial Statements.
- (b) According to the information and explanation given to us and based on our examination of the records of the Company, there are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of the Act. This matter has been disclosed in note 42 to the Standalone Financial Statements.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements of the Company. Accordingly, no comment in respect of the said clause has been included in this report.

Annexure B to the Independent Auditor's Report dated May 27, 2026 on the Standalone Financial Statements of PG Electroplast Limited for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act") as referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section of our report even date.

We have audited the internal financial controls with reference to the Standalone Financial Statements of **PG Electroplast Limited** (the "Company") as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls issued by the ICAI. Those Standards and the Guidance Note

require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to these Standalone Financial Statements included obtaining an understanding of such internal financial controls with reference to the Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Standalone Financial Statements.

Meaning of Internal Financial Controls with Reference to the Standalone Financial Statements

A Company's internal financial controls with reference to the Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to the Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial

Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with Reference to the Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to the Standalone Financial Statements and such internal financial controls with reference to the Standalone Financial Statements were operating effectively as at March 31, 2026, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

1 CORPORATE INFORMATION

PG Electroplast Limited ("The Company") is a public Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its equity shares are listed with the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). The registered office of the Company is located at DTJ - 209, DLF Tower B, Jasola, New Delhi - 110025. The Company is an Electronic Manufacturing Services (EMS) provider for Original Equipment Manufacturers (OEMs) of consumer electronic products in India. The Company manufactures and / or assemble a comprehensive range of consumer electronic components and finished products such as Kitchen Appliances, air conditioners (ACs) sub-assemblies, Air Cooler, Washing Machine, Mobile handsets, LED for third parties.

These standalone financial statements were approved for issue in accordance with a resolution of directors on May 27, 2026.

2 SUMMARY OF MATERIAL ACCOUNTING POLICIES

This note provides a list of the Material accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation and presentation

(i) Compliance with Ind AS

The standalone financial statements for the year ended March 31, 2026 have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Companies Act 2013 ("the Act") (as amended from time to time).

(ii) Historical cost convention

The standalone financial statements have been prepared on a historical cost basis except for certain assets and liabilities (including derivative instruments) that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price

is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these standalone financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 Inventories or value in use in Ind AS 36 Impairment of Assets.

(iii) The Company has prepared the standalone financial statements on the basis that it will continue to operate as going concern.

(b) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle"
- Held primarily for the purpose of trading"
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle"
- It is held primarily for the purpose of trading"
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

Notes to the Standalone Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified period upto twelve months as its operating cycle.

(c) Foreign currencies

(i) Functional and presentation currency

The standalone financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency unless stated otherwise.

(ii) Transactions and balances

Transactions in foreign currencies are initially recorded by the Company's entities at their respective functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Company uses average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

- (iii) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

(d) Revenue recognition

Revenues from contract with customers is recognized when controls of the goods or services transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange of goods or services. Revenue is stated net of Goods and Service tax and net of returns, trade allowances and discounts.

(i) Sale of goods

Revenue from the sale of products is recognised when the control of the goods has been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e. when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Variable Consideration

The Company recognizes revenue from the sale of goods measured at the standalone selling price of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognized will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

(ii) Sale of services

Revenue from services represents the job work services and repairing of moulds performed by the Company for its customers. Revenue from services is recognized as per the terms of the contract with the customer over the period of time when the control of services is transferred to the customers.

(iii) Contract balance

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract assets are in the nature of unbilled receivables, which arises when Company satisfies a performance obligation but does not have an unconditional rights to consideration. A receivables represents the Company's right to an amount of consideration that is unconditional. Contract assets are subject to impairment assessment. Refer to accounting policies on impairment of financial assets in section (Financial instruments – initial recognition and subsequent measurement).

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

A trade receivable is recognized if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration

is due). Refer to accounting policies of financial assets in section (Financial instruments – initial recognition and subsequent measurement).

(iv) Other Income

Other income comprise interest income, rental income, liabilities no longer required written back, refund of electricity duty, government incentive and others.

Interest income is accrued on a timely basis, by reference to the principal outstanding and recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the EIR, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

Rental income arising from operating lease is accounted on a straight line basis over the lease term.

In respect of others, Company recognized income when the right to receive is established.

(e) Government grants

Grants from the government are recognised where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to statement of profit and loss over the expected useful life in a pattern of consumption

of the benefit of the underlying asset i.e. by equal annual instalments.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

(f) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Income Tax expense for the year comprises of current tax and deferred tax.

(i) Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment,

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the

Notes to the Standalone Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or direct in equity.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of

deferred tax liabilities or assets are expected to be settled or recovered.

(g) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

Company as a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of lowvalue assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-Use assets (ROU)

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term.

The Company classifies ROU assets as part of Property, plant and equipment in Balance Sheet and lease liability in "Financial Liability".

(ii) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Variable lease payments that depend on sales are recognized in profit or loss in the period in which the condition that triggers those payments occurs.

(iii) Short term leases and leases of low-value of assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value.

Lease payments on short-term leases and leases of low-value assets are recognized as expense on a straight-line basis over the lease term.

Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms

of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

(h) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(i) Earnings Per Share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) if any that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.

(j) Property, plant and equipment

Property, plant and equipment are tangible items that are held for use in the production or supply for goods and services, rental to others or for administrative purposes and are expected to be used during more than one period. The cost of an item of property, plant and equipment shall be recognised as an asset if and only if it is probable that future economic benefits associated with the item

Notes to the Standalone Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

will flow to the Company and the cost of the item can be measured reliably.

The items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items and are net of recoverable taxes /duty. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Each part of item of property, plant and equipment, if significant in relation to the total cost of the item, is depreciated separately. Further, parts of plant and equipment that are technically advised to be replaced at prescribed intervals/period of operation are depreciated separately based on their specific useful life provided these are of significant amounts commensurate with the size of the Company and scale of its operations. The carrying amount of any equipment accounted for as separate asset is derecognised when replaced.

Capital work- in- progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date. Capital work in progress is stated at cost, net of accumulated impairment loss, if any.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit or loss.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives.

Depreciation on Property, Plant & Equipment has been provided on Straight Line Method (SLM) based on the useful life of the assets prescribed in Schedule II of the

Companies Act, 2013 except in respect of major plant & machinery, where useful life has been taken as 25 years, as technically assessed.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is not recorded on capital work in progress until construction and installation are complete and the assets is ready for its intended use.

(k) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Estimated useful lives of the intangible assets are as follows:

Assets	Estimated Useful Life
Computer Software	6 Years
Product Development	10 Years

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit or loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

- the technical feasibility of completing the intangible asset so that the asset will be available for use or sale;
- its intention to complete and its ability and intention to use or sell the asset;

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

- (iii) how the asset will generate probable future economic benefits;
- (iv) the availability of adequate technical, financial and other resources to complete the development and to use or sell the asset; and
- (v) the ability to measure reliably the expenditure attributable to asset during its development.

The amount initially recognised for intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no intangible assets can be recognised, development expenditure is recognised in statement of profit or loss in the period in which it is incurred. Subsequent to initial recognition, such intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as of acquired intangible assets.

(l) Inventories

Inventories are valued at the lower of cost and net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item-by-item basis

- (i) Inventories of raw materials, components, stores and spares are valued at lower of cost (net of recoverable taxes) and net realizable value. Cost for the purpose of valuation of such inventories is determined using the weighted average cost method. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated cost necessary to make the sale.
- (ii) Finished goods and work-in-progress are valued at lower of cost and net realizable value. The cost of finished goods and work-in-progress includes raw material costs (net of recoverable taxes), direct cost of conversion and proportionate allocation of indirect costs incurred in bringing the inventories to their present location and condition.
- (iii) Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

- (iv) The provision for inventory obsolescence is assessed regularly based on estimated usage and shelf life of inventory.

- (v) Change in accounting policy: During the year, the Company changed its method of inventory valuation from FIFO to Weighted Average Cost. The management believes that the Weighted Average Cost method provides more relevant and reliable information regarding the consumption pattern and valuation of inventories in the current operating environment and, accordingly, better reflects the financial position and performance of the Company. The impact of this change is a reduction of ₹251 lakh in the current year's profit, which has been recognized in the Statement of Profit and Loss.

(m) Provisions and Contingent liabilities, Contingent assets

(i) Provision

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Warranty Provision

Provision for warranty-related costs are recognized when the product is sold or service is provided to customer. Initial recognition is based on historical experience. The Company periodically reviews the adequacy of product warranties and adjust warranty percentage and warranty provisions for actual experience, if necessary.

(ii) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

(iii) Contingent assets

Contingent assets are not recognized. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

(n) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the undiscounted amounts expected to be paid when the liabilities are settled. The liabilities are presented as current benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

Other long-term employee benefits includes earned leaves, sick leaves and employee bonus.

Earned leaves

The liabilities for earned leaves are not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The benefits are discounted using the government bond yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial

assumptions are recognised in statement of profit & loss. The obligations are presented as provisions in the balance sheet.

(iii) Post-employment obligations

The Company operates the following post employment schemes:

- defined benefit plan towards payment of gratuity; and
- defined contribution plans towards provident fund & employee pension scheme and employee state insurance.

Defined benefit plans

The Company provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement/termination of employment or death of an employee, based on the respective employees' salary and years of employment with the Company.

The liability or asset recognised in the balance sheet in respect of the defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The present value of the defined benefit obligation is determined using projected unit credit method by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation, with actuarial valuations being carried out at the end of each annual reporting period.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined contribution plans

Defined contribution plans are retirement benefit plans under which the Company pays fixed contributions to separate entities (funds)

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

or financial institutions or state managed benefit schemes. The Company has no further payment obligations once the contributions have been paid. The defined contributions plans are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

- **Provident Fund Plan & Employee Pension Scheme**

The Company makes monthly contributions at prescribed rates towards Employees' Provident Fund/ Employees' Pension Scheme to a Fund administered and managed by the Government of India.

- **Employee State Insurance**

The Company makes prescribed monthly contributions towards Employees' State Insurance Scheme.

- **Leave Encashment**

The Company has recognised liability for short term compensated absences on full cost basis with reference to unavailed earned leaves at the year end. To the extent, the compensated absences qualify as a long term benefit, the Company has provided for the long term liability at year end as per the actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising from adjustments and changes in actuarial assumptions are charged or credited to the Statement of profit and loss in the year in which such gains or losses arise.

(o) Share-based payment

Employees (including senior executives) of the Company receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions).

Equity Settled transactions

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. Further details are given in Note 33.

That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled

transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Company's best estimate of the number of equity instruments that will ultimately vest. Market performance conditions are reflected within the grant date fair value. Any other conditions attached to an award, but without an associated service requirement, are considered to be non-vesting conditions. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions.

No expense is recognised for awards that do not ultimately vest because non-market performance and/or service conditions have not been met. Where awards include a market or non-vesting condition, the transactions are treated as vested irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

When the terms of an equity-settled award are modified, the minimum expense recognised is the grant date fair value of the unmodified award, provided the original vesting terms of the award are met. An additional expense, measured as at the date of modification, is recognised for any modification that increases the total fair value of the share-based payment transaction, or is otherwise beneficial to the employee. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through statement of profit or loss.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(p) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets

- Initial Recognition and measurement

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

- Subsequent Measurement

- Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost which is held with objective to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on

specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

- Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

The Company recognises life-time expected losses for all trade receivables. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

The Company follows 'simplified approach' for the recognition of impairment loss allowance on trade and other receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on life-time ECLs at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

(ii) Financial liabilities

- Initial Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

- Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

- Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the

financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition as per Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

- Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

- Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

- Investment in subsidiaries, joint venture and associates

Investment in equity shares of subsidiaries, joint venture and associates is carried at cost in the financial statements.

(q) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

Notes to the Standalone Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

(r) Critical accounting estimates, assumptions and judgements

The preparation of the Company's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Other disclosures relating to Company's exposure to risk and uncertainties includes;

Capital Management Note 39.

Financial risk management objective and policies Note 37.

Sensitivity analysis disclosures note 37.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated financial statements:

Determining the lease term of contracts with renewal and termination options – Company as lessee

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation to the leased asset).

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date,

that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) Property, plant and equipment

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual values are reasonable.

(ii) Intangibles

Internal technical and user team assess the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable. All Intangibles are carried at net book value on transition.

(iii) Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes. These estimates are most relevant to goodwill and other intangibles with indefinite useful lives recognised by the Company. The key assumptions used to determine the recoverable amount for the different CGUs, including a sensitivity analysis, are disclosed in notes to accounts.

(iv) Share based payments

Estimating fair value for share-based payment transactions requires determination of the most

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. For the measurement of the fair value of equity-settled transactions with employees at the grant date. The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in Note 33.

(v) Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds where remaining maturity of such bond correspond to expected term of defined benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries. Further details about gratuity obligations are given in Note 32.

(vi) Leases- Estimating the incremental borrowing rate

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The IBR therefore reflects what the Company 'would have to pay', which requires estimation when no observable rates are available. The Company estimates the IBR using observable inputs (such as market interest

rates) when available and is required to make certain entity-specific estimates.

(s) Recent accounting pronouncements

- (i) Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

Amendments to Ind AS 21 - Lack of exchangeability

On 09 May 2025, Ministry of Corporate Affairs (MCA) notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 01, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

> Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Noncurrent Liabilities with Covenants

In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or noncurrent. The amendments clarify:

- a) What is meant by a right to defer settlement
- b) That a right to defer must exist at the end of the reporting period
- c) That classification is unaffected by the likelihood that an entity will exercise its deferral right
- d) That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months. If there is a breach of a material covenant of a long-term loan arrangement on or before the end of the reporting period, resulting in the liability becoming payable on demand as at the reporting

Notes to the Standalone Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

date, and the lender agrees—after the reporting period but before the financial statements are approved for issue—not to demand repayment for at least 12 months as a consequence of the breach, this shall be treated as an adjusting event. Accordingly, the entity is not required to classify the liability as current. The amendments are effective for annual reporting periods beginning on or after 1 April 2025 retrospectively in accordance with Ind AS 8. The amendments do not have material impact on the Company's financial statements.

Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments

Disclosures, applicable w.e.f. April 01, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately

The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This

relief is immediate and applies retrospectively. The company has reviewed the amendment and based on its evaluation has determined that it does not have any impact on its financial statements.

(ii) Standards issued but not yet effective

Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Noncurrent Liabilities with Covenants

In accordance with Ind AS 1 currently applicable, breach of an immaterial covenant is ignored deciding in current vs. non-current classification of liabilities. Also, in case of breach of a material covenant of a noncurrent loan on or before the reporting date, the entity can obtain waiver from the lender after the reporting date and continue to classify the loan as non-current liability. In accordance with changes to Ind AS 1 already notified by the MCA, the above relaxations to classify loan as non-current liability will not be available from FY 2026- 27 onward and need to be applied retrospectively. Consequently

- i) A breach of either material or immaterial covenant will trigger current classification of liability.
- ii) To continue classifying loan as non-current liability, entities will need to obtain waiver from the breach on or before the reporting date. The Company is currently assessing the impact the amendments will have on its standalone financial statements

Notes to the Standalone Financial Statements

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

32 EMPLOYEE BENEFIT PLANS:

A) Defined contribution plans:

The Company makes contribution in the form of provident funds as considered defined contribution plans and contribution to Employees Provident Fund Organisation. The Company has no further payment obligations once the contributions have been paid. Following are the schemes covered under defined contributions plans of the Company:

Provident Fund Plan & Employee Pension Scheme: The Company makes monthly contributions at prescribed rates towards Employee Provident Fund and Employee Pension Scheme fund administered and managed by Ministry of Labour & Employment, Government of India.

Employee State Insurance: The Company makes prescribed monthly contributions towards Employees State Insurance Scheme and payment made to Employee State Insurance Corporation, Ministry of Labour & Employment, Government of India.

The Company has charged the following costs in contribution to Provident and Other Funds in the Statement of Profit and Loss:

Particulars	For the year ended	
	March 31, 2026	March 31, 2025
Company's contribution to Provident Fund	282.48	280.54
Administrative charges on above fund	13.38	10.93
Company's contribution to Employee State Insurance Scheme	12.92	16.23
	308.78	307.70

B) Defined Benefit Plans:

(i) The Company provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all company employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement termination of employment or death of an employee, based on the respective employees' salary and years of employment with the Company. The Company has other long-term employee benefits in the nature of leave encashment. The liability in respect of leave encashment is provided for on the basis of an actuarial valuation using the Projected Unit Credit Method."

(ii) Risk exposure

a) Risk to the beneficiary

The greatest risk to the beneficiary is that there are insufficient funds available to provide the promised benefits. This may be due to:

- The insufficient funds set aside, i.e. underfunding
- The insolvency of the Employer
- The holding of investments which are not matched to the liabilities
- A combination of these events

b) Risk Parameter

Actuarial valuation is done basis some assumptions like salary inflation, discount rate and withdrawal assumptions. In case the actual experience varies from the assumptions, fund may be insufficient to pay off the liabilities.

Similarly, reduction in discount rate in subsequent future years can increase the plan's liability. Further, actual withdrawals may be lower or higher than what was assumptions the valuation, may also impact the plan's liability.

c) Risk of illiquid Assets

Another risk is that the funds, although sufficient, are not available when they are required to finance the benefits. This may be due to assets being locked for longer period or in illiquid assets.

Notes to the Standalone Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

32 EMPLOYEE BENEFIT PLANS: (Contd..)

d) Risk of Benefit Change

There may be a risk that the benefit promised is changed or is changeable within the terms of the contract.

e) Asset liability mismatching risk

ALM risk arises due to a mismatch between assets and liabilities either due to liquidity or changes in interest rates or due to different duration.

(iii) Changes in defined benefit obligation

Particulars	Gratuity		Leave Encashment	
	For the year ended		For the year ended	
	March 31, 2026	March 31, 2025	March 31, 2026	March 31, 2025

(All Amounts are in Rupees lakhs, unless otherwise stated)

32 EMPLOYEE BENEFIT PLANS: (Contd..)

(viii) Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Gratuity		Leave Encashment	
	As at March 31, 2026	As at March 31, 2025	As at March 31, 2026	As at March 31, 2025
Changes in liability for 0.5% increase in discount rate	(37.25)	(38.22)	(12.93)	(16.53)
Changes in liability for 0.5% decrease in discount rate	40.52	41.76	13.96	18.06
Changes in liability for 1.00% increase in salary growth rate	70.35	72.48	27.17	35.41
Changes in liability for 1.00% decrease in salary growth rate	(63.12)	(64.47)	(23.86)	(30.40)
Changes in liability for 2.00% increase in withdrawal rate	(28.00)	(32.11)	(7.58)	(13.20)
Changes in liability for 2.00% decrease in withdrawal rate	36.09	41.57	9.68	17.67

(ix) The followings payments are expected contributions to the defined benefit plan in future years

Particulars	Gratuity		Leave Encashment	
	As at March 31, 2026	As at March 31, 2025	As at March 31, 2026	As at March 31, 2025
Within next 12 months	64.05	55.06	21.88	22.07
Between 2 to 5 years	181.82	155.15	150.15	82.32
Beyond 5 years	1,748.63	1,660.54	530.66	727.13

The average duration of the defined benefit plan obligation at the end of the reporting period is 12 years (March 31, 2025: 12 years)

The Plan assets are maintained with Life Insurance Corporation of India.

33 SHARE BASED PAYMENTS

During the year 2020-21, the Company has established PG Electroplast Employee Stock Option Scheme 2020 "ESOP 2020" and the same was approved at the general meeting of the Company held on 28th February 2021. The plan was set up so as to offer and grant, for the benefit of employees of the Company, who are eligible under "Securities and Exchange Board of India" (SEBI) (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999, option of the Company in one or more tranches, and on such terms and conditions as may be fixed or determined by the board, in accordance with the law or guidelines issued by the relevant authorities in this regard;

As per the plan, each option is exercisable for one equity share of face value of ₹ 1 each, at a price to be determined in accordance with ESOP 2020. ESOP information is given for the number of shares.

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

33 SHARE BASED PAYMENTS (Contd..)

(i) Set out below is a summary of options granted and vested during the year under the plan

Summary of Stock Options	March 31, 2026		March 31, 2025	
	Number of Stock Options	Weighted average exercise price per share option	Number of Stock Options	Weighted average exercise price per share option
Options outstanding at the beginning of the year	6,269,000	173	5,941,000	110
Options granted during the year	-	-	1,964,000	277
Options vested and exercised during the year	(2,249,000)	74	(1,371,990)	66
Options lapsed during the year	(487,500)	490	(264,010)	88
Options outstanding at the end of the year	3,532,500		6,269,000	

(ii) Share options outstanding at the end of the year have the following expiry dates and exercise price:

- iii) The following is the carrying value lease liability and movement thereof;

Particulars	Amount
Balance as at April 1, 2024	995.39
Addition during the year	88.01
Finance cost accrued during the year	87.92
Payment of lease liabilities including interest	(185.99)
Balance as at March 31, 2025	985.34
Addition during the year	68.94
Finance cost accrued during the year	83.24
Payment of lease liabilities including interest	(199.60)
Balance as at March 31, 2026	937.92

Particulars	As at March 31, 2026	As at March 31, 2025
Current maturity of lease liability	152.38	99.40
Non-current lease liability	785.54	885.94
	937.92	985.34

- iv) The maturity of lease liabilities are disclosed in note 37.
- v) Amounts recognised in the statement of profit and loss during the year

Particulars	Note	For the year ended	
		March 31, 2026	March 31, 2025
Depreciation charge of right-of-use assets	3	172.30	161.65
Finance cost accrued during the year (included in finance cost)	27	83.24	87.92
Expense related to short term leases (included in other expense)	29	602.33	210.65

- vi) The Company has applied a single discount rate to a portfolio of leases of a similar assets in similar economic environment with similar end date.

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

35 FAIR VALUE MEASUREMENT

The following table provides categorisation of all financial instruments with comparison of the carrying amount and fair value except non current investments in subsidiaries which are carried at cost.

Particulars	As at March 31, 2026		As at March 31, 2025	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets at amortised cost				
Cash and bank balances	1,145.39	1,145.39	2,952.62	2,952.62
Bank balances other than cash and cash equivalents	16,833.12	16833.12	78,061.99	78,061.99
Trade receivables	28,661.74	28661.74	26,413.23	26,413.23
Loans (current)	6,173.58	6173.58	14,936.51	14,936.51
Other financial assets (Non Current)	462.42	462.42	489.82	489.82
Other financial assets (Current)	3,914.86	3914.86	4,472.90	4,472.90
Financial Assets at FVTPL				
Investment in mutual funds	111.99	111.99	116.16	116.16
Investment in equity shares	34.52	34.52	93.40	93.40
Financial liabilities at amortised cost				
Borrowings (Non current)	602.45	602.45	1,003.83	1,003.83
Borrowings (Current)	5,924.92	5924.92	2,481.95	2,481.95
Trade Payable	20,820.73	20820.73	20,193.11	20,193.11
Other financial liabilities (Non current)	102.75	102.75	145.57	145.57
Other financial liabilities (Current)	2,771.95	2771.95	2,394.80	2,394.80

The management assessed that cash and cash equivalents, trade receivables, trade payables, other current financial assets and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments

35.1 FAIR VALUE HIERARCHY

i) The Company uses the following hierarchy for fair value measurement of the company's financial assets and liabilities:

Level 1: Quoted prices/NAV (unadjusted) in active markets for identical assets and liabilities at the measurement date.

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

	Carrying Value March 31, 2026	Fair Value		
		Level 1	Level 2	Level 3
Assets at fair Value				
Fair Value through Profit & Loss				
Investment in mutual funds	111.99	111.99	-	-
Investment in equity shares	34.52	-	-	34.52
Fair Value through amortised cost				
Loan	6,173.58	-	-	6,173.58
Trade Receivables	28,661.74	-	-	28,661.74
Other Financial Assets (Non Current)	462.42	-	-	462.42
Other Financial Assets (Current)	3,914.86	-	-	3,914.86
Liability at fair Value				
Fair Value through amortised cost				
Borrowings (Non Current)	602.45	-	-	602.45
Borrowings (Current)	5,924.92	-	-	5,924.92
Trade Payables	20,820.73	-	-	20,820.73
Other Financial Liabilities (Non Current)	102.75	-	-	102.75
Other Financial Liabilities (Current)	2,771.95	-	-	2,771.95

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

35 FAIR VALUE MEASUREMENT (Contd..)

	Carrying Value March 31, 2025	Fair Value		
		Level 1	Level 2	Level 3
Assets at fair Value				
Fair Value through Profit & Loss				
Investment in mutual funds	116.16	116.16	-	-
Investment in equity shares	93.40	-	-	93.40
Fair Value through amortised cost				
Loan	14,936.51	-	-	14,936.51
Trade Receivables	26,413.23	-	-	26,413.23
Other Financial Assets (Non Current)	489.82	-	-	489.82
Other Financial Assets (Current)	4,472.90	-	-	4,472.90
Liability at fair Value				
Fair Value through amortised cost				
Borrowings (Non Current)	1,003.83	-	-	1,003.83
Borrowings (Current)	2,481.95	-	-	2,481.95
Trade Payables	20,193.11	-	-	20,193.11
Other Financial Liabilites (Non Current)	145.57	-	-	145.57
Other Financial Liabilites (Current)	2,394.80	-	-	2,394.80

There are no transfers among levels 1, 2 and 3 during the year.

ii) Fair valuation techniques

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate the fair values:

- 1) Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.
- 2) Borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values.

36 RELATED PARTY DISCLOSURE

Pursuant to compliance of Indian Accounting Standard (IND AS) 24 "Related Party Disclosures", the relevant information is provided here below:

Related Parties where control exists

a) Wholly owned subsidiary company

PG Technoplast Private Limited

PG Plastronics Private Limited

b) Step- down Subsidiary

Next Generation Manufacturers Private Limited - Wholly owned subsidiary company of PG Techno last Private Limited

c) Joint Venture

Goodworth Electronics Private Limited

Goodworth Appliance Private Limited w.e.f. January 27, 2025 *

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

36 RELATED PARTY DISCLOSURE (Contd..)

Goodworth Optima Private Limited w.e.f. January 30, 2025*

Goodworth Innovation Private Limited w.e.f. January 30, 2025*

Goodworth Gadgets Private Limited w.e.f. January 30, 2025*

* Subsidiaries of Joint Venture

d) Other related parties with whom transactions have taken place during the year

Key Management Personnel

Mr. Vishal Gupta (Executive Director)

Mr. Vikas Gupta (Executive Director)

Mr. Anurag Gupta (Executive Director)

Mr. Ram Dayal Modi (Non-Executive - Independent Director)

i) Terms & Conditions

- Remuneration does not include the provision made for gratuity and leave benefits, as they are determined on an actuarial basis for the Company as a whole. Based on the recommendation of the Nomination and remuneration committee, all decisions relating to the remuneration of the KMPs are taken by the Board of Directors of the Company, in accordance with shareholders approval, wherever necessary.
- All Transactions entered with related parties defined under the Companies Act, 2013 during the year based on the terms that would be available to third parties. All other transactions were made in the ordinary course of business and at arm's length price.
- All outstanding balances are unsecured and are repayable in cash.

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

37 FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company's principal financial assets comprise trade and other receivables and cash and cash equivalent that arise directly from its operations.

The Company's activities expose it mainly to market risk, liquidity risk and credit risk. The monitoring and management of such risks is undertaken by the senior management of the Company and there are appropriate policies and procedures in place through which such financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company policy not to carry out any trading in derivative for speculative purposes.

A) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: interest rate risk, currency rate risk and other price risks, such as equity price risk and commodity price risk.

(i) Interest rate risk

Most of the borrowings availed by the Company are subject to interest on floating rate of basis linked to the base rate or MCLR (marginal cost of funds based lending rate). In view of the fact that the total borrowings of the Company are quite substantial, the Company is exposed to interest rate risk.

The above strategy of the Company to opt for floating interest rates is helpful in declining interest scenario. Further, most of the loans and borrowings have a prepayment clause through which the loans could be prepaid with pre payment premium. The said clause helps the Company to arrange debt substitution to bring down the interest costs or to prepay the loans out of the surplus funds held. While adverse interest rate fluctuations could increase the finance cost, the total impact, in respect of borrowings on floating interest rate basis.

Particulars	As at March 31, 2026	As at March 31, 2025
Fixed Rate Borrowing	1,596.05	1,347.81
Variable Rate Borrowing	4,931.32	2,137.97
Total Borrowing	6,527.36	3,485.78

Interest rate sensitivity of borrowings

With all other variable held constant, the following table demonstrates the sensitivity to a reasonably possible change in interest rates on floating rate portion of loans and borrowings as on date.

Currency	March 31, 2026		March 31, 2025	
	Increase/ decrease in base points	Impact on profit before tax an equity	Increase/ decrease in base points	Impact on profit before tax an equity
Term Loan	+0.50	(0.10)	+0.50	(0.37)
	-0.50	0.10	-0.50	0.37

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

37 FINANCIAL RISK MANAGEMENT (Contd..)

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in foreign currency). The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

The Company's exposure to foreign currency risk at the end of the reporting period expressed in ₹ are as follows;

Currency	March 31, 2026		March 31, 2025	
	Foreign Currency	Indian Rupee	Foreign Currency	Indian Rupee
Financial liabilities				
Trade payables				
USD	39.35	3775.78	32.18	2688.36
CNY	83.05	1190.54	56.44	655.01
Net exposure to foreign currency risk (liabilities)	122.42	4,966.32	88.63	3,343.37

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arise mainly from foreign currency denominated financial instruments.

Currency	Impact on Profit and Loss for the year ended March 31, 2026		Impact on Profit and Loss for the year ended March 31, 2025	
	Gain/(Loss) on increase	Gain/(Loss) on decrease	Gain/(Loss) on increase	Gain/(Loss) on decrease
1% appreciation / depreciation in Indian Rupees against following foreign currencies				
Trade payables				
USD & CNY	49.66	(49.66)	(33.43)	33.43
Total	49.66	(49.66)	(33.43)	33.43

(iii) Commodity price risk

Commodity price risk is the risk that future cash flow of the Company will fluctuate on account of changes in market price of key raw materials. The Company is exposed to the movement in the price of key raw materials in domestic and international markets. The Company has in place policies to manage exposure to fluctuation in the prices of the key raw materials used in operations.

B) Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price.

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

37 FINANCIAL RISK MANAGEMENT (Contd..)

The Company uses liquidity forecast tools to manage its liquidity. The Company is able to organise liquidity through own funds and through working capital loans. The Company has good relationship with its lenders, as a result of which it does not experience any difficulty in arranging funds from its lenders. Table here under provides the current ratio of the Company as at the year end.

Particulars	As at March 31, 2026	As at March 31, 2025
Total current assets	76,302.57	142,241.15
Total current liabilities	30,680.66	26,891.55
Current ratio	2.49	5.29

Maturities analysis of financial liabilities:

The table below provides details regarding the contractual maturity of financial liabilities :

Particulars	on demand	< 1 year	1-3 year	3-5 year	More than -5 years	Total
As at March 31, 2026						
Borrowings	3,890.05	2,034.77	309.34	293.10	-	6,527.26
Trade payable	-	20,820.73	-	-	-	20,820.73
Other financial liabilities	-	2,771.95	63.21	35.89	3.64	2,874.70
Lease liabilities (undiscounted)	-	226.26	355.54	369.69	254.67	1,206.15
	3,890.05	25,853.70	728.10	698.68	258.31	31,428.84

Particulars	on demand	< 1 year	1-3 year	3-5 year	More than -5 years	Total
As at March 31, 2025						
Borrowings	1,350.21	1,131.74	736.37	267.46	-	3,485.78
Trade payable	-	20,193.11	-	-	-	20,193.11
Other financial liabilities	-	2,394.80	-	145.57	-	2,540.37
Lease liabilities (undiscounted)	-	179.36	361.03	345.14	443.60	1,329.13
	1,350.21	23,899.01	1,097.40	758.17	443.60	27,548.39

C) Credit Risk

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities, primarily trade receivables. The credit risks in respect of deposits with the banks, foreign exchange transactions and other financial instruments are only nominal.

The customer credit risk is managed subject to the Company's established policy, procedure and controls relating to customer credit risk management. In order to contain the business risk, prior to acceptance of an order from a customer, the creditworthiness of the customer is ensured through scrutiny of its financials, if required, market reports and reference checks. The Company remains vigilant and regularly assesses the financial position of customers during execution of contracts with a view to limit risks of delays and default. Further, in most of the cases, the Company normally allow credit period of 30-90 days to all customers which vary from customer to customer except mould & dies business. In case of mould & dies business, advance payment is taken before start of execution of the order. In view of the industry practice and being in a position to prescribe the desired commercial terms, credit risks from receivables are well contained on an overall basis.

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

37 FINANCIAL RISK MANAGEMENT (Contd..)

The impairment analysis is performed on each reporting period on individual basis for major customers. Some trade receivables are grouped and assessed for impairment collectively. The calculation is based on historical data of losses, current conditions and forecasts and future economic conditions. The Company's maximum exposure to credit risk at the reporting date is the carrying amount of each financial asset.

The trade receivables position is provided here below:

Particulars	As at March 31, 2026	As at March 31, 2025
Total receivables (note 5)	28,661.74	26,413.23
Receivables individually in excess of 10% of the total receivables	11,483.30	11,628.84
Percentage of above receivables to the total receivables of the Company	40.06%	44.03%

Trade receivables (net off allowances)

Particulars	Not due	Less than 6 Month	6 Month to 1 year	1-2 years	2-3 years	More than 3 years	Total
As on March 31, 2026	-	25,625.90	1,608.37	1,379.42	-	48.05	28,661.74
As on March 31, 2025	-	26,126.05	170.36	50.40	66.42	-	26,413.23

Movement in the impairment allowance:

Particulars	As at March 31, 2026	As at March 31, 2025
Balance at the beginning of the year	89.01	-
Add: Expected credit loss allowance (Refer note 29)	66.99	89.01
Less : Balance written off	-	-
Balance at the end of the year	155.99	89.01

38 SEGMENT INFORMATION

Operating segment are defined as components of the Company about which separate financial information is available that is evaluated regularly by the chief operating decision-maker, or decision- making company, in deciding how to allocate resources and in assessing performance. The Company primarily operates in one business segment- Consumer Electronic Goods and Components.

Information about major customers

During the years ended March 31, 2026 and March 31, 2025, the Company derived revenue from two external customers, each of whom individually accounted for 10% or more of the Company's total revenue from operations. The aggregate revenue from these customers amounted to INR 48,171.91 lakhs and previous year INR 41,388.45 lakhs, respectively.

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

39 CAPITAL MANAGEMENT

For the purpose of Capital Management, Capital includes net debt and total equity of the Company. The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Particulars	As at March 31, 2026	As at March 31, 2025
Non-current borrowings (note 15)	602.45	1,003.83
Current borrowings (note 15)	5,275.39	2,138.29
Current maturities of long term borrowings (note 15)	649.53	343.67
Total debts	6,527.44	3,485.79
Less: Cash and cash equivalent (note 12(a))	1,145.39	2,952.62

*Total equity (Refer note 13 & note 14) (B)	267,838.32	253,130.14
Capital and net debt (A+ B)	273,220.37	253,663.31
Gearing ratio (A/B)	1.97%	0.21%

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2026 and March 31, 2025.

40 CONTINGENCIES AND COMMITMENTS

a) Contingent Liabilities (to the extend not provided for)

Particulars	As at March 31, 2026	As at March 31, 2025
Claims against the company not acknowledged as debts (excluding interest & penalty)		
- Central Excise (FY 2008-09 to 2011-12)	765.73	765.73
- Anti-Dumping duty on Import	738.54	738.54
- Claims by third party	200.52	45.75
	1,704.79	1,550.02

- (i) Excise department has issued show cause notice dated December 22, 2011 for ₹ 765.73 in respect of CTV sold to ELCOT, Tamil Nadu (a Govt. of Tamil Nadu undertaking) during the period February 2009 to October 2011 for free distribution by the state Govt. to poor section of the people by paying excise duty on the basis of value determined under section 4A instead of determining the value under section 4 of the Central Excise Act, 1944. The department has the contention that sale is institutional sale & valuation based on MRP under Section 4A is not applicable to the sale to ELCOT. The appeal made by the Company was allowed by the CESTAT, New Delhi vide order dated March 12, 2014. However, the excise department has filed the appeal with Supreme Court, which has been admitted by the Supreme Court on January 5, 2015 by condoning the delay in filing the appeal. This matter was last time listed on January 2, 2017. However, the Excise department filed an Interlocutory Application seeking early hearing of the appeal on July 11, 2022. The Hon'ble Chief Justice found no merit in the Interlocutory Application and accordingly, rejected the application filed by the Excise Department. The matter is pending for Final Hearing. The matter is next listed on June 18, 2026.
- (ii) Directorate of Revenue Intelligence (DRI) had conducted a search on the factory premises of the Company and the residence of the Promoters on March 8, 2011. The Company has deposited ₹ 145 lakhs as anti-dumping duty on import of CPT during the period from May 2010 to December 2010, which is refunded later on. A show cause notice dated

Notes to the Standalone Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

40 CONTINGENCIES AND COMMITMENTS

May 29, 2015 has been issued on the Company and raised the demand of Anti-Dumping Duty worth ₹ 738.54 lakhs along with interest and penalty. The Principal Commissioner of custom has passed an order dated February 28, 2017, confirming the demand of ₹ 738.54 lakhs along with interest & penalty. The Company has filed an appeal before CESTAT, Allahabad Bench on June 1, 2017. The CESTAT vide its order dated June 18, 2019 has allowed the appeal in favour of the Company and refunded the deposited amount and set aside the order passed by Principal Commissioner of customs, Noida. However, the Department has filed a Civil Appeal (No. 6544/2020) against the aforesaid Final order of CESTAT, Allahabad dated June 18, 2019. But till date no hearing has been held at Hon'ble Supreme Court and no stay has been granted to the Department. The matter was last listed on November 25, 2025. The case is put up for final arguments on July 21, 2026.

- (iii) Notice for Recovery: The Company received a Notice under the jurisdiction of West District, Tis Hazari Court, Delhi from M/s Polyblends (India) Pvt. Ltd for recovery of outstanding amount of ₹ 43,70,501.19/- with respect to purchase of plastic raw material and plastic filled compounds. The authorised representative appeared on behalf of the Company on May 20, 2022 before the Hon'ble Court. The Hon'ble Court directed the Company to file written statements. The Company filed the written statements. The pleadings in this case were completed. After several hearings, the Hon'ble Court vide order dated August 05, 2023 announced the judgement in favour of the Company and disposed the case. The appellant aggrieved by the order filed an appeal to the Hon'ble Delhi High Court (RFA(COMM)252/2023). The matter was last listed on May 21, 2026. The next date of the hearing not yet announced.
- (iv) Notice for Recovery: The Company received a Notice under the jurisdiction of West District, Tis Hazari Court, Delhi from M/s Niyati Industries through Mr. Vijay Jain for recovery of outstanding amount of ₹ 2,04,980.39/- with respect to job work of re-enforced (Polystyrene) of plastic raw materials. The authorised representative appeared on behalf of the Company on May 12, 2022 before the Hon'ble Court and filed the written statements. Replication has been filed on behalf of the plaintiff on July 23, 2022. The pleadings in this case were complete and issues were framed. After several hearings, the Hon'ble Court vide order dated January 29, 2024 announced the judgement against the Company and disposed the case. The Company aggrieved by the order filed an appeal to the Hon'ble District and Sessions Judge, West, THC (RCA DJ/35/2024). The matter was last listed on May 26, 2026. The case is put up for final arguments on July 20, 2026.
- (v) Notice for Recovery: The Company has received a civil suit filed by M/s Maurya Mould Industries before the Court of the Civil Judge, Noida, Gautam Budh Nagar, seeking recovery of ₹ 1,54,76,226 towards the alleged cost of repair and restoration of premises damaged due to a fire incident. The Company has filed its written statement in the matter, and the proceedings are currently pending before the Hon'ble Court. The matter was last listed on May 18, 2026. The next date of the hearing not yet announced.
- (vi) Company has given corporate guarantee to banks for borrowings taken by its wholly owned subsidiary (i.e PG Technoplast Private Limited), Step down subsidiary (i.e. Next Generation Manufacturing Electronocs Private Limited) and 50:50 Joint Venture (i.e. Goodworth Eletronics Private Limited)

The Company has accounting software used for the creation and maintenance of its books of account. The audit trail (edit log) feature including the system-level database logs in the said software are enabled and remained operational throughout the financial year for all relevant transactions. Based on the Company's internal assessment, there has been no instance of the audit trail feature being tampered with during the year.

44 EVENTS AFTER BALANCE SHEET DATE

No adjusting or significant non- adjusting events have occurred between the reporting date and date of approval for issuance of these standalone financial statements, except given in note 49(i) of the standalone financial statements.

45 FINANCIAL RATIOS

Ratio	Numerator	Denominator	As at March 31, 2026	As at March 31, 2025	% change	Remarks
Current Ratio	Current assets	Current liabilities	2.49	5.30	-53%	Note: 1
Debt-Equity Ratio	Total debt = Long term borrowings including current maturities + current borrowings	Shareholders equity	0.02	0.01	77%	Note: 2
Debt Service Coverage Ratio	Earnings available for debt service = Profit after tax + finance costs + depreciation and amortisation expense	Debt service = Interest & Lease Payments + Principal Repayments	8.64	2.46	250%	Note-3
Return on Equity Ratio	Net profits after taxes	Average shareholders equity	4.79%	4.88%	-2%	Not Reportable
Inventory Turnover Ratio	Cost of Goods Sold (Cost of Material Consumed + Purchases of stock-in-trade of traded goods+ Changes in Inventory) or Sale	Average Inventories of Finished Goods, stock-in-process and stock-in-trade	9.29	10.21	-9%	Not Reportable

Notes to the Standalone Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

45 FINANCIAL RATIOS (Contd..)

Ratio	Numerator	Denominator	As at March 31, 2026	As at March 31, 2025	% change	Remarks
Trade Receivables turnover Ratio	Revenue from sale of products and services	Average accounts receivable	5.21	6.79	-23%	Not Reportable
Trade Payable turnover Ratio	Purchases of goods = Purchase of raw materials included in cost of raw materials consumed + Purchases of stock in trade	Average trade payables	5.66	6.04	-6%	Not Reportable
Net Capital turnover Ratio	Revenue from sale of products and services	Working capital = Current assets - Current liabilities	3.14	1.29	144%	Note: 4
Net Profit Ratio	Net profit after tax	Revenue from operations	8.62%	5.70%	51%	Note: 5
Return on capital employed	Earning before interest and taxes	Capital employed = Net worth + Total debt + Deferred tax liability	5.06%	4.77%	6%	Not Reportable
Return on Investment-	Interest (finance income)	Investment	8.49%	7.83%	8%	Not Reportable

Note: 1: The decrease in the Current Ratio is mainly due to surplus fund kept in FDR was utilised for repayment of borrowings & capital investments.

Note: 2: The increase in the debt-equity ratio is mainly on account of increased utilisation of working capital limits and bill discounting facilities.

Note: 3: The debt service coverage ratio improved during the year mainly due to an increase in earnings available for debt service.

Note: 4: The net capital turnover ratio increased during the year primarily due to a proportionate reduction in working capital.

Note: 5: The improvement in net profit margin during the year is primarily attributable to the Company's strategic shift towards a higher proportion of high-margin products in its sales mix.

	Debtors	June 30, 2025	964.27	1,099.38	-
	Creditors-Trade & LC creditors	June 30, 2025	(630.08)	(681.64)	51.56
	Net Total	June 30, 2025	928.35	902.14	26.21

Note for discrepancies

- The difference in inventory is due to goods in transit included in books of accounts which is not considered in DP statements filled with bankers.
- The difference in creditors is due to Letter of credit taken in books of account on the basis of LC open with banks but in DP statements are taken on basis of acceptances.
- The difference in debtors is due to group company & joint ventures debtors are excluded in DP statements filled with bankers.
- The Company has taken DP unit wise, hence, the figures may not directly link or get tallied with the financial statements.

Independent Auditor's Report

To the Members of **PG Electroplast Limited**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **PG Electroplast Limited** (hereinafter referred to as (the "Company" or "the Holding Company") and its subsidiaries/step-down subsidiary (the Holding Company and its subsidiaries/step-down subsidiary together referred to as "the Group"), its controlled entity and joint venture along with its subsidiaries ("Jointly Controlled entities"), which comprises the consolidated balance sheet as at March 31, 2026, and the consolidated statement of profit and loss (including consolidated other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate/consolidated financial statements of such subsidiaries including step-down subsidiary, controlled entity and Jointly Controlled entities referred to in the other matter section below, as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard prescribed under section 133 of the Act ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its controlled entity and Jointly Controlled entities as at March 31, 2026, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its controlled entity and Jointly Controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in 'Other Matters' paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended March 31, 2026. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in Auditor's responsibilities for the audit of consolidated financial statements section of our report, including in relation to these matters.

Key audit matters	How our audit addressed the key audit matter
Revenue Recognition Revenue from the sale of goods (hereinafter referred to as "Revenue") is recognized when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer.	Our procedures included; - Evaluating the integrity of the general information and technology control environment and testing the operating effectiveness of key IT application controls. - Evaluating the design and implementation of Company's controls in respect of revenue recognition. - Testing the effectiveness of such controls over revenue cut off at year-end.

Key audit matters	How our audit addressed the key audit matter
The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance.	- Testing the supporting documentation for sales transactions recorded during the period closer to the year end and subsequent to the year end, including examination of credit notes issued after the year end to determine whether revenue was recognized in the correct period. - Performing analytical procedures on current year revenue based on monthly trends and where appropriate, conducting further enquiries and testing. - Assessing the appropriateness of the Company's revenue recognition accounting policies in line with IND AS 115 ("Revenue from Contracts with Customers") and testing thereof.
Accounting for Government Grants	
The Company has various grants and subsidies receivable from the State Governments of respective plant locations	Our audit procedures included, amongst others: - Examining that the recognition of grants / subsidies is in accordance with Ind AS 20 by making a reference to the conditions for such grants in the scheme documents of the respective state Governments and checking the due evidence of fulfilment of such conditions by the Company - Verifying the correspondence between the Company and relevant Government authorities to assess the recoverability of grants / subsidies already recognized.

The following key audit matters included in the audit report dated May 12, 2026, containing an unmodified audit opinion on the Consolidated Financial Statement PG Technoplast Private Limited (PGTL), a wholly owned subsidiary of the Company issued by their independent auditors is reproduced by us as under :

Key audit matters	How our audit addressed the key audit matters
Capitalization and useful life of Property, Plant & Equipment and Intangible asset	
During the year, the subsidiary Company has incurred significant capital expenditure on various on-going project, resulting in capital work-in-progress increasing substantially from Rs. 73.35 crores to Rs. 323.58 crores during the year and capital commitments increasing from Rs. 46.26 crore to Rs. 213.00 crore, in addition to intangible assets under development. Management Judgement is required to determine whether the criteria for capitalization under Ind AS 16 (Property Plant and Equipment) and Ind AS 38 (Intangible Asset) have been met, including the determination of when assets are ready for their intended use.	The audit procedures applied by the component auditor of the component included and were not limited to the following: - Assessing the design and operating effectiveness of the control over capital expenditure and capitalization processes. - Testing a samples of additions to property, plant and equipment, intangible asset and capital work-in-progress to verify the compliance with the recognition criteria under Ind AS 16 and Ind AS 38. - Reviewing management's assessments of the useful lives of assets and testing the reasonableness of assumptions used. - Verifying the appropriateness of the transfer of assets from capital work-in-progress to fixed assets when they were ready for intended use. - Evaluating the adequacy of disclosures in the financial statements
Revenue Recognition	
a) Revenue from the sale of goods is recognised in the income statement when the significant risks and rewards of ownership have been transferred to the buyer, which is typically upon delivery of the product in accordance with agreed delivery terms. b) Revenue from the sale of services is recognised when the service is rendered to the customer.	The audit procedures applied by the component auditor of the component included and were not limited to the following: - Evaluation of the design and operating effectiveness of internal control activities over revenue recognition. - Testing of samples of sales transactions to verify compliance with the Company's accounting policies and Ind AS 115.

Key audit matters	How our audit addressed the key audit matters
c) The risk for revenue being recognised in an incorrect period is significant due to the financial significance of net sales, which increased significantly during the year with a corresponding rise in trade receivables and contract liabilities (advances from customers), and the complexity of revenue recognition under Ind AS 115 (Revenue from contract with Customers).	- Performing cut-off testing to ensure that revenue transactions around the year-end were recorded in the correct period. - Testing of accounts receivable by obtaining confirmations from the Company's customers and by reconciling cash payments received after the year end against the accounts receivable balances. Assessing the adequacy of disclosures in the financial statements in accordance with Ind AS 115.
Incentive Scheme	
a) The subsidiary company has been operating facilities at various location and is eligible incentive scheme under (i) the Production Linked Incentive (PLI) scheme for white goods of the Central Government, and (ii) the Package Scheme of Incentive (PSI), 2019 of the Government of Maharashtra, in respect of its expansion investment. The subsidiary company is required to fulfil the condition mentioned in the notification /pertaining to each scheme for eligibility of incentive.	The audit procedures applied by the component auditor of the component included and were not limited to the following: - We have examined the processes and controls related to recognition and measurement of incentive income. In this connection, we have: - Reviewed Government scheme and policy relating to the incentive. - Examined registration for the scheme, subsequent departmental order and regulations issued from time to time. - Checked the eligibility criteria including investment made by the Company. - Performed substantive procedures for calculation of eligible amount of incentive and the claims made by the Company, including evaluating the appropriateness of recognizing incentive income on the basis of in-principle approval received under the PSI, 2019 scheme and the adequacy of related disclosures.
b) The management applies significant judgement in recognizing incentive income, including judgement as to whether the recognition criteria under Ind AS 20 (Accounting for Government Grant) are met at the stage of in-principle approval by the granting authority, and the final determination of the claim accepted by authorities can be modified or delay. Given the increased complexity and magnitude of exposure this year, and the judgment involved, this continues to be a key audit matter.	

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the annual report but does not include the consolidated financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's and Board of Directors' Responsibility for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group, its controlled entity and Jointly Controlled entities in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

The respective Management and Board of Directors of the companies included in the Group, its controlled entity and Jointly Controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and

maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group, its controlled entity and Jointly Controlled entities are responsible for assessing the ability of each Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group, its controlled entity and Jointly Controlled entities are responsible for overseeing the financial reporting process of each Company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)

(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company, its subsidiaries, including step down subsidiary, its controlled entity and Jointly Controlled entities has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, its controlled entity and Jointly Controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group, its controlled entity and Jointly Controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in section titled 'Other Matters' in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a) We did not audit the financial statements of three subsidiaries including one step down subsidiary, whose financial statements reflects total assets (before consolidation adjustments) of Rs. 4,97,716.40 lakhs as at March 31, 2026, total revenue (before consolidation adjustment) of Rs. 3,95,618.77 lakhs, total net profit after tax (before consolidation adjustments) of Rs. 8,032.14 lakhs, total comprehensive income (before consolidation adjustments) of Rs. 8,072.68 lakhs and net cash outflow (before consolidation adjustment) of Rs. 2,974.70 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose report have been furnished to us by the Management of the Company and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries including step down subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries including one step-down subsidiary is based solely on the report of the other auditors.
- b) The consolidated financial statements also include the Group's share of profit (before consolidation adjustments) of Rs. 302.07 lakhs for the year ended March 31, 2026, in respect of Jointly Controlled entities (a joint venture with 4 subsidiaries). This financial statements and other financial information have been audited by other auditor whose audit report for the year ended March 31, 2026, have been furnished to us by the management, and our opinion on the consolidated financial statements, in so far as it relates to the amount and disclosures included in respect of these Jointly Controlled entities and our report in terms of sub-section (3) of Section 143 of the Act, insofar as it relates to the aforesaid Jointly Controlled entities, is based solely on the report of the other auditor.

- c) We did not audit the financial statements of one controlled entity, whose financial statements reflect total assets (before consolidated adjustments) of Rs. 0.03 lakhs as at March 31, 2026, total revenue (before consolidation adjustments) of Rs. Nil, total net loss after tax (before consolidation adjustments) of Rs. (-) 0.24 lakhs and total comprehensive (income) (before consolidation adjustments) of Rs. (-) 0.24 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose report have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of controlled entity, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid controlled entity, is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 (the 'Order' or 'CARO'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiaries/Step-down subsidiary, controlled entity and Jointly Controlled entities, incorporated in India, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3(xxi) of the Order.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements of such subsidiaries/step-down subsidiary, controlled entity and Jointly Controlled entities as was audited by other auditor, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
 - c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated

statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e) On the basis of the written representations received from the directors of the Holding Company as on April 07, 2025 and April 03, 2026 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiaries including step-down subsidiary, and controlled entity and Jointly Controlled entities incorporated in India, none of the directors of the Group, its controlled entity and Jointly Controlled entities incorporated in India are disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
- f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014
- g) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Group, its controlled entity and Jointly Controlled entities and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to the Consolidated Financial Statements;
- h) In our opinion and according to the information and explanations given to us and based on the consideration of reports of the other statutory auditors of the Group, its controlled entity and and Jointly Controlled entities incorporated in India, the managerial remuneration for the year ended March 31, 2026 has been paid/provided by the Holding Company, its subsidiaries including step down subsidiary, its controlled entity and Jointly Controlled entities incorporated in India to their directors in accordance with the provision of section 197 read with schedule V of the Act;
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based

on the consideration of the report of the other auditor on separate financial statements of the subsidiaries including step down subsidiary, its joint venture and controlled entity as noted in the 'Other Matters' paragraph:

- i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group, its controlled entity and Jointly Controlled entities in its consolidated financial statements - Refer Note 40 to the consolidated financial statements.
- ii. The Group, and its controlled entity and Jointly Controlled entities did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group, its controlled entity and Jointly Controlled entities incorporated in India during the year ended March 31, 2026.
- iv. a) The respective managements of the Holding Company, its subsidiaries/ Step down subsidiaries, its controlled entity and Jointly Controlled entities incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries/Step-down subsidiary, controlled entity and Jointly Controlled entities respectively that, to the best of their knowledge and belief, other than as disclosed in Note 45(vi) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Holding Company or its subsidiaries/Step-down subsidiary or its controlled entity to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, or any such subsidiary companies/Subsidiaries/ including step-down subsidiary, joint venture or controlled entity or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

- b) The respective managements of the Holding Company, its subsidiaries/Step-down subsidiary, controlled entity and Jointly Controlled entities incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries/Step down subsidiaries respectively that, to the best of their knowledge and belief, other than as disclosed in the Note 45(vii) to the accompanying consolidated financial statements, no funds have been received by the Holding Company or its subsidiary/Step-down subsidiary Companies, its joint venture or its controlled entity from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Holding Company, or any such subsidiary/Step-down subsidiary companies, joint venture or controlled entity shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures performed by us and that performed by the auditors of the subsidiaries (including step down subsidiary), joint venture and controlled entity, as considered reasonable and appropriate in the circumstances, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the management representations under sub-clauses (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement..
- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent its applies to the payment of dividend.
- As stated in Note 48(i) to the Consolidated Financial Statements, the Board of Directors of the Holding Company has proposed final dividend for the current year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend. There is no dividend declared or paid during the year by the subsidiaries/ step down subsidiary, its controlled entity and Jointly Controlled entities incorporated in India.
- vi. Based on our examination which included test checks, performed by us on the Holding Company and on consideration of the report of the auditors of the subsidiaries including step down subsidiary, its controlled entity and Jointly Controlled entities, the Group has a widely used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective component auditors of the above referred subsidiaries including step-down subsidiary, controlled entity and Jointly Controlled entities, do not come across any instance of audit trail feature being tempered with in respect of the accounting software and the audit trail, has been preserved by the Holding Company, subsidiaries including step-down subsidiary, its controlled entity and Jointly Controlled entities as per the statutory requirements for record retention.

Annexure B

to the Independent Auditors' Report dated May 27, 2026 on the Consolidated Financial Statements of PG Electroplast Limited for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to the abovesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(g) of 'Report on Other Legal and Regulatory Requirements' section of our report even date.

Our reporting on the internal financial control with reference to consolidated financial statement is not applicable in respect of one controlled entity.

In conjunction with our audit of the consolidated financial statements of PG Electroplast Limited (hereinafter referred to as "the Company" or "Holding Company") as of and for the year ended March 31, 2026, we have audited the Internal Financial Controls over Financial Reporting of the Holding Company and its subsidiaries including step down subsidiary (the Holding Company and its subsidiaries including step down subsidiary together referred to as "the Group") and its Jointly Controlled entities incorporated in India, for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Management and Board of Directors of the Holding company, its subsidiary companies/Step-down subsidiary and its Jointly Controlled entities, to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is applicable, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the

extent applicable to an audit of internal financial controls with reference to the consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of such internal financial controls with reference to the consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditor of the relevant subsidiaries including step down subsidiary in terms of their report referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial controls with Reference to the Consolidated Financial Statements

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to the Consolidated Financial Statements

Because of the inherent limitations of internal financial Controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and based on the consideration of report of the other auditor on Internal financial controls with reference to the financial statements of the subsidiary company & Step down subsidiary companies and Jointly controlled entities, as audited by the other auditor, the Holding Company, its subsidiaries/step-down subsidiary company and Jointly Controlled entities, which are companies incorporated in India, have in all material respects, adequate internal financial

controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2026, based on the internal financial controls with reference to consolidated financial statements criteria established by the such companies considering the essential components of such internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statement in so far as it relates to three subsidiaries (including one step down subsidiary) and Jointly Controlled entities incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India. Our opinion is not modified in respect of this matter.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

1 CORPORATE INFORMATION

The consolidated financial statements comprise financial statements of PG Electroplast Limited ("the Parent group") and its subsidiaries (collectively, "the Group") for the year ended March 31, 2026. PG Electroplast Limited ("the Parent group") is a public group domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its equity shares are listed with the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). The registered office of the group is located at DTJ - 209, DLF Tower B, Jasola, New Delhi - 110025. The Group is an Electronic Manufacturing Services (EMS) provider for Original Equipment Manufacturers (OEMs) of consumer electronic products in India. The group manufactures and / or assemble a comprehensive range of consumer electronic components and finished products such as Kitchen Appliances, air conditioners (ACs) sub- assemblies, Air Cooler, Washing Machine, Mobile handsets, LED for third parties.

These consolidated financial statements were approved for issue in accordance with a resolution of directors on May 27, 2026.

2 SUMMARY OF MATERIAL ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation and presentation

(i) Compliance with Ind AS

These consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III). These consolidated financial statements are presented in INR and all values are rounded to the nearest lakhs, except when otherwise indicated.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis except for certain assets and liabilities (including derivative

instruments) that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 Inventories or value in use in Ind AS 36 Impairment of Assets.

(iii) The Group has prepared the consolidated financial statements on the basis that it will continue to operate as going concern.

(b) Basis of Consolidation

The consolidated financial statements comprises the financial statement of the PG Electroplast Limited ('the Parent company') and subsidiaries (collectively "the Group") as at March 31, 2026. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- (i) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- (ii) Exposure, or rights, to variable returns from its involvement with the investee, and
- (iii) The ability to use its power over the investee to affect its returns.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including

- (i) The contractual arrangement with the other vote holders of the investee
- (ii) Rights arising from other contractual arrangements
- (iii) The Group's voting rights and potential voting right
- (iv) The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on March 31. When the end of the reporting period of the parent company is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent company to enable the parent company to consolidate the

financial information of the subsidiary, unless it is impracticable to do so or there are no significant transaction or event between the date of those financial statement and date of financial statement of parent company.

(c) Consolidation Procedures - Subsidiary

- (i) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.
- (ii) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- (iii) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS - 12 "Income Taxes" applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for noncontrolling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the Group recognises the gain directly in equity as capital reserve, without routing the same through OCI."

(d) Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle"
- Held primarily for the purpose of trading"
- Expected to be realised within twelve months after the reporting period, or"
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period "

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle"
- It is held primarily for the purpose of trading"
- It is due to be settled within twelve months after the reporting period, or "
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification."

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

(e) Foreign currencies

(i) Functional and presentation currency

The consolidated financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency unless stated otherwise.

(ii) Transactions and balances

Transactions in foreign currencies are initially recorded by the Group's entities at their respective functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Group uses average rate if the average approximates the actual rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date."

(iii) Foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within exceptional items.

(iv) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

(f) Revenue recognition

Revenues from contract with customers is recognized when controls of the goods or services transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange of goods or services. Revenue

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

is stated net of Goods and Service tax and net of returns, trade allowances and discounts.

(i) Sale of goods

Revenue from sale of goods is recognized on transfer of control of goods to the customers, which is usually on dispatch of goods to customers premises.

Variable Consideration

The Group recognizes revenue from the sale of goods measured at the standalone selling price of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. If the consideration in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognized will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

(ii) Sale of services

Revenue from services represents the job work services and repairing of moulds performed by the Group for its customers, Revenue from services is recognized as per the terms of the contract with the customer over the period of time when the control of services is transferred to the customers.

(iii) Contract balance

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract assets are in the nature of unbilled receivables, which arises when Group satisfies a performance obligation but does not have an unconditional rights to consideration. A receivables represents the Group's right to an amount of consideration that is unconditional. Contract assets are subject to impairment assessment. Refer to accounting policies on impairment of financial assets in section (Financial instruments – initial recognition and subsequent measurement).

A contract liability is the obligation to transfer goods or services to a customer for which

the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Group performs under the contract (i.e., transfers control of the related goods or services to the customer).

A trade receivable is recognized if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section (Financial instruments – initial recognition and subsequent measurement).

(iv) Other Income

Other income comprise interest income, rental income, liabilities no longer required written back, refund of electricity duty, government incentive and others.

Interest income is accrued on a timely basis, by reference to the principal outstanding and recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the EIR, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

Rental income arising from operating lease is accounted on a straight line basis over the lease term.

In respect of others, Group recognized income when the right to receive is established.

(g) Government grants

Grants from the government are recognised where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

When the Group receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to statement of profit and loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

(h) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Income Tax expense for the year comprises of current tax and deferred tax.

(i) Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Group operates and generates taxable income.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group shall reflect the effect of uncertainty for each uncertain tax treatment by using either

most likely method or expected value method, depending on which method predicts better resolution of the treatment.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or direct in equity.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

period, to recover or settle the carrying amount of its assets and liabilities.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

(i) Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset."

Group as a lessee

The Group's lease asset classes primarily consist of leases for land and buildings. The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-Use assets (ROU)

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives

received. Right-of-use assets are depreciated on a straight-line basis over the lease term.

The Group classifies ROU assets as part of Property, plant and equipment in Balance Sheet and lease liability in "Financial Liability".

(ii) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Variable lease payments that depend on sales are recognized in profit or loss in the period in which the condition that triggers those payments occurs.

Notes to the Consolidated Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

(iii) Short term leases and leases of low-value of assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognized as expense on a straight-line basis over the lease term."

Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

(j) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(k) Earnings Per Share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split

(consolidation of shares) if any that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.

(l) Property, plant and equipment

Property, plant and equipment are tangible items that are held for use in the production or supply for goods and services, rental to others or for administrative purposes and are expected to be used during more than one period. The cost of an item of property, plant and equipment shall be recognised as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items and are net of recoverable taxes /duty. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met."

Each part of item of property, plant and equipment, if significant in relation to the total cost of the item, is depreciated separately. Further, parts of plant and equipment that are technically advised to be replaced at prescribed intervals/period of operation are depreciated separately based on their specific useful life provided these are of significant amounts commensurate with the size of the Group and scale of its operations. The carrying amount of any equipment accounted for as separate asset is derecognised when replaced.

Capital work- in- progress includes cost of property, plant and equipment under installation / under

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

development as at the balance sheet date. Capital work in progress is stated at cost, net of accumulated impairment loss, if any.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit or loss.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives.

Depreciation on Property, Plant & Equipment has been provided on Straight Line Method (SLM) based on the useful life of the assets prescribed in Schedule II of the Companies Act, 2013 except in respect of major plant & machinery, where useful life has been taken as 25 years, as technically assessed.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is not recorded on capital work in progress until construction and installation are complete and the assets is ready for its intended use.

(m) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Estimated useful lives of the intangible assets are as follows:

Assets	Estimated Useful Life
Computer Software	6 Years
Product Development	10 Years

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit or loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Group can demonstrate:

- the technical feasibility of completing the intangible asset so that the asset will be available for use or sale;
- its intention to complete and its ability and intention to use or sell the asset;
- how the asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the asset; and
- the ability to measure reliably the expenditure attributable to asset during its development.

The amount initially recognised for intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no intangible assets can be recognised, development expenditure is recognised in statement of profit or loss in the period in which it is incurred. Subsequent to initial recognition, such intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as of acquired intangible assets.

(n) Inventories

Inventories are valued at the lower of cost and net realisable value. However, materials and other items

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item-by-item basis

- (i) Inventories of raw materials, components, stores and spares are valued at lower of cost (net of recoverable taxes) and net realizable value. Cost for the purpose of valuation of such inventories is determined using the first-in, first-out (FIFO) method. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated cost necessary to make the sale.
- (ii) Finished goods and work-in-progress are valued at lower of cost and net realizable value. The cost of finished goods and work-in-progress includes raw material costs (net of recoverable taxes), direct cost of conversion and proportionate allocation of indirect costs incurred in bringing the inventories to their present location and condition.
- (iii) Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- (iv) The provision for inventory obsolescence is assessed regularly based on estimated usage and shelf life of inventory.
- (v) Change in accounting policy: During the year, the Company and one subsidiary has changed its method of inventory valuation from FIFO to Weighted Average Cost. The management believes that the Weighted Average Cost method provides more relevant and reliable information regarding the consumption pattern and valuation of inventories in the current operating environment and, accordingly, better reflects the financial position and performance of the respective entities. The impact of this change is a reduction of ₹489 lakhs in the current year's profit, which has been recognized in the consolidated statement of Profit and Loss.

(o) Provisions and Contingent liabilities, Contingent assets

(i) Provision

A provision is recognized when the Group has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Warranty Provision

Provision for warranty-related costs are recognized when the product is sold or service is provided to customer. Initial recognition is based on historical experience. The Group periodically reviews the adequacy of product warranties and adjust warranty percentage and warranty provisions for actual experience, if necessary.

(ii) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

(iii) Contingent assets

Contingent assets are not recognized. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

(p) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the undiscounted amounts expected to be paid when the liabilities are settled. The liabilities are presented as current benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

Other long-term employee benefits includes earned leaves, sick leaves and employee bonus.

Earned leaves

The liabilities for earned leaves are not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The benefits are discounted using the government bond yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit & loss. The obligations are presented as provisions in the balance sheet.

(iii) Post-employment obligations

The Group operates the following post employment schemes:

- defined benefit plan towards payment of gratuity; and
- defined contribution plans towards provident fund & employee pension scheme and employee state insurance.

Defined benefit plans

The Group provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement/termination of employment or death of an employee, based on the respective employees' salary and years of employment with the Group.

The liability or asset recognised in the balance sheet in respect of the defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The present value of the defined benefit obligation is determined using projected unit credit method by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation, with actuarial valuations being carried out at the end of each annual reporting period.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

Defined contribution plans

Defined contribution plans are retirement benefit plans under which the Group pays fixed contributions to separate entities (funds) or financial institutions or state managed benefit schemes. The Group has no further payment obligations once the contributions have been paid. The defined contributions plans are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

- **Provident Fund Plan & Employee Pension Scheme**

The Group makes monthly contributions at prescribed rates towards Employees' Provident Fund/ Employees' Pension Scheme to a Fund administered and managed by the Government of India.

- **Employee State Insurance**

The Group makes prescribed monthly contributions towards Employees' State Insurance Scheme.

- **Leave Encashment**

The Group has recognised liability for short term compensated absences on full cost basis with reference to unavailed earned leaves at the year end. To the extent, the compensated absences qualify as a long term benefit, the Group has provided for the long term liability at year end as per the actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising from adjustments and changes in actuarial assumptions are charged or credited to the Statement of profit and loss in the year in which such gains or losses arise.

(q) Share-based payment

Employees (including senior executives) of the Group receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions).

Equity Settled transactions

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. Further details are given in Note 33.

That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Group's best estimate of the number of equity instruments that will ultimately vest. Market performance conditions are reflected within the grant date fair value. Any other conditions attached to an award, but without an associated service requirement, are considered to be non-vesting conditions. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions.

No expense is recognised for awards that do not ultimately vest because non-market performance and/or service conditions have not been met. Where awards include a market or non-vesting condition, the transactions are treated as vested irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

When the terms of an equity-settled award are modified, the minimum expense recognised is the grant date fair value of the unmodified award, provided the original vesting terms of the award are met. An additional expense, measured as at the date of modification, is recognised for any modification

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

that increases the total fair value of the share-based payment transaction, or is otherwise beneficial to the employee. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through statement of profit or loss.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(r) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets

• Initial Recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial

assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

• Subsequent Measurement

• Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost which is held with objective to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

• Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

• Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

• Impairment of financial assets

The Group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. For impairment purposes significant

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

The Group recognises life-time expected losses for all trade receivables. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

The Group follows 'simplified approach' for the recognition of impairment loss allowance on trade and other receivables.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on life-time ECLs at each reporting date, right from its initial recognition.

The Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

(ii) Financial liabilities

• Initial Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

• Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

This is the category most relevant to the Group. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

- **Derecognition**

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition as per Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the group's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

- **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

- **Reclassification of financial assets**

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the group either begins or ceases to perform an activity that is significant to its operations. If the group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

(s) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

(t) Critical accounting estimates, assumptions and judgements

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Other disclosures relating to Group's exposure to risk and uncertainties includes;

Capital Management Note 39.

Financial risk management objective and policies Note 37.

Sensitivity analysis disclosures note 37.

Judgements

In the process of applying the Group's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated financial statements:

Determining the lease term of contracts with renewal and termination options – Group as lessee

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Group has several lease contracts that include extension and termination options. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

economic incentive for it to exercise either the renewal or termination. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation to the leased asset).

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(i) Property, plant and equipment

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual values are reasonable.

(ii) Intangibles

Internal technical and user team assess the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable. All Intangibles are carried at net book value on transition.

(iii) Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and

do not include restructuring activities that the Group is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes. These estimates are most relevant to goodwill and other intangibles with indefinite useful lives recognised by the Group. The key assumptions used to determine the recoverable amount for the different CGUs, including a sensitivity analysis, are disclosed in notes to accounts.

(iv) Share based payments

Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. For the measurement of the fair value of equity-settled transactions with employees at the grant date. The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in Note 33.

(v) Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds where remaining maturity of such bond correspond to expected term of defined benefit obligation.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries. Further details about gratuity obligations are given in Note 32."

(vi) Leases- Estimating the incremental borrowing rate

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The IBR therefore reflects what the Group 'would have to pay', which requires estimation when no observable rates are available. The Group estimates the IBR using observable inputs (such as market interest rates) when available and is required to make certain entity-specific estimates.

(u) Business Combinations

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary and business comprises the

- fair values of the assets transferred
- liabilities incurred to the former owners of the acquired business
- equity interests issued by the group
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

The excess of the:

- Consideration transferred

- Amount of any non-controlling interest in the acquired entity
- Acquisition-date fair value of any previous equity interest in the acquired entity

Over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

(v) Recent accounting pronouncements

- Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

Amendments to Ind AS 21 - Lack of exchangeability

On 09 May 2025, Ministry of Corporate Affairs (MCA) notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 01, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

- Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Noncurrent Liabilities with Covenants

In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or noncurrent. The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

- c) That classification is unaffected by the likelihood that an entity will exercise its deferral right
- d) That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification. In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months. If there is a breach of a material covenant of a long-term loan arrangement on or before the end of the reporting period, resulting in the liability becoming payable on demand as at the reporting date, and the lender agrees—after the reporting period but before the financial statements are approved for issue—not to demand repayment for at least 12 months as a consequence of the breach, this shall be treated as an adjusting event. Accordingly, the entity is not required to classify the liability as current. The amendments are effective for annual reporting periods beginning on or after 1 April 2025 retrospectively in accordance with Ind AS 8. The amendments do not have material impact on the Company's financial statements."

Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments

Disclosures, applicable w.e.f. April 01, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment

and based on its evaluation has determined that it does not have any significant impact in its financial statements.

Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately

The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The company has reviewed the amendment and based on its evaluation has determined that it does not have any impact on its financial statements.

(ii) Standards issued but not yet effective

Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Noncurrent Liabilities with Covenants

In accordance with Ind AS 1 currently applicable, breach of an immaterial covenant is ignored deciding in current vs. non-current classification of liabilities. Also, in case of breach of a material covenant of a noncurrent loan on or before the reporting date, the entity can obtain waiver from the lender after the reporting date and continue to classify the loan as non-current liability. In accordance with changes to Ind AS 1 already notified by the MCA, the above relaxations to classify loan as non-current liability will not be available from FY 2026- 27 onward and need to be applied retrospectively. Consequently

- i) A breach of either material or immaterial covenant will trigger current classification of liability.
- ii) To continue classifying loan as non-current liability, entities will need to obtain waiver from the breach on or before the reporting date.

The Company is currently assessing the impact the amendments will have on its standalone financial statements

Notes to the Consolidated Financial Statements

(i) Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

(ii) Retained earnings

Retained Earnings are profits that the Group has earned till date less transfer to other reserve, dividend or other distribution or transaction with shareholders.

(iii) Employee stock option reserve

The stock option outstanding account is used to recognise the grant date fair value of options issued to employees under Employee stock option plan.

(iv) Other comprehensive income

Other comprehensive income, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability are recognised immediately in the period in which they occur. They are then accumulated in a separate reserve named as "Other comprehensive income". These amounts are not reclassified to consolidated statement of profit and loss in subsequent years.

(v) Capital reserve

Capital reserve arrived from business combination

32 EMPLOYEE BENEFIT PLANS:

A) Defined Contribution Plans:

The Group makes contribution in the form of provident funds as considered defined contribution plans and contribution to Employees Provident Fund Organisation. The Group has no further payment obligations once the contributions have been paid. Following are the schemes covered under defined contributions plans of the Group:

Provident Fund Plan & Employee Pension Scheme: The Group makes monthly contributions at prescribed rates towards Employee Provident Fund and Employee Pension Scheme fund administered and managed by Ministry of Labour & Employment, Government of India.

Employee State Insurance: The Group makes prescribed monthly contributions towards Employees State Insurance Scheme and payment made to Employee State Insurance Corporation, Ministry of Labour & Employment, Government of India.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

32 EMPLOYEE BENEFIT PLANS: (Contd..)

The Group has charged the following costs in contribution to Provident and Other Funds in the Statement of Profit and Loss:

Particulars	For the year ended	
	March 31, 2026	March 31, 2025
Group's contribution to Provident Fund	666.28	531.62
Administrative charges on above fund	28.98	21.74
Group's contribution to Employee State Insurance Scheme	21.86	26.19
	717.13	579.55

B) Defined Benefit Plans:

- (i) The Group provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all group employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement termination of employment or death of an employee, based on the respective employees' salary and years of employment with the Group.

(ii) Risk exposure

a) Risk to the beneficiary

The greatest risk to the beneficiary is that there are insufficient funds available to provide the promised benefits. This may be due to:

- The insufficient funds set aside, i.e. underfunding
- The insolvency of the Employer
- The holding of investments which are not matched to the liabilities
- A combination of these events"

b) Risk Parameter

Actuarial valuation is done basis some assumptions like salary inflation, discount rate and withdrawal assumptions. In case the actual experience varies from the assumptions, fund may be insufficient to pay off the liabilities. Similarly, reduction in discount rate in subsequent future years can increase the plan's liability. Further, actual withdrawals may be lower or higher than what was assumptions the valuation, may also impact the plan's liability."

c) Risk of illiquid Assets

Another risk is that the funds, although sufficient, are not available when they are required to finance the benefits. This may be due to assets being locked for longer period or in illiquid assets.

d) Risk of Benefit Change

There may be a risk that the benefit promised is changed or is changeable within the terms of the contract.

e) Asset liability mismatching risk

ALM risk arises due to a mismatch between assets and liabilities either due to liquidity or changes in interest rates or due to different duration.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

Fair value of plan assets at the end of the year	705.33	570.56	-	-

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

32 EMPLOYEE BENEFIT PLANS: (Contd..)

(v) Amount recognised in balance sheet

Particulars	Gratuity		Leave Encashment	
	As at March 31, 2026	As at March 31, 2025	As at March 31, 2026	As at March 31, 2025
Defined benefit obligation at the end of the year	(1,321.11)	(1,128.47)	(689.09)	(599.48)
Fair value of plan assets at the end of the year	705.33	570.56	-	-
Recognised in the balance sheet	(615.78)	(557.91)	(689.09)	(599.48)
Current portion of above	(50.77)	(64.60)	(59.75)	(46.93)
Non Current portion of above	(565.01)	(493.31)	(629.34)	(552.55)

(vi) Expense recognised in the Statement of profit & loss

Particulars	Gratuity		Leave Encashment	
	For the year ended		For the year ended	
	March 31, 2026	March 31, 2025	March 31, 2026	March 31, 2025
Current service cost	281.37	252.04	219.71	191.85
Interest expense	77.07	63.25	40.85	31.03
Interest Income on plan assets	(38.68)	(34.10)	-	-
Remeasurement-Actuarial loss/(gain)			(84.87)	18.77
Components of defined benefit costs recognised in profit or loss	319.76	281.19	175.69	241.65
Remeasurement on the net defined benefit liability:				
Return on plan assets (excluding amount included in net interest expense)	(16.52)	14.31	-	-
Actuarial (gain)/ loss arising form changes in financial assumptions	(75.49)	52.10	-	-
Actuarial (gain) / loss arising form changes in demographic assumptions	-	0.00	-	-
Actuarial (gain) / loss arising form experience adjustments	(88.85)	(75.85)	-	-
Components of defined benefit costs recognised in other comprehensive income	(180.86)	(9.44)	-	-

(vii) The significant actuarial assumptions used for the purposes of the actuarial valuation were as follows:

Particulars	Gratuity		Leave Encashment	
	As at March 31, 2026	As at March 31, 2025	As at March 31, 2026	As at March 31, 2025
Discounting rate	7.30%	6.78%	7.30%	6.78%
Future salary growth rate	10.00%	10.00%	10.00%	10.00%
Life expectancy/ Mortality rate*	100% of IALM 2012-14	100% of IALM 2012-14	100% of IALM 2012-14	100% of IALM 2012-14
withdrawal rate	5.00%	5.00%	5.00%	5.00%
Method used	Projected unit credit Actuarial method	Projected unit credit Actuarial method	Projected unit credit Actuarial method	Projected unit credit Actuarial method

*Assumptions regarding future mortality are set based on actuarial advice in accordance with published statistics (i.e. IALM 2012-14 ultimate/PY-IALM 2012-14 ultimate). These assumptions translate into an average life expectancy in years at retirement age.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

32 EMPLOYEE BENEFIT PLANS: (Contd..)

(viii) Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Gratuity		Leave Encashment	
	As at March 31, 2026	As at March 31, 2025	As at March 31, 2026	As at March 31, 2025
Changes in liability for 0.5% increase in discount rate	(68.49)	(60.77)	(34.75)	(32.15)
Changes in liability for 0.5% decrease in discount rate	74.89	66.66	38.03	35.31
Changes in liability for 1.00% increase in salary growth rate	132.45	118.95	75.23	69.70
Changes in liability for 1.00% decrease in salary growth rate	(116.92)	(104.01)	(64.38)	(59.27)
Changes in liability for 2.00% increase in withdrawal rate	(57.89)	(60.18)	(24.47)	(27.25)
Changes in liability for 2.00% decrease in withdrawal rate	74.24	78.32	32.51	36.82

(ix) The followings payments are expected contributions to the defined benefit plan in future years

Particulars	Gratuity		Leave Encashment	
	As at March 31, 2026	As at March 31, 2025	As at March 31, 2026	As at March 31, 2025
Within next 12 months	109.23	110.57	51.49	46.93
Between 2 to 5 years	278.06	209.81	219.69	131.42
Beyond 5 years	3,292.00	2,684.30	1,612.61	1,428.58

The average duration of the defined benefit plan obligation at the end of the reporting period is 12 years (March 31, 2025: 12 years)

The Plan assets are maintained with Life Insurance Corporation of India.

33 SHARE BASED PAYMENTS

During the year 2020-21, the Parent Company has established PG Electroplast Employee Stock Option Scheme 2020 "ESOP 2020" and the same was approved at the general meeting of the Company held on 28th February 2021. The plan was set up so as to offer and grant, for the benefit of employees of the Company, who are eligible under "Securities and Exchange Board of India" (SEBI) (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999, option of the Company in one or more tranches, and on such terms and conditions as may be fixed or determined by the board, in accordance with the law or guidelines issued by the relevant authorities in this regard;

As per the plan, each option is exercisable for one equity share of face value of ₹1 each, at a price to be determined in accordance with ESOP 2020. ESOP information is given for the number of shares.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

33 SHARE BASED PAYMENTS (Contd..)

(i) Set out below is a summary of options granted and vested during the year under the plan

Summary of Stock Options	March 31, 2026		March 31, 2025	
	Number of Stock Options	Weighted average exercise price per share option	Number of Stock Options	Weighted average exercise price per share option
Options outstanding at the beginning of the year	6,269,000	173	5,941,000	110
Options granted during the year	-	-	1,964,000	277
Options vested and exercised during the year	(2,249,000)	74	(1,371,990)	66
Options lapsed during the year	(487,500)	490	(264,010)	88
Options outstanding at the end of the year	3,532,500		6,269,000	

(ii) Share options outstanding at the end of the year have the following expiry dates and exercise price:

Grant	Grant Date	Vesting Date	Expiry Date	Exercise Price	Fair Value	Share Option Outstanding	
						March 31, 2026	March 31, 2025
Grant -1							
Vesting 1	April 17, 2021	April 16, 2022	October 16, 2022	25	13.71	-	-
Vesting 2	April 17, 2021	April 16, 2023	October 16, 2023	25	16.70	-	-

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

33 SHARE BASED PAYMENTS (Contd..)

(iii) Fair value of options granted

The fair value at grant date is determined using the Black Scholes Model as per an independent valuer's report having taken into consideration the market price being the latest available closing price prior to the date of the grant, exercise price being the price payable by the employees for exercising the option and other assumptions are as below:

Tranche	Vesting	Market Price	Volatility	Average life of option	Risk free interest rate	Dividend yield rate
Grant 1	Vesting 1	31.96	67.48%	1.50	4.24%	0.00%
	Vesting 2	31.96	69.21%	2.50	4.81%	0.00%
	Vesting 3	31.96	68.62%	3.50	5.26%	0.00%
	Vesting 4	31.96	66.68%	4.50	5.63%	0.00%
Grant 2	Vesting 1	39.19	62.40%	1.50	4.24%	0.00%
	Vesting 2	39.19	67.30%	2.50	4.81%	0.00%
	Vesting 3	39.19	69.31%	3.50	5.26%	0.00%
	Vesting 4	39.19	66.09%	4.50	5.63%	0.00%
Grant 3	Vesting 1	92.37	62.65%	1.50	5.94%	0.00%
	Vesting 2	92.37	66.50%	2.50	6.47%	0.00%
	Vesting 3	92.37	68.11%	3.50	6.82%	0.00%
	Vesting 4	92.37	68.35%	4.50	7.07%	0.00%
Grant 4	Vesting 1	149.89	49.80%	1.50	6.75%	0.00%
	Vesting 2	149.89	54.12%	2.50	6.76%	0.00%
	Vesting 3	149.89	59.63%	3.50	6.79%	0.00%
	Vesting 4	149.89	62.79%	4.50	6.83%	0.00%
Grant 5	Vesting 1	191.04	39.28%	1.50	6.99%	0.00%
	Vesting 2	191.04	46.16%	2.50	7.05%	0.00%
	Vesting 3	191.04	50.85%	3.50	7.09%	0.00%
	Vesting 4	191.04	56.17%	4.50	7.11%	0.00%
Grant 6	Vesting 1	784.45	54.48%	1.50	6.49%	0.00%
	Vesting 2	784.45	47.97%	2.50	6.50%	0.00%
	Vesting 3	784.45	52.51%	3.50	6.51%	0.00%
	Vesting 4	784.45	53.87%	4.50	6.52%	0.00%

(iv) Expense arising from share based payment transaction

Expense charged to statement of profit & loss based on the fair value of options

Particulars	For the year ended	
	March 31, 2026	March 31, 2025
Expense charged to Statement of Profit & Loss based on the fair value of options	1,231.03	1,708.91
	1,231.03	1,708.91

(v) Deemed Investment in ESOP

Particulars	As at March 31, 2026	As at March 31, 2025
a. Goodwroth Electronics Private Limited	117.40	66.87
	117.40	66.87

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

33 SHARE BASED PAYMENTS (Contd..)

(vi) ESOP investment impact in statements of profit and loss for the year ended

Particulars	For the year ended	
	March 31, 2026	March 31, 2025
a. Goodwroth Electronics Private Limited	50.53	60.59
	50.53	60.59

34 Leases

- The Group's lease asset primarily consist of leases for land and buildings for offices and warehouses having the various lease terms. The Group also has certain leases of with lease terms of 12 months or less. The Group applies the 'short-term lease' recognition exemptions for these leases.
- The carrying value of right to use assets and movement thereof are disclosed in note 3.
- The following is the carrying value lease liability and movement thereof;

Particulars	Amounts
Balance as at April1, 2024	7,419.89
Addition during the year	1,505.86
Finance cost accrued during the year	631.25
Payment of lease liabilities including interest	(1,334.39)
Balance as at March 31, 2025	8,222.61
Addition during the year	3,760.36
Finance cost accrued during the year*	843.58
Deletion during the year	(80.97)
Payment of lease liabilities including interest	(3,063.82)
Balance as at March 31, 2026	9,681.77

*₹199.50 lakhs interest on Lease liabilities and ₹3.93 lakhs gain on lease terminated has been capitalised.

Particulars	As at March 31, 2026	As at March 31, 2025
Current maturity of lease liability	2,372.49	923.32
Non Current lease liability	7,309.28	7,299.29
	9,681.77	8,222.61

- The maturity of lease liabilities are disclosed in note 37.
- Amounts recognised in the statement of profit and loss during the year

Particulars	Note	For the year ended	
		March 31, 2026	March 31, 2025
Depreciation charge of right-of-use assets - leasehold building	3	1,281.77	1,051.68
Depreciation charge of right-of-use assets - leasehold land	3	56.08	34.45
Finance cost accrued during the year (included in finance cost)	27	648.01	631.25
Expense related to short term leases (included in other expense)	29	1,399.42	638.06

- The Group has applied a single discount rate to a portfolio of leases of a similar assets in similar economic environment with similar end date.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

35 FAIR VALUE MEASUREMENT

Set out below, is a comparison by class of the carrying amounts and fair value of the Group's financial instruments:

Particulars	As at March 31, 2026		As at March 31, 2025	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets at amortised cost				
Cash and bank balances	3,155.57	3,155.57	8,121.70	8,121.70
Bank balances other than cash and cash equivalents	35,781.65	35,781.65	89,844.42	89,844.42
Trade receivables	118,396.38	118,396.38	98,039.25	98,039.25
Loans (current)	261.96	261.96	734.33	734.33
Other financial assets (Non Current)	3,432.75	3,432.75	2,229.39	2,229.39
Other financial assets (Current)	16,725.88	16,725.88	7,363.84	7,363.84
Financial Assets at FVTPL				
Investment in mutual funds	111.99	111.99	116.16	116.16
Investment in equity shares	34.77	34.77	93.65	93.65
Financial liabilities at amortised cost				
Borrowings (Non Current)	13,801.46	13,801.46	18,061.54	18,061.54
Borrowings (Current)	36,169.59	36,169.59	12,132.01	12,132.01
Trade Payable	175,732.06	175,732.06	137,438.33	137,438.33
Other financial liabilities (Non current)	121.26	121.26	175.01	175.01
Other financial liabilities (Current)	21,721.02	21,721.02	17,690.77	17,690.77

The management assessed that cash and cash equivalents, trade receivables, trade payables, other current financial assets and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

35.1 FAIR VALUE HIERARCHY

- i) The Group uses the following hierarchy for fair value measurement of the Group's financial assets and liabilities:

Level 1: Quoted prices/NAV (unadjusted) in active markets for identical assets and liabilities at the measurement date.

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

	Carrying Value March 31, 2026	Fair Value		
		Level 1	Level 2	Level 3
Assets at fair Value				
Fair Value through Profit & Loss				
Investment in mutual funds	111.99	111.99	-	-
Investment in equity shares	34.77	-	-	34.77
Fair Value through amortised cost				
Loan	261.96	-	-	261.96
Trade Receivables	118,396.38	-	-	118,396.38
Other Financial Assets (Non Current)	3,432.75	-	-	3,432.75
Other Financial Assets (Current)	16,725.88	-	-	16,725.88
Liability at fair Value				
Fair Value through amortised cost				
Borrowings (Non Current)	13,801.46	-	-	13,801.46
Borrowings (Current)	36,169.59	-	-	36,169.59
Trade Payables	175,732.06	-	-	175,732.06
Other Financial Liabilities (Non Current)	121.26	-	-	121.26
Other Financial Liabilities (Current)	21,721.02	-	-	21,721.02

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

35 FAIR VALUE MEASUREMENT (Contd..)

Carrying Value March 31, 2025	Carrying Value March 31, 2025	Fair Value		
		Level 1	Level 2	Level 3
Assets at fair Value				
Fair Value through Profit & Loss				
Investment in mutual funds	116.16	116.16	-	-
Investment in equity shares	93.65	-	-	93.65
Fair Value through amortised cost				
Loan	734.33	-	-	734.33
Trade Receivables	98,039.25	-	-	98,039.25
Other Financial Assets (Non Current)	2,229.39	-	-	2,229.39
Other Financial Assets (Current)	7,363.84	-	-	7,363.84
Liability at fair Value				
Fair Value through amortised cost				
Borrowings (Non Current)	18,061.54	-	-	18,061.54
Borrowings (Current)	12,132.01	-	-	12,132.01
Trade Payables	137,438.33	-	-	137,438.33
Other Financial Liabilites (Non Current)	175.01	-	-	175.01
Other Financial Liabilites (Current)	17,690.77	-	-	17,690.77

There are no transfers among levels 1, 2 and 3 during the year.

ii) Fair valuation techniques

The Group maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate the fair values:

- 1) Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.
- 2) Borrowings are evaluated by the Group based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values.

36 RELATED PARTY DISCLOSURE

Pursuant to compliance of Indian Accounting Standard (IND AS) 24 "Related Party Disclosures", the relevant information is provided here below:

Related Parties where control exists

i) Joint Venture

Goodworth Electronics Private Limited

Subsidiaries of Joint Venture

Goodworth Appliance Private Limited w.e.f. January 27, 2025

Goodworth Optima Private Limited w.e.f. January 30, 2025

Goodworth Innovation Private Limited w.e.f. January 30, 2025

Goodworth Gadgets Private Limited w.e.f. January 30, 2025

Notes to the Consolidated Financial Statements

For the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

36 RELATED PARTY DISCLOSURE (Contd..)

ii) Other related parties with whom transactions have taken place during the year

Key Management Personnel

Mr. Vishal Gupta (Managing Director - Finance)

Mr. Vikas Gupta (Managing Director - Operations)

Mr. Anurag Gupta (Chairman & Executive Director)

Mr. Ram Dayal Modi (Non-Executive - Independent Director)

36 RELATED PARTY DISCLOSURE (Contd..)

vi) Terms & Conditions

- (a) Remuneration does not include the provision made for gratuity and leave benefits, as they are determined on an actuarial basis for the Group as a whole. Based on the recommendation of the Nomination and remuneration committee, all decisions relating to the remuneration of the KMPs are taken by the Board of Directors of the Group, in accordance with shareholders approval, wherever necessary.
- (b) All Transactions entered with related parties defined under the Companies Act, 2013 during the year based on the terms that would be available to third parties. All other transactions were made in the ordinary course of business and at arm's length price.
- (c) All outstanding balances are unsecured and are repayable in cash.

37 FINANCIAL RISK MANAGEMENT

The Group's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Group's operations. The Group's principal financial assets comprise trade and other receivables and cash and cash equivalent that arise directly from its operations.

The Group's activities expose it mainly to market risk, liquidity risk and credit risk. The monitoring and management of such risks is undertaken by the senior management of the Group and there are appropriate policies and procedures in place through which such financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. . It is the Group policy not to carry out any trading in derivative for speculative purposes.

A) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk.

(i) Interest rate risk

Most of the borrowings availed by the Group are subject to interest on floating rate of basis linked to the base rate or MCLR (marginal cost of funds based lending rate). In view of the fact that the total borrowings of the Group are quite substantial, the Group is exposed to interest rate risk.

The above strategy of the Group to opt for floating interest rates is helpful in declining interest scenario. Further, most of the loans and borrowings have a prepayment clause through which the loans could be prepaid with pre payment premium. The said clause helps the Group to arrange debt substitution to bring down the interest costs or to prepay the loans out of the surplus funds held. While adverse interest rate fluctuations could increase the finance cost, the total impact, in respect of borrowings on floating interest rate basis.

Particulars	March 31, 2026	March 31, 2025
Fixed Rate Borrowing	18,199.16	21,114.35
Variable Rate Borrowing	31,771.87	9,079.20
Total Borrowing	49,971.03	30,193.55

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

37 FINANCIAL RISK MANAGEMENT (Contd..)

Interest rate sensitivity of borrowings

With all other variable held constant, the following table demonstrates the sensitivity to a reasonably possible change in interest rates on floating rate portion of loans and borrowings as on date.

Currency	March 31, 2026		March 31, 2025	
	Increase/ decrease in base points	Impact on profit before tax an equity	Increase/ decrease in base points	Impact on profit before tax an equity
Term Loan	+0.50	(158.86)	+0.50	(45.40)
	- 0.50	158.86	-0.50	45.40

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities (when revenue or expense is denominated in foreign currency). The Group evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

The Group's exposure to foreign currency risk at the end of the reporting period expressed in ₹are as follows;

Currency	March 31, 2026		March 31, 2025	
	Foreign Currency	Indian Rupee	Foreign Currency	Indian Rupee
Financial liabilities				
Trade payables				
USD	657.18	62,251.06	311.26	26,776.82
CNY	667.83	9,253.26	814.84	9,715.15
JPY	706.17	414.93	1,940.13	1,118.43
EUR	0.05	5.91	-	-
Net exposure to foreign currency risk (liabilities)	2,031.23	71,925.16	3,066.23	37,610.40

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arise mainly from foreign currency denominated financial instruments.

Particulars	Impact on Profit and Loss for the year ended March 31, 2026		Impact on Profit and Loss for the year ended March 31, 2025	
	Gain/(Loss) on appreciation	Gain/(Loss) on depreciation	Gain/(Loss) on appreciation	Gain/(Loss) on depreciation
1% appreciation / depreciation in Indian Rupees against following foreign currencies				
Trade payables				
USD	622.51	(622.51)	267.77	(267.77)

JPY	4.15	(4.15)	11.18	(11.18)
EUR	0.06	(0.06)	-	-
	719.25	(719.25)	376.10	(376.10)

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

37 FINANCIAL RISK MANAGEMENT (Contd..)

(iii) Commodity price risk

Commodity price risk is the risk that future cash flow of the Group will fluctuate on account of changes in market price of key raw materials. The Group is exposed to the movement in the price of key raw materials in domestic and international markets. The Group has in place policies to manage exposure to fluctuation in the prices of the key raw materials used in operations.

B) Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. The Group uses liquidity forecast tools to manage its liquidity. The Group is able to organise liquidity through own funds and through working capital loans. The Group has good relationship with its lenders, as a result of which it does not experience any difficulty in arranging funds from its lenders. Table here under provides the current ratio of the Group as at the year end.

Particulars	As at March 31, 2026	As at March 31, 2025
Total current assets	379,393.85	375,182.21
Total current liabilities	259,447.92	197,586.65
Current ratio	1.46	1.90

Maturities analysis of financial liabilities:

The table below provides details regarding the contractual maturity of financial liabilities :

Particulars	on demand	< 1 year	1-3 year	3-5 year	More than -5 years	Total
As at March 31, 2026						
Borrowings	30,730.28	5,439.29	5,572.38	4,679.15	3,549.94	49,971.05

Other financial liabilities	-	17,690.77	-	175.01	-	17,865.78
Lease liabilities (undiscounted)	-	1,564.46	3,133.88	2,938.00	3,232.05	10,868.39
	8,291.45	160,534.12	10,883.61	9,849.45	6,807.42	196,366.05

C) Credit Risk

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Group. The Group is exposed to credit risk from its operating activities, primarily trade receivables. The credit risks in respect of deposits with the banks, foreign exchange transactions and other financial instruments are only nominal.

The Group manages customer credit risk through established policies, procedures and controls designed to mitigate the risk of delays and defaults. Before accepting customer orders, the creditworthiness of customers is assessed through scrutiny of financial statements, where required, along with market reports and reference checks. During the execution of contracts, the financial position of customers is monitored on an ongoing basis.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

37 FINANCIAL RISK MANAGEMENT (Contd..)

Trade receivables, which represent the Group's maximum exposure to credit risk at the reporting date, are unsecured and primarily arise from revenue earned from customers located in India. The Group manages credit risk by obtaining credit approvals, establishing appropriate credit limits, and continuously monitoring customers' creditworthiness. The Group generally extends a credit period of 30 to 90 days, varying by customer, except in the moulds and dies business, where advance payments are obtained before commencement of order execution.

Owing to the Group's ability to prescribe appropriate commercial terms and its robust credit risk management practices, credit risk arising from trade receivables is considered to be well contained. Upon adoption of Ind AS 109, the Group applies the expected credit loss (ECL) model to assess impairment of financial assets and uses the simplified approach, based on lifetime ECL, to determine the impairment allowance for trade receivables.

The impairment analysis is performed on each reporting period on individual basis for major customers. Some trade receivables are grouped and assessed for impairment collectively. The calculation is based on historical data of losses, current conditions and forecasts and future economic conditions. The Group's maximum exposure to credit risk at the reporting date is the carrying amount of each financial asset.

The trade receivables position is provided here below:

Particulars	As at March 31, 2026	As at March 31, 2025
Total receivables (note 5)	118,396.38	98,039.25
Receivables individually in excess of 10% of the total receivables	47,282.58	19,336.46
Percentage of above receivables to the total receivables of the Group	39.94%	19.72%

Trade receivables (net off allowances)

Particulars	Less than 6 Month	6 Month to 1 year	1-2 years	2-3 years	More than 3 years	Total
As on March 31, 2026	107,424.38	10,628.93	295.02	-	48.05	118,396.37
As on March 31, 2025	96,729.43	1,112.71	130.69	66.42	-	98,039.25

The movement in impairment allowance recognised during the year, including additions, reversals, adjustments and the closing balance, as applicable, has been disclosed in Note 6 to the consolidated financial statements.

38 SEGMENT INFORMATION

In view of the management, the Group primarily operates in one business segment- Consumer Electronic Goods and Components, hence there is only one reportable segment as envisaged by Indian Accounting Standard 108, 'Operating Segments' as prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder. Accordingly, no disclosure for segment reporting has been made in the financial statements.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

39 CAPITAL MANAGEMENT

For the purpose of Capital Management, Capital includes net debt and total equity of the Group. The Group manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Group is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence. The Group may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Particulars	As at March 31, 2026	As at March 31, 2025
Non-current borrowings (note 15)	13,801.46	18,061.54
Current borrowings (note 15)	31,771.89	9,079.20
Current maturities of long term borrowings (note 15)	4,397.70	3,052.81
Total debts	49,971.05	30,193.55
Less: Cash and cash equivalent (note 12(a))	(3,155.57)	(8,121.70)
Net Debt (A)	46,815.48	22,071.85
Total equity (note 13 & note 14)	304,858.68	282,820.70
Total Capital and net debt (B)	351,674.16	304,892.55
Gearing ratio (A/B)	13.31%	7.24%

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2026 and March 31, 2025.

40 CONTINGENCIES AND COMMITMENTS

i) Contingent Liabilities (to the extent not provided for)

Particulars	As at March 31, 2026	As at March 31, 2025
Claims against the Group not acknowledged as debts (excluding interest & penalty)		
- Central Excise (FY 2008-09 to 2011-12)	765.73	765.73
- Anti-Dumping duty on Import	738.54	738.54
- Claims by third party	200.52	45.75
	1,704.79	1,550.02

- (i) Excise department has issued show cause notice dated December 22, 2011 for ₹765.73 lakhs in respect of CTV sold to ELCOT, Tamil Nadu (a Govt. of Tamil Nadu undertaking) during the period February 2009 to October 2011 for free distribution by the state Govt. to poor section of the people by paying excise duty on the basis of value determined under section 4A instead of determining the value under section 4 of the Central Excise Act, 1944. The department has the contention that sale is institutional sale & valuation based on MRP under Section 4A is not applicable to the sale to ELCOT. The appeal made by the Parent Company was allowed by the CESTAT, New Delhi vide order dated March 12, 2014. However, the excise department has filed the appeal with Supreme Court, which has been admitted by the Supreme Court on January 5, 2015 by condoning the delay in filing the appeal. This matter was last time listed on January 2, 2017. However, the Excise department filed an Interlocutory Application seeking early hearing of the appeal on July 11, 2022. The Hon'ble Chief Justice found no merit in the Interlocutory Application and accordingly, rejected the application filed by the Excise Department. The matter is pending for final hearing. The matter is next listed for hearing on June 18, 2026.
- (ii) Directorate of Revenue Intelligence (DRI) had conducted a search on the factory premises of the Parent Company and the residence of the Promoters on March 8, 2011. The Parent Company has deposited ₹145 lakhs as anti-dumping duty on import of CPT during the period from May 2010 to December 2010, which is refunded later on. A show cause

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

40 CONTINGENCIES AND COMMITMENTS (Contd..)

notice dated May 29, 2015 has been issued on the Parent Company and raised the demand of Anti-Dumping Duty worth ₹738.54 lakhs along with interest and penalty. The Principal Commissioner of custom has passed an order dated February 28, 2017, confirming the demand of ₹738.54 lakhs along with interest & penalty. The Parent Company has filed an appeal before CESTAT, Allahabad Bench on June 01, 2017. The CESTAT vide its order dated June 18, 2019 has allowed the appeal in favour of the Parent Company and refunded the deposited amount and set aside the order passed by Principal Commissioner of customs, Noida. However, the Department has filed a Civil Appeal (No. 6544/2020) against the aforesaid Final order of CESTAT, Allahabad dated June 18, 2019. But till date no hearing has been held at Hon'ble Supreme Court and no stay has been granted to the Department. The matter was last listed on November 25, 2025. The case is put up for final arguments on July 21, 2026.

- (iii) Notice for Recovery: The Company received a Notice under the jurisdiction of West District, Tis Hazari Court, Delhi from M/s Polyblends (India) Pvt. Ltd for recovery of outstanding amount of ₹43.70 lakhs with respect to purchase of plastic raw material and plastic filled compounds. The authorised representative appeared on behalf of the Company on May 20, 2022 before the Hon'ble Court. The Hon'ble Court directed the Parent Company to file written statements. The Parent Company filed the written statements. The pleadings in this case were completed. After several hearings, the Hon'ble Court vide order dated August 05, 2023 announced the judgement in favour of the Parent Company and disposed the case. The appellant aggrieved by the order filed an appeal to the Hon'ble Delhi High Court (RFA(COMM)252/2023). The matter was last listed on May 21, 2026. The next date of the hearing not yet announced.
- (iv) Notice for Recovery: The Parent Company received a Notice under the jurisdiction of West District, Tis Hazari Court, Delhi from M/s Niyati Industries through Mr. Vijay Jain for recovery of outstanding amount of ₹2.05 lakhs with respect to job work of re-enforced (Polystyrene) of plastic raw materials. The authorised representative appeared on behalf of the Company on May 12, 2022 before the Hon'ble Court and filed the written statements. Replication has been filed on behalf of the plaintiff on July 23, 2022. The pleadings in this case were complete and issues were framed. After several hearings, the Hon'ble Court vide order dated January 29, 2024 announced the judgement against the Parent Company and disposed the case. The Parent Company aggrieved by the order filed an appeal to the Hon'ble District and Sessions Judge, West, THC (RCA DJ/35/2024). The matter was last listed on May 26, 2026. The case is put up for final arguments on July 20, 2026.
- (v) Notice for Recovery: The Parent Company has received a civil suit filed by M/s Maurya Mould Industries before the Court of the Civil Judge, Noida, Gautam Budh Nagar, seeking recovery of ₹154.76 lakhs towards the alleged cost of repair and restoration of premises damaged due to a fire incident. The Parent Company has filed its written statement in the matter, and the proceedings are currently pending before the Hon'ble Court. The matter was last listed on May 18, 2026. The next date of the hearing not yet announced.

	Net Total	June 30, 2025	928.35	902.14	26.21

Note for discrepancies

- The difference in inventory is due to goods in transit included in books of accounts which is not considered in DP statements filled with bankers.
- The difference in creditors is due to Letter of credit taken in books of account on the basis of LC open with banks but in DP statements are taken on basis of acceptances.
- The difference in debtors is due to group company & joint ventures debtors are excluded in DP statements filled with bankers.
- The Company has taken DP unit wise, hence, the figures may not directly link or get tallied with the financial statements.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2026

(All Amounts are in Rupees lakhs, unless otherwise stated)

45 OTHER STATUTORY INFORMATION(Contd..)

- xi) The Group has not revalued its property, plant and equipment (including right-of-use assets) or intangible assets or both during the current or previous year.
- xii) The borrowings obtained by the Group from banks have been applied for the purposes for which such loans were taken.
- xiii) The proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requires companies, which uses accounting software for maintaining its books of accounts, to use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of accounts along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Holding Company and a step-down subsidiary has used SAP as accounting software used for the creation and maintenance of its books of account. The audit trail (edit log) feature including the system-level database logs in the said software are enabled and remained operational throughout the financial year for all relevant transactions. Further, the audit trail feature has not been tampered with and it has been preserved by the Company as per the statutory requirements for record retention.

A wholly owned subsidiary, PG Technoplast Private Limited had used an accounting software having an audit trail (edit log) feature, except at the database level, up to September 30, 2025, which was enabled and operational for the period and, thereafter, migrated to SAP with effect from October 1, 2025, wherein the audit trail feature, including system-level database logs, remained enabled and operational for the balance period. Further, the audit trail, to the extent maintained, has been preserved in accordance with the statutory record retention requirements.

A wholly owned subsidiary company, PG Plastronics Private Limited have used an accounting software for maintaining its books of account during the year, which has an audit trail (edit log) facility except at the database level. The audit trail feature remained operational throughout the year for all relevant transactions and, to the extent maintained, has been preserved in accordance with the statutory record retention requirements. Further, during the course of our audit, we did not come across any instance of the audit trail feature having been tampered with.

- xiv) Disclosure as per Schedule III regarding loans and advances made to promoters, directors, KMPs and related parties that are repayable on demand

NOTES:

- a) The Ministry of Corporate Affairs ("MCA") vide its General Circular Nos. 14/2020 dated April 08, 2020 and 17/2020 dated April 13, 2020, General Circular Nos. 20/2020 dated May 05, 2020, and subsequent circulars issued in this regard, the latest being, General Circular No. 03/2025 dated September 22, 2025 (collectively referred to as "MCA Circulars") has allowed the companies to conduct the Annual General Meeting ("AGM") through Video Conferencing/ Other Audio-Visual Means ("VC/OAVM"), without the physical presence of the Members at a common venue. In terms of the said Circulars, **the 24th AGM of the Company is being held through VC/OAVM on Tuesday, September 29, 2026, at 02:30 p.m. IST.**

Further, MCA vide its aforesaid Circulars and the Securities and Exchange Board of India ("SEBI") vide Regulations 36(1), 44(4) and 58(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") has prescribed the procedures and manner of conducting the AGM through VC/OAVM and, inter-alia, granted relaxation in respect of sending physical copies of annual report to security holders and requirement of proxy for general meetings held through electronic mode.

- b) **The venue deemed for the AGM will be the Registered Office of the Company.**
- c) In line with the aforesaid MCA Circulars and SEBI Listing Regulations, Notice of the AGM along with the Annual Report 2025-26 are being sent only through electronic mode to those Members whose email addresses are registered in respect of electronic holdings with the Depository through the concerned Depository Participants and in respect of physical holdings with the Company's Registrar and Share Transfer Agent, KFin Technologies Limited ("KFinTech"/"RTA"). However, hard copy of Annual Report shall be sent to those shareholders who specifically request for the same. Members may also note that the Notice of the 24th AGM and the Annual Report 2025-26 will also be available on the Company's website at <https://www.pgcl.in>, websites of the Stock Exchanges, i.e., BSE Limited and National Stock Exchange of India Limited, at www.bseindia.com and www.nseindia.com respectively, and on the website of KFinTech at <https://evoting.kfintech.com>.

Further, pursuant to Regulations 36 (1) (b), a letter providing the web-link and QR Code, including the exact path, where complete details of the Annual Report are available, is being sent to those shareholders who have not registered their email address(es) as mentioned above.

QR CODE FOR NOTICE OF AGM

- d) As required under Regulation 36(3) of the SEBI Listing Regulations and SS-2, relevant details of the Director seeking re-appointment at the AGM are given in **Annexure-A** to the AGM Notice. Requisite declarations have been received from the Director seeking reappointment.
- e) **PURSUANT TO THE PROVISIONS OF THE COMPANIES ACT, 2013, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. SINCE THIS AGM IS BEING HELD PURSUANT TO THE AFORESAID CIRCULARS THROUGH VC/OAVM, PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH. ACCORDINGLY, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THE ANNUAL GENERAL MEETING AND HENCE THE PROXY FORM AND ATTENDANCE SLIP ARE NOT ANNEXED TO THE NOTICE. LIKEWISE, THE ROUTE MAP IS ALSO NOT ANNEXED WITH THIS NOTICE.**
- f) The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. Only Registered Members can attend and participate in the Annual General Meeting through VC/OAVM only.
- g) Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/ JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/ Authorization shall be sent to the company by email through its registered email address at investors@pgcl.in.
- h) The Board of Directors have considered and decided to include item nos. 5 & 6 given above as Special Businesses in the Notice to the 24th AGM, as they consider them unavoidable in nature.
- i) Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 is attached and forms part of this notice.
- j) Members holding shares in electronic form are requested to intimate all changes pertaining to their bank particulars, nominations, power of attorney, change of address, change of name, email address, contact numbers, etc., to their Depository Participants (DP). Changes intimated to the DP will then be automatically reflected in the Company's record which will help the Company and KFin Technologies Limited, Registrar and Transfer Agent of the Company, to provide efficient and better services. Members holding shares in physical form are also requested to intimate such changes to the Company or KFin Technologies Limited.

k) Members holding shares in physical form are mandatorily required to dematerialize their holding in order to eliminate all risks associated with physical share certificate. Members can contact the Company or its RTA i.e. KFin Technologies Limited for further assistance.

l) SEBI vide its notification dated January 24, 2022, has amended Regulation 40 of the SEBI Listing Regulations and has mandated that all requests for effecting transfer of securities including transmission and transposition shall not be processed unless the securities are held in the dematerialised form. Hence, the Members are advised to dematerialize their shares that are held in physical form.

Further, this is to inform that SEBI vide its circular dated July 02, 2025, and January 6, 2026 read with SEBI Master Circular issued to RTAs dated February 6, 2026, have been provided a special re-lodgement window till February 4, 2027, to the members who had submitted transfer deeds for physical shares before April 1, 2019, and whose requests were rejected, returned, or remained unprocessed due to deficiencies, to re-lodge the transfer requests.

m) Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's Registrar, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.

n) In the case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

o) Electronic copy of all documents referred to the accompanying Notice of AGM will be available for inspection by members in electronic mode at the Company's website i.e. www.pgcl.in.

p) The Company has a registered e-mail address investors@pgcl.in for members to mail their queries or lodge complaints, if any. The Company endeavors to reply to queries as soon as possible. The Company's website www.pgcl.in has a dedicated section on Investors.

q) The Securities and Exchange Board of India (SEBI) vide Circular (SEBI/HO/MIRSD/DOP1/CIR/P/2018/73) dated April 20, 2018, has mandated the submission of Permanent Account Number (PAN) and Bank details by every participant in securities market. Members holding shares in electronic form are mandatorily required to submit their PAN and Bank details to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN and Bank details to the Company/RTA. Shareholders who have not updated their details are requested to send their PAN and Bank details in terms of the above said SEBI Circulars.

r) As per the provisions of Section 72 of the Companies Act, 2013, nomination facility is available to the members, in respect of equity shares held by them. Nomination form i.e., Form No. SH 13, can be downloaded from the Company's website at www.pgcl.in and is also available at the website of the RTA at <https://ris.kfintech.com/clientservices/isc/isrforms.aspx>. Members are requested to submit the said Form to their Depository Participants in case the shares are held in electronic form and to the RTA in case the shares are held in physical form, quoting their folio no. In terms of SEBI Circular no. SEBI/HO/MIRSD/POD-1/P/CIR/2024/81 dated June 10, 2024, read with SEBI Master Circular No. HO/38/13/(4)2026-MIRSD-POD/I/4298/2026 dated February 06, 2026, and other applicable provisions, the Members of the Company (who have not opted for the nomination) are encouraged, in their own interest, to provide 'choice of nomination' for ensuring smooth transmission of securities held by them as well as to prevent accumulation of unclaimed assets in securities market. To avail the facility of nomination or to opt out or cancel/ make any variation in the already submitted nomination, Members are requested to reach out to RTA in case of shares held in physical mode and to their respective DPs in case of shares held in Demat form.

s) As per Rule 3 of the Companies (Management and Administration) Rules, 2014, Register of Members of the Company should have additional details pertaining to e-mail, PAN /CIN, UID, Occupation, Status, Nationality. We request all the Members of the Company to update their details with their respective DPs in case of shares held in electronic form and with the Company's RTA in the case of physical holding, immediately.

t) Non-resident Indian shareholders are requested to inform immediately about the following to the Company or its Share Transfer Agent or the concerned Depository Participant, as the case may be:

i. The change in the residential status on return to India for permanent settlement.

ii. The particulars of the NRE Account with a Bank in India, if not furnished earlier.

u) SEBI has established a common Online Dispute Resolution Portal ("ODR Portal") for resolution of disputes arising in the Indian Securities Market. Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievances with the RTA/ Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal at <https://smartodr.in/login>.

v) **Members of the Company holding shares either in physical form or in electronic form as on the cut-off date, i.e. Friday, September 18, 2026, may cast their vote by remote e-Voting. The remote e-Voting period commences on Saturday, September 26, 2026, at 9.00 a.m. (IST) and ends on Monday, September 28, 2026, at 5.00 p.m. (IST). The remote e-Voting module shall**

be disabled by NSDL/CDSL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. The voting rights of the Members (for voting through remote e-Voting before/ during the AGM) shall be in proportion to their share of the paid-up equity share capital of the Company as on the **cut-off date, i.e., Friday, September 18, 2026.**

- w) Members having any question or query related to agenda/business of AGM are requested to write to the Company Secretary on the Company's investor email-id investor@pgel.in during the period starting from **Sunday, September 27, 2026 (09:00 a.m. IST) up to Monday, September 28, 2026 (5:00 p.m. IST)**, so as to enable the management to keep the information ready. Please note that members' questions will be answered only if they continue to hold the shares as of **Friday, September 18, 2026**, i.e. the cut-off date for e-voting.

- x) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and the Circulars issued thereof, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM.

As per the SEBI circular dated December 9, 2020, on e-voting facility, individual members holding securities in Demat mode are allowed to vote through their demat account maintained with Depositories (NSDL/CDSL) and Depository Participants. Members are advised to update their mobile number and E-mail Id in their demat accounts in order to access e-voting facility.

Individual members holding securities in physical mode are allowed to vote through e-voting platform <https://evoting.kfintech.com>. Other members except individual members are also allowed to vote through e-voting platform <https://evoting.kfintech.com>.

- y) Ms. Puja Mishra of M/s Puja Mishra & Co., a Practicing Company Secretary (ACS No. 42927, C.P. No.: 17148), has been appointed as **"Scrutinizer"** to scrutinize the e-voting process in a fair and transparent manner and she has communicated her willingness to be appointed.
- z) The Scrutinizer shall, immediately after the conclusion of e-voting at the AGM, thereafter unblock the votes cast through remote e-voting and make, not later than 2 working days of conclusion of the AGM, a consolidated Scrutinizer Report of the total votes cast in favor or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same.

- aa) The Results declared along with the Scrutinizer's Report shall be placed on the website of the Company at www.pgel.in and on the website of BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at www.nseindia.com and on the website of KFin at <https://evoting.kfintech.com>, immediately after the declaration of Result by the Chairman or any person authorized by him in writing.
- bb) Subject to receipt of requisite number of votes, the Resolution shall be passed on **Tuesday, September 29, 2026.**
- cc) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on a first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- dd) The Record Date for determining the names of members eligible for final dividend on equity shares for the Financial Year 2025-26, if approved by the members at the AGM is **Friday, September 18, 2026**. The payment of such dividend subject to deduction of tax at source will be made on or before October 28, 2026.
- ee) The Company has been allotted ISIN INE457L01029 by CDSL and NSDL for dematerialization of the Company's shares. We hereby request all the members to get their shares dematerialized.
- ff) Members are requested to note that dividends if not encashed or remain unclaimed for a period of 7 (seven) years from the date of transfer to the Company's Unpaid Dividend Account, will, as per Section 124 of the Act, be transferred to IEPF. The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline.
- gg) The Members whose unclaimed dividends and/or shares will be transferred to IEPF may contact the Company's RTA and submit the required documents for issue of Entitlement Letter. The Members shall attach the Entitlement Letter and other required documents and file the Form IEPF-5 form for claiming the dividend and/or shares via www.iepf.gov.in.

DIVIDEND RELATED INFORMATION:

The dividend approved by the members at the AGM will be paid by **Wednesday, October 28, 2026**, to the members whose names appear on the Company's Register of members as on the Record Date, and in respect of the shares held in dematerialized mode, to the members whose names are furnished by NSDL and CDSL as beneficial owners as on that date. The Company has fixed **Friday, September 18, 2026, as the "Record Date"** for the purpose of determining the members eligible to receive dividend for the Financial Year 2025-26.

Members are requested to register/update their complete bank details with their Depository Participant(s), if shares are held in dematerialised mode, by submitting forms and documents as may be required by the Depository Participant(s). Payment of dividend shall be made through electronic mode to those members, holding shares in dematerialised mode, who have updated their bank account details.

SEBI, vide its circular dated November 03, 2021 (subsequently amended by circulars dated December 14, 2021, March 16, 2023 and November 17, 2023) mandated that with effect from April 1, 2024, dividend to the members holding shares in physical mode shall be paid only through electronic mode. Such payment shall be made only after they have furnished their Permanent Account Number, Contact Details (Postal Address, Mobile Number, and E-mail), Bank Account Details, Specimen Signature, etc., for their corresponding physical folios with the Company / KFin Technologies Limited. Please refer to SEBI FAQs by accessing the link: https://www.sebi.gov.in/sebi_data/faqfiles/jan-2026/1767611333081.pdf (FAQ No. 38 & 39)

For the purpose of updation of KYC details against your folio, you are requested to send the details to our RTA, M/s. KFin Technologies Limited (Unit: PG Electroplast Limited), Selenium Tower-B", Plot No 31 & 32, Gachibowli, Financial District, Nanakramguda, Serilingampally, Hyderabad – 500 032, Telangana

- Through hard copies which should be self-attested and dated. **OR**

- Form SH-13 for updation of Nomination for the aforesaid folio OR ISR-3 for "Opt-out of the Nomination".

Tax Deductible at Source (TDS) / Withholding tax

Pursuant to the requirement of the Income Tax Act, 1961, the Company will be required to withhold taxes at the prescribed rates on the dividend paid to its members.

The TDS / withholding tax rate would vary depending on the residential status of the member and documents submitted by the member with the Company / KFin Tech / Depository Participant. Members are therefore requested to update their residential status with Depository Participants or in case shares are held in physical mode, with Company/ KFinTech on or before Sunday, September 27, 2026, to enable the Company to determine the appropriate TDS/ withholding tax rate, as applicable.

A. Resident members:

A.1 Tax Deductible at Source for Resident members

S. No.	Particulars	Withholding tax rate	Documents required (if any) / Remarks
1.	Valid PAN updated in the Company's Register of Members	10%	No document required. If dividend does not exceed ₹ 5,000/-, no TDS/ withholding tax will be deducted. Also, please refer to note [v] below.
2.	No PAN / Valid PAN not updated in the Company's Register of Members/ PAN is not linked with AADHAR in case of an individual	20%	TDS will be deducted at 20% as provided under Section 206AA of the Income Tax Act, 1961, regardless of dividend amount, if PAN of the member other than individual is not registered with the Company / KFinTech / Depository Participant.

S. No.	Particulars	Withholding tax rate	Documents required (if any) / Remarks
			In case of individual member, if PAN is not registered with the Company / KFinTech/Depository Participant & cumulative dividend payment to an individual member is more than ₹ 5000, TDS / Withholding tax will be deducted at 20% under Section 206AA of the Income Tax Act, 1961. All the members are requested to update, on or before September 18, 2026, their PAN with their Depository Participant (if shares are held in dematerialized mode) and Company / KFinTech (if shares are held in physical mode). Please quote all the folio numbers under which you hold your shares while updating the records. Please also refer to note [v] below.
3.	A member falls in the category of "specified person" as defined in Section 206AB of the Income Tax Act, 1961	20%	The PAN of the member registered with the Company/ KFinTech/Depository Participant will be validated on "Compliance Check functionality for Section 206AB & 206CCA" on Reporting Portal of Income Tax Department & accordingly 20% TDS will be deducted with reference to Section 206AB of Income Tax Act, 1961 if the person is a "specified person". Please also refer note (vii) below.
4.	Availability of lower/nil tax deduction certificate issued by Income Tax Department u/s 197 of Income Tax Act, 1961	Rate specified in the Certificate	Lower tax deduction certificate obtained from Income Tax Authority to be submitted on or before September 18, 2026.
5.	Benefits under Income Tax Rule 37BA	Rates based on the applicability of the Income Tax Act, 1961 to the beneficial owner.	If the member e.g. clearing member/intermediaries/stock brokers are not the beneficial shareholders of the shares and if the declaration under Income Tax Rule Form 37BA(2) is provided regarding the beneficial owner, the TDS / Withholding tax will be deducted at the rates applicable to the beneficial shareholders.

A.2 No Tax Deductible at Source on dividend payment to resident members if the members submit the following documents as mentioned in column no.4 of the below table with the Company / KFinTech / Depository Participant on or before Sunday, September 27, 2026.

S. No.	Particulars	Withholding tax rate	Documents required (if any) / Remarks
(1)	(2)	(3)	(4)
1.	Submission of Form 15G / 15H with valid & operative PAN and member not being classified as a specified person.	Nil	Declaration in Form No. 15G (applicable to an individual who is below 60 years) / Form 15H (applicable to an individual who is 60 years and above), fulfilling certain conditions.
2.	Member to whom section 194 of the Income Tax Act, 1961 does not apply as per second proviso to section 194 such as LIC, GIC etc.	Nil	Valid documentary evidence for exemption u/s 194 of Income Tax Act, 1961.
3.	Member covered u/s 196 of Income Tax Act, 1961 such as Government, RBI, Corporations established by the Central Act & Mutual Funds	Nil	Valid documentary evidence for coverage u/s 196 of the Income Tax Act, 1961.
4.	Category I and II Alternate Investment Fund	Nil	SEBI registration certificate to claim benefit under section 197A (1F) of the Income Tax Act, 1961.

S. No.	Particulars	Withholding tax rate	Documents required (if any) / Remarks
(1)	(2)	(3)	(4)
5.	- Recognised provident funds - Approved superannuation fund - Approved gratuity fund	Nil	Valid documentary evidence as per Circular No. 18/2017 issued by the Central Board of Direct Taxes (CBDT).
6.	National Pension Scheme	Nil	No TDS as per section 197A (1E) of the Income Tax Act, 1961. Valid documentary evidence (e.g., relevant copy of registration, notification, order, etc.) to be provided.
7.	Any resident member exempted from TDS deduction as per the provisions of the Income Tax Act, 1961 or by any other law or notification	Nil	Valid documentary evidence substantiating exemption from deduction of TDS.

B. Non-Resident members:

The table below shows the withholding tax on dividend payment to non-resident members. Members are requested to submit the document(s) as mentioned in column no.4 of the below table on or before **Sunday, September 27, 2026**, to the Company / KFinTech to avail the beneficial rates, wherever applicable.

S. No.	Particulars	Withholding tax rate	Documents required (if any) / Remarks
(1)	(2)	(3)	(4)
1.	Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs) / Other Non-Resident members	20% (plus applicable surcharge and cess) or tax treaty, whichever is beneficial	FPI registration certificate in case of FIIs / FPIs. To avail beneficial rate of tax treaty, the following tax documents would be required: - Tax Residency certificate issued by the revenue authority of the country of residence of the member for the year in which the dividend is received. - PAN or declaration as per Rule 37BC of Income Tax Rules, 1962 in a specified format. - E-filed Form 10F - Self-declaration for the non-existence of permanent establishment/ fixed base in India. (Note: Application of beneficial Tax Treaty Rate shall depend upon the completeness of the documents submitted by the Non-Resident member and review to the satisfaction of the Company).
2.	Indian Branch of a Foreign Bank	Nil	Lower tax deduction certificate u/s 195(3) of Income Tax Act, 1961 obtained from Income Tax Authority. Self-declaration confirming that the income is received on its own account and not on behalf of the Foreign Bank and the same will be included in taxable income of the branch in India. In case the above documents are not made available, then the Withholding tax will be at the applicable rate (plus applicable surcharge and cess).
3.	Availability of Lower / NIL tax deduction certificate issued by Income Tax Authority	Rate specified in the certificate	Lower tax deduction certificate obtained from Income Tax Authority.

S. No.	Particulars	Withholding tax rate	Documents required (if any) / Remarks
(1)	(2)	(3)	(4)
4.	Any non-resident member exempted from WHT deduction as per the provisions of the Income Tax Act or any other law such as The United Nations (Privileges and Immunities) Act 1947, etc.	Nil	Necessary documentary evidence substantiating exemption from WHT deduction.
5.	A member fall in the category of "specified person" as defined in Section 206AB of the Income Tax Act, 1961	Double the applicable tax rate	The PAN of the member registered with the Company / KFinTech / Depository Participant will be validated on "Compliance Check functionality for Section 206AB & 206CCA" on the Reporting Portal of Income Tax Department & accordingly applicable TDS will be deducted with reference to Section 206AB of Income Tax Act, 1961, if the person is "specified person". Please also refer to note (vii) below.
6.	Benefits under Income Tax Rule 37BA	Rates based on the applicability of Income Tax Act, 1961 / DTAA (whichever is beneficial) to the beneficial owner	If the member e.g. clearing member/intermediaries/stock brokers are not the beneficial shareholders of the shares and if the declaration under Income Tax Rule Form 37BA(2) is provided regarding the beneficial owner, the Withholding tax will be deducted at the rates applicable to the beneficial shareholders. The documents mentioned against Sr. No 1 to 4 in column 4 will be required in addition to the above declaration.

Notes:

- i. The Company will issue a soft copy of the TDS certificate to its members through e-mail registered with KFinTech post-filing of the TDS return as per statutory timelines specified under the Income Tax Act, 1961. Members will be able to download Form 26AS from the Income Tax Department's website <https://incometaxindia.gov.in/Pages/default.aspx>.
- ii. The aforesaid documents such as Form 15G / 15H, documents under sections 196, 197A, FPI / FII Registration Certificate, Tax Residency Certificate, Lower Tax Certificate, 37BA declaration, etc. can be uploaded on the link <https://ris.kfintech.com/form15/> on or before Sunday, September 27, 2026 to enable the Company to determine the appropriate TDS / withholding tax rate applicable. Any documents/communication on the tax determination/deduction received after Sunday, September 27, 2026, shall not be considered.

KFin has provided a facility for submission of tax documents for claiming nil/low tax deduction from dividend whereby the Resident Non-Individual members i.e. Insurance Companies, Mutual Funds and Alternative Investment Funds (AIF), and other domestic Financial Institutions established in India and Non-Resident Non-Individual members i.e., Foreign Institutional Investors

and Foreign Portfolio Investors may submit the relevant forms/declarations/ documents on KFin platform, on or before Sunday, September 27, 2026.

- iii. Application of TDS / withholding tax rate is subject to necessary verification by the Company of the member details as available in the register of members as on the Record Date, and other documents available with the Company / KFinTech provided by the member by the specified date.
- iv. In case TDS is deducted at a higher rate, an option is still available with the member to file the return of income and claim an appropriate refund.
- v. No TDS will be deducted in case of resident individual members whose dividend does not exceed ₹ 5000. However, where the PAN is not updated in Company / KFinTech/ Depository Participant records or in case of an invalid PAN and cumulative dividend payment to the individual member is more than ₹ 5000, the Company will deduct TDS/ Withholding tax u/s 194 with reference to Section 206AA of Income Tax Act, 1961.

All the members are requested to update their PAN with their Depository Participant (if shares are held in dematerialized mode) and Company / KFinTech (if shares are held in physical mode) against all their folio holdings on or before Friday, September 18, 2026.

vi. In the event of any income tax demand (including interest, penalty, etc.) on the Company arising due to any declaration, misrepresentation, inaccurate, or omission of any information provided by the member, such member will be responsible to indemnify the Company and also, provide the Company with all information/ documents and co-operation in any appellate proceedings.

vii. "Specified person" as defined under Section 206AB of the Income Tax Act, 1961 means a resident:

- who has not filed the returns of income for the previous year for which the time limit for filing the return of income has expired and;
- the aggregate of TDS and Tax Collected at Source is ₹ 50,000 or more in the said previous year.

Further, a non-resident person having a permanent establishment in India shall also be treated as "specified person" if the above conditions are met.

viii. This Communication is not exhaustive and does not purport to be a complete analysis or listing of all potential tax consequences in the matter of dividend payment. Members should consult their tax advisors for requisite action to be taken by them.

Securities held with CDSL	Please contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022-62343625, 022-62343626, 022-62343259

II. Access to KFin e-voting system in case of members holding shares in physical and non-individual members in demat mode.

Members whose E-mail IDs are registered with the Company / DPs, will receive an E-mail from KFin which will include details of E-Voting Event Number (EVEN), USER ID and password. They will have to follow the following process:

- Launch internet browser by typing the URL: <https://emeetings.kfintech.com>.
- Enter the login credentials (i.e., User ID and password). In case of physical folio, User ID will be EVEN (E-Voting Event Number) xxxx, followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if you are already registered with KFin for e-voting, you can use your existing User ID and password for casting the vote.
- After entering these details appropriately, click on "LOGIN".
- You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A- Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.,). The system will prompt you to change your password and update your contact details like mobile number, e-mail ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
- You need to login again with the new credentials.
- On successful login, the system will prompt you to select the "EVEN" i.e., 'PG Electroplast Limited' and click on "Submit"

- On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under "FOR/AGAINST" or alternatively, you may partially enter any number in "FOR" and partially "AGAINST" but the total number in "FOR/ AGAINST" taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option "ABSTAIN". If the Member does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.
- Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/ demat accounts.
- In case you do not desire to cast your vote, it will be treated as abstained.
- You may then cast your vote by selecting an appropriate option and click on "Submit".
- A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you have voted on the resolution, you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the resolution.
- Corporate/institutional members (i.e. other than individuals, HUF, NRI, etc.) are required to send scanned image (PDF/ JPG format) of certified true copy of relevant board resolution/authority letter, etc. together with attested specimen signature of the duly authorised signatory(ies) who is/are authorised to vote, to the Scrutiniser through email at and may also upload the same in the e-voting module in their login. The scanned image of the above documents should be in the naming format 'PGE_EVENT No'.
- In case of any queries/grievances, you may refer the Frequently Asked Questions (FAQs) for Members at <https://evoting.kfintech.com/public/Faq.aspx> or call KFin on 1-800-309-4001 (toll free).

In case e-mail ID of a Member is not registered with the Company/ Depository Participant(s), then such Member is requested to register/ update their e-mail addresses with the Depository Participant (in case of Shares held in dematerialised form) and inform KFin at the email ID evoting@kfintech.com (in case of Shares held in physical form):

- (i) Upon registration, Member will receive an e-mail from KFin which includes details of E-Voting Event Number (EVEN), USER ID and password.
- (ii) Please follow all steps from Note A above to cast your vote by electronic means.

INSTRUCTIONS FOR VOTING AT AGM:

- a. Only those members/shareholders, who will be present in the AGM through VC/OAVM and have not cast their vote through remote e-voting and are otherwise not barred from doing so are eligible to vote through e-voting at the AGM.
- b. However, members who have voted through remote e-voting will be eligible to attend the AGM.
- c. Members attending the AGM shall be counted for the purpose of reckoning the quorum under section 103 of the Act.
- d. Upon declaration by the Chairman about the commencement of e-voting at AGM, members shall click on the thumb sign on the left bottom corner of the video screen for voting at the AGM, which will take them to the 'Instapoll' page.
- e. Members may click on the 'Instapoll' icon to reach the resolution page and follow the instructions to vote on the resolution(s).

INSTRUCTIONS FOR MEMBERS FOR ATTENDING/ JOINING THE AGM:

- a. Members will be able to attend the AGM through VC/OAVM or view the live webcast of AGM provided by KFin at <https://emeetings.kfintech.com/> by clicking on the tab 'Video Conference' and using their remote e-voting login credentials. The link for AGM will be available in member login, where the EVENT and the name of the Company can be selected. Members who do not have User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the remote e-voting instructions mentioned under heading A above.
- b. Members are encouraged to join the meeting through Laptops with Google Chrome for better experience.

- c. Further, members will be required to allow camera, if any, and hence use internet with a good speed to avoid any disturbance during the meeting.
- d. Members may join the meeting using earphones for better sound clarity.
- e. While all efforts would be made to make the VC/OAVM meeting smooth, participants connecting through mobile devices, tablets, laptops, etc. may, at times, experience audio/video loss due to fluctuation in their respective networks. Use of a stable Wi-Fi or LAN connection can mitigate some of the technical glitches.
- f. Members, who would like to express their views or ask questions during the AGM will have to register themselves as a speaker by visiting the URL <https://emeetings.kfintech.com/> and clicking on the tab 'Speaker Registration' during the period starting from **Sunday, September 27, 2026 (09:00 a.m. IST) up to Monday, September 28, 2026 (5:00 p.m. IST)**. Only those members who have registered themselves as a speaker will be allowed to express their views/ask questions during the AGM.

The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM. Please note that only questions of the members holding the shares as on cut-off date will be considered.

- g. A video guide assisting the members attending AGM either as a speaker or participant is available for quick reference at <https://emeetings.kfintech.com/>.
- h. Members who need technical assistance before or during the 24th AGM can contact KFin at emeetings@kfintech.com or helpline – call KFin on 1-800-309-4001 (toll free).

Application(s) by our RTA KFINTECH

Members are requested to note that as an ongoing endeavour to enhance shareholders experience and leverage new technology, Kfintech has developed following applications for shareholders:

Investor Support Centre:

Members are hereby notified that our RTA, KFin Technologies Limited (Formerly known as KFin Technologies Private Limited), based on the SEBI Circular (SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/72) dated Jun 08, 2023, have created an online application which can be accessed at <https://ris.kfintech.com/default.aspx#> > Investor Services > Investor Support.

Members are required to register / signup, using the Name, PAN, Mobile and E-mail ID. Post registration, user can login via OTP and execute activities like, raising Service Request, Query, Complaints, check for status, KYC details, Dividend, Interest, Redemptions, e-Meeting and e-Voting Details.

Quick link to access the signup page: <https://kprism.kfintech.com/signup>

Summary of the features and benefits are as follows:

1. The provision for the shareholders to register online.
2. OTP based login (PAN and Registered mobile number combination)
3. Raise service requests, general query, and complaints.
4. Track the status of the request.
5. View KYC status for the folios mapped with the specific PAN.
6. Quick links for SCORES, ODR, e-Meetings and eVoting.
7. Branch Locator
8. FAQ's

Senior Citizens investor cell:

As part of our RTA's initiative to enhance the investor experience for Senior Citizens, a dedicated cell has been newly formed to assist exclusively the Senior Citizens in redressing their grievances, complaints, and queries. The Senior Citizens wishing to avail this service can send the communication with the below details to the email id, senior.citizen@kfintech.com.

Senior Citizens (above 60 years of age) have to provide the following details:

1. ID proof showing Date of Birth
2. Folio Number
3. Company Name
4. Nature of Grievance

The cell closely monitors the complaints coming from Senior Citizens through this channel and assists them at every stage of processing till closure of the grievance.

Online PV:

In today's ever-changing dynamic digital landscape, security, foolproof systems and efficiency in identity verification are paramount. We understand the need to protect the interests of you (shareholders) and also comply with KYC standards. Ensuring security and KYC compliance is paramount of importance in today's remote world. Digital identity verification, using biometrics and digital ID document checks, helps combat fraud, even when individuals aren't physically present. To counteract common spoofing attempts, we engage in capturing liveness detection and facial comparison technology.

We are excited to announce that our RTA has introduced an Online Personal Verification (OPV) process, based on liveness detection and document verification.

Key Benefits:

- A fully digital process, only requiring internet access and a device.
- Effectively reduces fraud for remote and unknown applicants.
- Supports KYC requirements.

Here's how it works:

- I. Users receive a link via email and SMS.
- II. Users record a video, take a selfie, and capture an image with their PAN card.
- III. Facial comparison ensures the user's identity matches their verified ID (PAN).

WhatsApp:

Shareholders can use WhatsApp Number: (91) 910 009 4099 to avail bouquet of services.

ANNEXURE TO NOTICE: EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013:

Item No. 4:

This Explanatory Statement for Item No. 4 is provided in terms of Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations').

The present Statutory Auditors, M/s S.S. Kothari Mehta & Company, Chartered Accountants (Firm Registration No. 000756N) will hold the office as Statutory Auditors of the Company till the conclusion of ensuing 24th Annual General Meeting (AGM).

In terms of the provisions of Section 139 of the Act, **M/s. B S R & Co. LLP, Chartered Accountants (ICAI Firm Registration No. 101248W/W-100022) ('BSR & Co.')** are proposed to be appointed as the New Statutory Auditors of the Company at the Annual General Meeting ("**AGM**") for a period of five years to hold office up to the conclusion of the 29th AGM. Accordingly, the first term of BSR & Co. will end at the conclusion of the ensuing 29th AGM.

The Board of Directors, after evaluating various factors such as independence, industry experience, competency of the audit team, efficiency in conduct of audit, their geographical presence and capability to serve the Company & its subsidiaries across multiple locations, etc., and based on the recommendations of the Audit Committee, has recommended the appointment of BSR & Co. as the Statutory Auditors of the Company, for a term of five years to hold office from the ensuing AGM till the conclusion of the 29th AGM of the Company i.e. for the Financial Year 2030-31 for approval by the members of the Company. BSR & Co. has provided its consent for re-appointment as the Statutory Auditors of the Company and confirmed that the appointment, if made, would be within the limits specified under Section 141 of the Act. They have further confirmed that they are not disqualified to be appointed as the Statutory Auditors as per the provisions of Section 139 and Section 141 of the Act and the Companies (Audit and Auditors) Rules, 2014, as applicable. BSR & Co. would audit the financial statements of the Company on a standalone and consolidated basis under Ind AS and would also audit the financial statements of certain subsidiaries.

The proposed fee to be paid to BSR & Co., for the audit of accounts including its subsidiaries would be around ₹ 75,00,000 (Rupees Seventy Five Lakhs only), plus expenses and taxes, as applicable.

It is proposed to authorise the Board of Directors, including relevant Committee(s) thereof, to finalise the fee, expenses & other terms, and to approve incremental fee from time to time during their tenure in consultation with the Statutory Auditor arising out of increase in scope of work, amendments to Accounting Standards or Listing Regulations and such other requirements resulting in the change in scope of work etc.

Pursuant to the provisions of Sections 139, 141, 142 and all other applicable provisions, if any, of the Act and the rules made thereunder, approval of the members of the Company be and is hereby sought for appointment of BSR & Co. as the Statutory Auditors of the Company, for a term of five years from the conclusion of the ensuing AGM till the conclusion of the 29th AGM of the Company.

None of the Directors or Key Managerial Personnel of the Company and their relatives are in any way concerned or interested, financially or otherwise, in this resolution.

The Board of Directors recommends the resolution as set out at Item No. 4 for approval of the Members to be passed as an Ordinary Resolution.

Brief Profile of M/s. B S R & Co. LLP ('B S R & Co.')

B S R & Co. was constituted on March 27, 1990, as a partnership firm having Firm Registration No. as 101248W. It was converted into limited liability partnership i.e. B S R & Co. LLP on October 14, 2013 thereby having a new Firm Registration No. 101248W/W-100022. Their registered office is at 14th Floor, Central B Wing and North C Wing, Nesco IT Park 4, Nesco Centre, Western Express Highway, Goregaon (East), Mumbai- 400063.

It is registered in Mumbai, Gurgaon, Bangalore, Kolkata, Hyderabad, Pune, Chennai, Chandigarh, Ahmedabad, Vadodara, Noida, Jaipur, Gandhinagar and Kochi. It has over 4,000 staff, 140+ Partners. B S R & Co. audits various companies listed on the stock exchanges in India including companies in the technology sector.

Item No. 5

Ratification of remuneration to Cost Auditors for Financial Year 2026-27

Pursuant to the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, as amended from time to time, the Company is required to have an audit of its cost records relating to specified products conducted by a Cost Accountant in practice.

Accordingly, based on the recommendation of the Audit Committee, the Board of Directors at its meeting held on September 04, 2026, appointed **M/s. Dhananjay V. Joshi & Associates, Cost Accountants, Pune (Firm Registration No.: 000030)** as the Cost Auditors of the Company to conduct the audit of the cost records of the Company for the Financial Year 2026-27.

The remuneration payable to the Cost Auditors for the said financial year has been fixed at **Rs. 4,80,000/- (Rupees Four Lakhs Eighty Thousand Only)** in connection with the cost audit. In terms of the provisions of Section 148 of the Companies Act, 2013, the remuneration payable to the Cost Auditors is required to be ratified by the members of the Company.

Accordingly, approval of the members is sought for ratification of the remuneration payable to **M/s. Dhananjay V. Joshi & Associates, Cost Accountants, Pune**, for conducting the cost audit for the Financial Year 2026-27.

None of the Directors, Key Managerial Personnel of the Company, or their respective relatives, are in any way concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the Notice.

The Board of Directors recommends the Ordinary Resolution set out at Item No. 5 of the Notice for approval by the members of the Company.

Item No. 6

Members of the Company are hereby informed that pursuant to the provisions of Section 185 of the Companies Act, 2013 ("**the Act**"), a company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the Company is interested, subject to the condition that—

- (a) a special resolution passed by the Company in general meeting: and
- (b) the loans are utilized by the borrowing company for its principal business activities.

In this regard, it is submitted that, the Company, in the ordinary course of business and pursuant to the stipulations of Banks /Financial Institutions ("**the Lender**"), has to extend Corporate Guarantee(s) on behalf of Goodworth Electronics Private Limited ("**GEPL**"), in respect of the credit facilities sanctioned by the Lender. GEPL is a Joint Venture entity in which the Company holds 50 % share, and hence half of the Board of GEPL comprise of Mr. Vikas Gupta, Managing Director (DIN: 00182241), Mr. Anurag Gupta, Director (DIN: 00184361) and Mr. Vishal Gupta, Director (DIN: 00184809) who are also Promoter- Directors of the Company.

Considering the stake of the Company in the Subsidiaries/ Joint Venture /Associate or group entity of the Company or any other person in which any of the Directors of the Company is deemed to be interested (collectively referred to as the "**Entities**"), and in order to facilitate its business operations, it is proposed to authorise the Board of Directors to continue to provide, from time to time, Corporate Guarantee(s) and/ or Security(ies) in favour of lenders, in respect of the credit facilities availed or to be availed by, time to time, up to an aggregate limit of Rs. 1,000 Crore (Rupees One Thousand Crores Only). The aforesaid approval shall also be deemed to cover the Corporate Guarantee(s) already extended by the Company on behalf of the entities.

The Company may be required to make loan(s) including loan represented by way of Book Debt (the "**loan**") to, and/or give guarantee(s) and / or provide security(ies) in connection with any loan, including loan represented by way of Book debt, if any (the "**Loan**") taken/ to be taken by the Group Companies.

The said Loan(s) / guarantee(s)/security(ies) shall be utilized by the Group Companies for their principal business activities and the matters connected and incidental thereto (the "Principal Business Activities").

The Group Companies are entities covered under the category of "a person in whom any of the director of the Company is interested" as specified in the explanation to sub-section-2 of the Section 185 of the Act and hence consent of the members is being sought by way of a special resolution pursuant to Section 185 of the Act for making of Loan(s) to, and / giving of guarantee(s), and / providing of security(ies) in connection with any Loan taken/ to be taken by the Group Companies up to an aggregate amount not exceeding ₹ 1,000 Crore (Rupees One Thousand Crores Only), as mentioned in the resolution.

None of the Directors, Key Managerial Person(s) of the Company or their relatives are, in any way, concerned or interested either financially or otherwise, in the said resolution, save and except to the extent of their shareholding and directorship in the group companies (if any).

The Board recommends the SPECIAL RESOLUTION as set out in Item No. 06 of this notice for the approval of members.

By Order of Board of Directors
of **PG Electroplast Limited**

Sd/-
Deepesh Kedia

Company Secretary
Membership No.- A34616

Date: September 04, 2026
Place: Greater Noida
